**PROPOSED AMENDMENT TO
LOCAL LAW 5**

**Amendment of Penalties for Breaches of
Building Site Stormwater Code of Practice**

Council proposes to amend its existing Local Law 5 (Environment and Amenity). The following information about the proposed amendment is provided in accordance with the **Local Government Act 1989**.

Purpose of the Proposed Amendment

The purpose of the amendment is to alter the on the spot infringement notice for breaches of Clauses 10(2) and 10(3) of the Local Law from 20 penalty units (\$2,000) to 10 penalty units (\$1,000). These penalties are for the offence of non-compliance with requirements imposed by the Building Site Stormwater Code of Practice (Clause 10(2)) and refusal to identify parties responsible for contravening the said Code (Clause 10(3)). The adjustment to the penalties will establish an appropriate correlation between the penalty able to be imposed by a court of law (20 penalty units) and an infringement notice (10 penalty units).

Purpose and General Purport of Local Law 5

The purpose and general purport of Local Law 5 is to provide for a safe and healthy environment by prohibiting or regulating activities that may be unsafe or detrimental to the quality of life in the municipal district. Section 10 of the Local Law regulates building sites so as to minimise stormwater pollution, and enforce compliance with the requirements of the Building Site Stormwater Code of Practice.

DAREBIN PLANNING SCHEME

Notice of Amendment

Amendment C47

The City of Darebin has prepared an Amendment to the Darebin Planning Scheme.

The Amendment is in two parts. Part A of the Amendment applies to land generally adjacent to High Street from Westgarth South to Wild and Mason Streets, Regent.

Part B of the Amendment applies to the whole municipality.

Part A of the Amendment facilitates the revitalisation of High Street as a retail and commercial strip and encourages redevelopment of some under-utilised and run-down sections, through the introduction of use and development guidelines and controls. This part of the Amendment implements the recommendations of the High Street Urban Design Framework and Precinct Guidelines, November 2002.

Part A of the Amendment proposes to change the Darebin Planning Scheme by rezoning some

areas of land fronting or nearby High Street from inappropriate Industrial or Business zones to a mixture of Business and Mixed Use zones. The Amendment also introduces a Public Acquisition Overlay and an Environmental Audit Overlay to several sites along or near High Street.

Part A introduces a Local Policy and a Design and Development Overlay Schedule to the Darebin Planning Scheme. The Local Policy provides objectives for the High Street Corridor that will guide decision making in use and development planning approvals for the area. The Design and Development Overlay Schedule provides particular maximum building heights for areas where public views and vistas require protection or building heights require limitations to protect the amenity of the centre or nearby uses.

Part B of the Amendment introduces a Local Policy to Clause 22 of the Darebin Planning Scheme that provides objectives and standards for residential or mixed-use development involving four or more levels anywhere in the City of Darebin.

The Amendment can be inspected at: Strategic Planning, City of Darebin, Level 1, 274 Gower Street, Preston 3072; Department of Infrastructure, Customer Service Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne 3000.

Any person or agency that may be affected by the Amendment can make a submission to the City of Darebin. Submissions should be sent to Sandra Wade, Strategic Planning, City of Darebin, PO Box 91, Preston 3072, by the close of business on 30 May 2003. Submissions can also be directed to Sandra Wade via email at planning@darebin.vic.gov.au

EXEMPTION

Application No. A99 of 2003

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Annie North Incorporated. The application for exemption is to enable the applicant to advertise for, employ and operate a women's only refuge service provided and managed by women only.

Upon reading the material tendered in support of this application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 42, 100 and 195 of the Act to enable the applicant to advertise for, employ and operate a women's only refuge service provided and managed by women only.

In granting this exemption the Tribunal noted:

- the service aims to provide, develop and extend supported accommodation, together with relevant support services for women and their dependent children, who are leaving or attempting to leave situations of domestic violence and other forms of assault and abuse against them;
- it also provides support, information, referrals and care to women who are survivors of assault and other forms of abuse through the provision of non-clinical, community based, women-centred services;
- it aims to develop links with other community agencies/services, particularly those specialising in women's accommodation services;
- the service undertakes to provide education in the community aimed at changing society attitudes, structures and institutions which support and perpetuate domestic violence and other forms of abuse and assault against women and children by:
 - providing speakers for community meetings and workshops;
 - producing and disseminating educational material, e.g. pamphlets, posters;
 - use of the media;
- the service had been granted a previous exemption which expired on 12 April 2003.

The Tribunal grants an exemption from the operation of Sections 13, 42, 100 and 195 of the **Equal Opportunity Act 1995**, to enable the applicant to advertise for, employ and operate a women's only refuge service provided and managed by women.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 24 April 2006.

Subordinate Legislation Act 1994**PROPOSED BUSINESS NAMES
REGULATIONS 2003****PROPOSED ASSOCIATIONS
INCORPORATION (FEES)
REGULATIONS 2003****PROPOSED CO-OPERATIVES (FEES)
REGULATIONS 2003****PROPOSED PARTNERSHIP (LIMITED
PARTNERSHIPS) REGULATIONS 2003**

Consumer Affairs Victoria has undertaken a joint review of the fee structure for the four registration systems established under the **Business Names Act 1962**, **Associations Incorporation Act 1981**, **Co-operatives Act 1996** and Part 3 of the **Partnership Act 1958**. The purpose of this review is to ensure that the fees charged are commensurate with the costs of administration of these Acts.

The proposed Business Names Regulations 2003, Associations Incorporation (Fees) Regulations 2003, Co-operatives (Fees) Regulations 2003 and Partnership (Limited Partnerships) Regulations 2003 prescribe new fees for the purposes of the four Acts. The Business Names Regulations 2003 will also remake the current Business Names Regulations (No 2) 1992 which will sunset on 27 July 2003, and will prescribe particulars to be included in forms and statements lodged under the **Business Names Act 1962**.

The objectives of the proposed Regulations are to determine an appropriate licensing fee structure for the administration of the public registers established under the four Acts. An increasing number of lodgement transactions under the Acts will be able to be performed online, and the fee structures will reflect this new opportunity. The objectives of the Business Names Regulations also include the prescription of particulars to be included in the forms and statements to be lodged under the Act in order to ensure that the Business Names Register contains all the information necessary for its proper administration.

A Regulatory Impact Statement (RIS) has been prepared for the proposed Regulations. The RIS considers a draft of the four sets of Regulations and examines alternatives to them. The cost-benefit analysis in the RIS

demonstrates that the benefits of the proposed Regulations outweigh the costs. It concludes that the objectives of the Acts are best achieved by the current form of the proposed regulations.

Copies of the RIS and the proposed Regulations are available from the Legislation Branch, Consumer Affairs Victoria (telephone 9627 6236) or can be obtained from the Consumer Affairs Victoria website (www.consumer.vic.gov.au). Written submissions are invited and must be addressed to: Dr David Cousins, Director, Consumer Affairs Victoria, PO Box 123A, Melbourne, Vic. 3000.

All submissions must be received at the above address no later than 5:00 pm on 22 May 2003.
