**MANNINGHAM PLANNING SCHEME**  
Notice of Preparation of Amendment  
Amendment C37

The Manningham City Council has prepared Amendment C37 to the Manningham Planning Scheme.

The Amendment applies the Public Acquisition Overlay to the following five properties for the purposes of open space (PAO1): 1 Council Street, Doncaster; 9 Hepburn Road, Doncaster; 11 Hepburn Road, Doncaster; 13 Hepburn Road, Doncaster; 15 Hepburn Road, Doncaster.

This Amendment is rectifying two errors in the exhibition of Amendment C30. The first is that PAO7 — road, rather than PAO1 — open space was inadvertently applied to property numbers 9, 11, 13 & 15 Hepburn Road, Doncaster. Any submission received or yet to be received with respect to the application of the Public Acquisition Overlay to these properties through Amendment C30 will be considered as a submission to Amendment C37, as well. The second is that PAO1 should have been applied to 1 Council Street, Doncaster but was incorrectly applied to 1 Goodson Street, Doncaster.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment at the following locations: at the office of the planning authority, Manningham City Council Municipal Offices, 699 Doncaster Road, Doncaster; and at the Department of Sustainability and Environment, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne.

**Planning and Environment Act 1987****SURF COAST PLANNING SCHEME**

## Notice of Amendment

## Amendment C12

Surf Coast Shire has prepared Amendment C12 to the Surf Coast Planning Scheme. The Amendment proposes to vary the application of the Wildfire Management Overlay (WMO) throughout the Surf Coast Shire to accord with land designated by the Shire as a Bushfire Prone Area under the **Building Act 1993**. A revised Bushfire Prone Area was recently adopted by Council based on more accurate information on wildfire risk for the municipality provided by the Country Fire Authority. The main changes proposed by the Amendment are:

- deletion of the WMO from public land except where the land is developed by buildings used for accommodation or like uses;
- extension of the WMO into parts of the townships of Jan Juc, Anglesea, Aireys Inlet, Fairhaven, Moggs Creek and Lorne;
- increased coverage of the WMO in rural areas; and
- addition of policy objectives to the fire safety policy at Clause 22.03.

The Amendment will: assist in implementing the strategic objectives of the Shire Wildfire Prevention Strategy (2000) and policy objectives in the Surf Coast Planning Scheme; assist in streamlining the assessment process for dwelling proposals; and more accurately identify areas where the wildfire risk is significant.

The Amendment, including explanatory statement, can be inspected at: Surf Coast Shire Planning Office, Level 1, 16 Gilbert Street, Torquay; Department of Sustainability and Environment South Western Region Office, 180 Fyans Street, South Geelong; Department of Sustainability and Environment, Level 3 Plaza, Nauru House, 80 Collins Street, Melbourne and Website: [www.doi.vic.gov.au/planning](http://www.doi.vic.gov.au/planning)

Any person may make a submission on the Amendment. Submissions should clearly state all of the grounds on which the Amendment is supported or opposed and indicate whether the submitter wishes to be heard in respect of the submission at any subsequent panel hearing.

Submissions must be sent to Strategic Planning, Planning and Environment Unit, Surf Coast Shire, PO Box 350, Torquay 3228 by Friday 24 October 2003.

Officers will be available in Lorne on Wednesday 24 September and Anglesea on Tuesday 14 October to answer any queries. Please contact Customer Service on 5261 0555 if you wish to attend a session.

## EXEMPTION

Application No. A296/2003

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995**, by Ms Carol Ann, Ms Anah Holland-Moore and Ms Jean Taylor. The application for exemption is to enable the applicants to organise The National Lesbian Festival and Conference 2004 (also known as Lesfest 2004) — to be held at Dean, Victoria, from 7–14 January 2004 — for lesbians born female only.

Upon reading the material submitted in support of the application and upon hearing submissions from Ms Ann and Ms Taylor, the Tribunal is satisfied that it is appropriate to grant an exemption on the basis of three attributes (sex, sexual orientation and gender identity) from sections 13, 15, 49 and 195 of the Act, to enable the applicants to engage in exempt conduct, such as:

- advertising that Lesfest 2004 is for lesbians born female only;
- excluding from attending the live-in conference those who are not lesbians born female only; and
- employing lesbians to provide any necessary services for Lesfest 2004, such as catering.

In granting this exemption the Tribunal noted:

- that the applicants received a mandate from the 2002 Festival (held in Perth) to organise Lesfest 2004 for female born lesbians only;
- that the applicants expect about 150-200 people to attend Lesfest 2004 at which they will explore issues of special relevance to them through forums, workshops and entertainment;
- that there are many festivals and conferences held for the broader gay community; and
- that by being for lesbians born female only, Lesfest 2004 will provide a sense of security and well-being for those attending and participating in the festival program.

The Tribunal hereby grants an exemption to the applicants from the operation of sections 13, 15, 49 and 195 of the **Equal Opportunity Act 1995** to enable the applicants to advertise and organise Lesfest 2004 for lesbian born females only.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 11 March 2004.

**STYLE REQUIREMENTS.**

To ensure that material received can be reproduced, and that  
errors are minimised, the following guidelines are to be  
observed when submitting material by fax.

**Fax resolution:**

Material sent by fax should be transmitted using Fine  
Resolution (200 dots per inch by 200 dpi).

**Font size:**

Use 12 point (10 pitch) or larger.

**Font Style:**

Clear plain font styles, such as Helvetica, should be used.

**Graphics:**

Line drawings should be transmitted as large as possible to  
ensure clarity. Drawings up to A4 size sent by fax using Fine  
Resolution provide a good quality for reproduction.

**Avoid:**

Italics, underlining and full justification.

Ensure document is square when sending as documents that are
