Amendment C47

Who is the Planning Authority?

Moonee Valley City Council has prepared Amendment C47 to the Moonee Valley Planning Scheme. Moonee Valley City Council is the Planning Authority for this Amendment.

What the Amendment does:

The Amendment proposes to update Heritage Overlay Maps 11 HO and 16 HO to show the correct location and boundary of two heritage sites to achieve consistency with the Victorian Heritage Register.

The Amendment also proposes to rezone land and make corrections to Zone Map No. 12 to reflect current and preferred future land uses. Specifically, the Amendment proposes to:

- rezone no. 58 and no. 60 Pascoe Vale Road, Moonee Ponds from a Public Use Zone — Local Government (PUZ6) to Business 5 Zone (Bus5); and
- rezone three lots described as no. 62 Pascoe Vale Road from a Residential 1 Zone to a Public Use Zone — Local Government (PUZ6). Only one land parcel at this address (title vol. 5242, folio. 291) is currently shown as PUZ6, while the three northern parcels are incorrectly shown as being zoned Residential 1.

The Amendment will:

- amend Map 11 HO to show the correct location of HO057 — Walter Burley Griffin Incinerator Complex, 100 Holmes Road, Moonee Ponds (VHR 434);
- amend Map 16 HO to show the correct location of HO100 — former Burge Bros Factory, 135–157 Racecourse Road, Kensington (VHR 1216); and
- modify Zone Map No. 12 to reflect the change in zone of No. 58 and No. 60 Pascoe

Vale Road, Moonee Ponds and the three lots described as No. 62 Pascoe Vale Road, Moonee Ponds (title vol. 5016, folio no. 065; title vol. 5126, fol. 193; vol. 5126 fol. 192).

Why the Amendment is required

The Amendment is required to correctly reflect the location and boundary of two heritage sites identified by the Moonee Valley Planning Scheme and included in the Victorian Heritage Register. The Amendment is also required to correct a zone map error that occurred as part of the transition to the new format Moonee Valley Planning Scheme and has recently been identified. By improving the accuracy of the Planning Scheme, the Amendment will provide for orderly planning and development in the City of Moonee Valley.

The Amendment is available for public inspection, free of charge, during the office hours at the following places: Moonee Valley Council Offices, 9 Kellaway Avenue, Moonee Ponds 3039; and Department of Sustainability & Environment, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne 3000

EXEMPTION

Application No. A333 of 2003

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995** by Richmond Fellowship of Victoria—Amaroo Day Program & Outreach Services. The application for exemption is to enable the applicant to advertise for and employ a male worker in a full time position at the Amaroo Day Program & Outreach Services.

Upon reading the material submitted in support of the application by Ms Connie Gardner, Director of Human Resources, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a male worker in a full time position at the Amaroo Day Program & Outreach Services.

In granting this exemption the Tribunal noted:

- that men with a mental illness experience acute loneliness, depression, isolation and disempowerment;
- that for men, societal expectations of masculine roles are likely to exacerbate these psychosocial side effects of mental illness;

- that often due to the onset of the illness in formative years, men have difficulties in relating to women;
- that there is a need for positive role modelling by male staff members to further encourage positive change to enable male clients to improve their ability to engage in relationships;
- that a higher proportion of males attend the Day Program, especially during 'Drop In' times;
- that two staff members of each gender are rostered on at these times;
- that the gender specific groups such as 'Men's Group West' and 'Hestia', the women's group, are staffed by same gender facilitators to enable the exploration of gender related issues;
- that the grant of the exemption will offer an acceptable male worker coverage for male clients.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the Equal **Opportunity Act 1995** to enable the applicant to advertise for and employ a male worker in a full time position at the Amaroo Day Program & Outreach Services.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 25 September 2006.

The proposed Control of Weapons (Amendment) Regulations 2003 and the proposed Firearms (Search Powers) Regulations 2003 and Regulatory Impact Statement have been advertised for public comment and a number of submissions were received.

Following consideration of the submissions, I now give notice of my intention to:

 - classifying swords as “prohibited weapons”, thereby reducing their general availability to the public;

Subordinate Legislation Act 1994
REGULATORY IMPACT STATEMENT

Road Safety (Vehicles)

(Registration Fees No.2) Regulations 2003

Notice is given in accordance with section 11 of the **Subordinate Legislation Act 1994**, that a Regulatory Impact Statement (RIS) has been prepared in relation to the Road Safety (Vehicles) (Registration Fees No. 2) Regulations 2003.

In May 2003, the Victorian State Budget announced a 10 per cent increase in vehicle registration and transfer fees in 2003–04 as a means of raising additional funding for road infrastructure projects and other purposes.

The Road Safety (Vehicles) Regulations 1999 were amended to implement these fee increases with effect on 1 July 2003 by:

- the Road Safety (Vehicles) (Registration Fee) Regulations 2003, S.R. No 36/2003; and
- the Road Safety (Vehicles) (Transfer of Registration Fees) Regulations 2003, S.R. No. 51/2003.

These Regulations were made without compliance with the Regulatory Impact Statement process under a Premier’s certificate issued under section 9(3) of the **Subordinate Legislation Act 1994**. However, to comply with the requirements of section 9(4) of that Act, the amending Regulations provide for the expiration of the fee increases on 1 January 2004.

VicRoads has prepared the draft Road Safety (Vehicles) (Registration Fees No. 2) Regulations 2003, which are proposed to come into operation on 1 December 2003. These draft Regulations

would keep the recent fee increases in place on an ongoing basis. This RIS is concerned with these proposed Regulations.

The primary objective of the proposed regulations is to keep the higher fees for vehicle registration and transfer of registration in place on an ongoing basis. The proposed regulations will therefore provide funding for the provision of road infrastructure that is safe and efficient.

The RIS concludes that the proposed Regulations are the most cost effective and efficient means of meeting the objectives.

Public comments are invited on the RIS and accompanying Regulations. Copies may be obtained from the VicRoads bookshop, email: bookshop@roads.vic.gov.au, telephone: (03) 9854 2049, or facsimile: (03) 9854 2468.

Written submissions will be received up to 5:00 pm on 27 October 2003 at the following address: Manager, Registration and Licensing Policy, VicRoads, Level 1, 60 Denmark Street, Kew. Vic. 3101 or by email to catherine.gunn@roads.vic.gov.au. All submissions will be treated as public documents.

Any enquiries regarding the content of the RIS should be directed to Ms Catherine Gunn on (03) 9854 1884.
