LODDON
SHIRE COUNCIL

Planning and Environment Act 1987

LODDON PLANNING SCHEME

Notice of Amendment

Amendment C9

The Loddon Shire Council has prepared Amendment C9 to the Loddon Planning Scheme.

The Amendment affects various parcels of land throughout the whole of the municipality.

What the Amendment does.

The Amendment proposes to make the following changes to the Loddon Planning Scheme:

- include in the Floodway Overlay those areas of the Shire identified as having the greatest risk and frequency of being affected by flooding;
- include in the Land Subject to Inundation Overlay those areas of the Shire identified as likely to be affected by a 1 in 100 year flood;
- inserting Clause 44.03 and Schedule 44.03s (Floodway Overlay) into the Loddon Planning Scheme;
- amend the schedule to Clause 61 to update the list of maps forming part of the Scheme.

This Amendment is required to update the extent of the flood overlays as a result of more accurate information on flooding obtained under the Flood Data Transfer Project managed by the Department of Sustainability and Environment for regional Victoria.

The Flood Data Transfer Project has collected and reviewed all flood data information currently available with the objective of producing high quality, consistent and comprehensive flooding information. The data was collected from the Department of Sustainability and Environment, local government and water authorities.

The Floodway Overlay has been applied to areas that have the greatest risk and frequency of being affected by flooding. It includes areas that convey active flood flows or store floodwater.

The areas are included in the land subject to Inundation Overlay are likely to be affected by

a 1 in a 100 year flood. Flooding in these areas is less severe although some property damage may occur. The Overlay seeks to ensure that the development maintains the free passage of floodwaters, minimises flood damage, is compatible with flood hazard and local drainage conditions and will not cause any significant rise in flood level or flow velocity.

The Amendment is available for inspection, free of charge, during office hours, at the following offices: Department of Sustainability and Environment, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne 3000; Department of Sustainability and Environment, Regional Office, VicRoads Building, Lansell Street, Bendigo 3552; Loddon Shire Council, High Street, Wedderburn 3518; Loddon Shire Council, Loddon Valley Highway, Serpentine 3517; Pyramid Hill IGA Supermarket, Kelly Street, Pyramid Hill 3575; Boort Resource Information Centre, Godfrey Street, Boort 3537; General Store Newbridge, Lyon Street, Newbridge 3551 and Bridgewater Post Office, Main Street, Bridgewater 3516.

Any person may make a submission on the Amendment. Submissions should clearly state all of the grounds on which the Amendment is supported or opposed. Any submission lodged is a public document. Submissions regarding the Amendment must be sent to: Craig Niemann, Chief Executive Officer, Loddon Shire Council, High Street, Wedderburn.

Submissions must be received by 30 May 2003.

Amendment C18

Application PO2/565

Environmental Resources Management Australia Pty Ltd, on behalf of Mrs A. Vidovich, has prepared Amendment C18 to the Mildura Planning Scheme and planning permit application PO2/565. Mildura Rural City Council is the Planning Authority for this Amendment.

The land affected by the Amendment and application is 809–825 Fifteenth Street, Mildura (Part of Lot 4 on Plan of Subdivision 2133625). The land to be rezoned comprises the rear (northern) portion of the overall land parcel and directly abuts the South East boundary of Mildura Centre Plaza.

The Amendment will facilitate the development of the land for the purpose of a Big W store. The Amendment proposes to change the Mildura Planning Scheme (the Scheme) by rezoning the rear portion of the site from the Business 4 Zone (B4Z) to the Business 1 Zone (B1Z) and by inserting the Schedule to the B1Z a floor space limit for the rear portion of the site for 'shop' use.

It is also proposed to make some minor modifications to the Municipal Strategic Statement (MSS) and to the Local Policies section of the Scheme to make explicit reference to the circumstances in which a discount department store can locate adjacent to Mildura Centre Plaza. These circumstances include the need to demonstrate that the facility cannot be accommodated in the City Heart and there will be an overall net community benefit as a result of the proposal.

The permit application is for the buildings and works associated with the development of the Big W store, dispensation from the car parking requirements of the Scheme and signage associated with the Big W store.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment and permit application at the following locations:

EXEMPTION

Application No. A43/2003

The Victorian Civil and Administrative Tribunal (the Tribunal) has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act) by Hanover Welfare Services Limited.

The application for exemption is to enable the applicant to advertise for and employ female staff and to provide women only accommodation at two of its facilities.

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 49, 100 and 195 of the Act to enable the applicant to advertise and employ female staff and provide women only accommodation at two of its facilities.

In granting this exemption the Tribunal noted:

- the Hanover Welfare Services provide support and services to men, women and families experiencing homelessness or at imminent risk of experiencing homelessness in eleven business units;
- of the eleven business units, three provide support services and eight combine support services together with access to accommodation. The accommodation includes either crisis accommodation or transitional housing;
- Hanover Women's Services operates two of the facilities. One is a 15 bed transitional housing facility at 3 Burnett Street, St. Kilda. The other is a crisis accommodation centre of 15 beds at 346 Dandenong Road, East St. Kilda;
- the facilities operated by Hanover Women's Services are designed for vulnerable single women;
- many of the women assisted do not feel safe around men. 95% of the women who are supported have experienced sexual violence with male perpetrators;
- the communal nature of the facilities provided means it would not be possible to provide a secure physically safe space for the women if men are provided with accommodation at the same facility;
- the Tribunal notes that Hanover has made provision for men or men whose gender identify is that of a woman at other facilities which it operates.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 49, 100 and 195 of the Act to enable the applicant to advertise for and employ female staff and provide women only accommodation

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 6 March 2006.

Subordinate Legislation Act 1994

NOTICE OF PREPARATION OF
 REGULATORY IMPACT STATEMENT

Fisheries (Compensation and Procedures)
 Regulations 2003

Notice is given in accordance with Section 11 of the **Subordinate Legislation Act 1994**, that a Regulatory Impact Statement (RIS) has been prepared in relation to the Fisheries (Compensation and Procedures) Regulations 2003.

The Proposed Regulations amend the Fisheries Regulations 1998 to provide for the determination and payment of compensation in relation to the compulsory cancellation of access licences as a result of a direction under Section 61 (Ministerial Directions) of the **Fisheries Act 1995** ('the Act').

The Regulations are required by operation of Sections 61(1)(b) and 63 of the Act and therefore the alternatives to Regulation are considered in the context of assessing compensation. It was concluded a formula based model with an independent negotiator was the most desirable.

The objective of the Proposed Regulations is to ensure that where a Ministerial Direction has been issued to cancel licences, licence holders can be assured that their claim for compensation will be assessed under a consistent, fair, reasonable and expeditious process.

The proposed regulatory changes to achieve these objectives provide for:

1. a formula which the Secretary must apply in making a determination for compensation (for all classes of transferable and non-transferable access licences, including licences with a quota entitlement);
2. an independent negotiator to act as an intermediary between the Secretary and the applicant; and
3. various related administrative procedures, specifically a claims application procedure and the manner in which a compensation claim may be paid.

Copies of the RIS and the Proposed Regulations may be obtained from the Customer Service Centre, by telephoning 13 61 86 between 8:30 am and 5:30 pm or on the internet at <http://www.nre.vic.gov.au/fishing>

Public comments are invited on the RIS and accompanying Proposed Regulations. All comments must be in writing and must be sent to Majella McIntosh, Policy Officer, Fisheries Victoria, PO Box 500, East Melbourne 3002 by no later than 5.00 pm, Friday 4 April 2003.
