Notice of Preparation of Amendment

Amendment C14

This Amendment has been prepared by the Swan Hill Rural City Council which is the planning authority for the Amendment.

The Amendment has been prepared at the request of the Victorian Government Property Group.

The land affected by the Amendment is known as Crown Allotment 14A, McGradie Street, Piangil. The site is located on the west side of McGradie Street and abuts the Department of Sustainability works depot.

The Amendment proposes to rezone the land from a Public Use Zone 1 (Service and Utility) to Township Zone in accordance with the attached map forming part of this Amendment.

The Amendment is required because the land has been declared surplus to the State Government's requirements. The site cannot be sold as public use land and therefore the rezoning will facilitate the sale of the land for private ownership.

You may inspect the Amendment, and any documents that support the Amendment and explanatory report about the Amendment at the following locations: at the offices of the Planning Authority, Swan Hill Rural City Council, 45 Splatt Street, Swan Hill; at the Department of Sustainability and Environment, North West Regional Office, corner of Taylor Street and Midland Highway, Epsom; at the Department of Sustainability and Environment, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne.

This can be done during office hours free of charge.

Any person who may be affected by the Amendment may make a submission to the planning authority.

The closing date for submissions is Tuesday 24 February 2004. A submission about the Amendment must be sent to Ken Fulford, Senior Planning Officer, Swan Hill Rural City Council, PO Box 488, Swan Hill 3585.

EXEMPTION

Application No. A4/2004

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by William Hepburn on behalf of St Vincent de Paul Aged Care and Community Services t/as Ozanam Community Center. The application for exemption is to enable the applicant to advertise for and employ two support workers, one man and one woman, at its Ozanam Community Centre.

UPON READING the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ two support worker, one man and one woman, at its Ozanam Community Centre.

In granting this exemption the Tribunal noted:

- The Applicant provides various community services including aged care, housing, employment and disability services for those who suffer various disadvantages.
- The Applicant operates Ozanam Community Centre to assist homeless and marginalised people with a wide variety of services

including housing referral, health referral, crisis accommodation, meals, toilet, shower and laundry facilities, access to computers and a library and other recreational facilities.

- Some of these services are provided to men and women separately. These include the laundry service, a women's group, and a room designated specifically for women.
- Clients of the service present with issues such as homelessness, mental health and other disability issues, family violence and substance abuse. They come from varied backgrounds and cultures. Many are homeless, sleeping in parks, lanes and doorways.
- A number of the women clients of the service have suffered intimidation, abuse or violence at the hands of men.
- The service has found that its male clients are more willing to discuss personal and health issues with a male, and female clients are more willing to discuss personal and health issues with a female.
- It has also found that its women clients feel more secure if facilities such as the laundry and showering facilities are staffed by a female. These women are also more likely to engage in programs directed to women if these programs are facilitated by female support workers. Many of these clients do not feel safe in the presence of men.
- The Applicant wishes to be able to employ a male and a female worker to support its gender specific programs and to staff those areas which are designated as gender specific areas. This will assist its service to operate more effectively for its clients and will promote the safety of its clients and staff.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ two support worker, one man and one woman, at its Ozanam Community Centre.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 21 January 2007.

FILM FESTIVAL GUIDELINES COMMENCING 1 FEBRUARY 2004

Film Festival Guidelines

Film Exemptions

1. A person or organisation wishing to screen an unclassified film at a film festival/season/special film event may apply to the Director¹ (or, in some jurisdictions, the State or Territory Minister²) to have the unclassified film which the applicant wishes to exhibit, formally exempted from classification.
2. When applying for exemption under clause 1, the applicant must submit adequate information about the matters listed in clauses 3, 4 and 5 below.
3. The applicant must submit the title of the film accompanied by an adequate synopsis³. The Director will take the synopsis into account, as well as any other information the OFLC may have about the film, in deciding whether to grant an exemption.
4. In deciding whether to grant an exemption, the Director must have regard to:
 - a) the purpose for which the film is to be screened; and
 - b) the extent to which the applicant carries on activities of a medical, scientific, educational, cultural or artistic nature; and
 - c) the reputation of the applicant in relation to the screenings of films; and
 - d) the conditions as to admission of persons to the screening of the film.
5. The Director will also have regard to any matters he/she considers relevant, such as:
 - a) the number of times the film will be screened, and
 - b) whether the audience is aged 18 years and over.
6. Where specified in State or Territory legislation, the Director is required to apply any guidelines or directions issued by the relevant Minister(s) in considering an application for an exemption.
7. When making a decision about an exemption, the Director will have regard to Section 11 of the (Cwth) **Classification (Publication, Films and Computer Games) Act 1995** (the Commonwealth Classification Act).

¹ The Director is the Director of the Classification Board. In the NT, the Director is referred to as the "National Director", and in the ACT as "director".

² The Director does not exempt films to be shown in SA and QLD film festivals and events. Applications for film exemptions are to be directed in SA to the Film Festivals Exemption Officer, SA Attorney-General's Department. For Film Festivals in QLD, refer to the Approved Organisation section of these guidelines and to the Films Classification Officer, QLD Department of Tourism, Racing and Fair Trading.

³ An adequate written synopsis of a film, under 14. (1) d (ii) of the **Classification (Publications, Films and Computer Games) Act 1995** is described as "in English that includes a statement or summary of any incidents, or of the plot, depicted or intended to be depicted by the film".

8. The Director will not grant an exemption for a film already classified X or RC⁴.
9. In the case of a film which has been classified X or RC at least 2 years before the date of application for exemption, the film may be exempted if, in the Director's view, the film would not be classified X or RC if reclassified under the Commonwealth Classification Act.
10. If in the opinion of the Director, whether based on the synopsis, other material, inspection of the film, or any other grounds, an unclassified film would be classified X or RC, the Director will not grant an exemption.
11. Where the Director has declined to exempt an unclassified film, the organisation may submit the film to the Classification Board for classification. If the film is classified X or RC, the Director's decision to decline to exempt it will be confirmed to the applicant.
12. Where an exemption is granted, it is a general requirement that the film must be exhibited under the following conditions:
 - a) only as part of the film festival/season/special film event at specified venues and on or between specified dates and not otherwise;
 - b) not more than four times each during the course of the film festival/season/special film event;
 - c) for the purpose for which the exemption was sought;
 - d) only to persons aged 18 years and over.
13. Variations to these conditions or additional conditions may also be imposed at the discretion of the Director.
14. The Director will notify the relevant State(s) and Territory(ies) of his/her decision about the film that has been granted an exemption. The Director will notify the relevant Minister(s) if a film has been refused exemption.

Approved Organisation Status

- 15 Organisations wishing to screen a film or hold a film festival/season/special film event may apply to the Director⁵ (or, in some jurisdictions, the State or Territory Minister and in the case of Queensland, the Films Classification Officer⁶) for "approved organisation" status.
16. "Approved" status allows an organisation to apply to have unclassified films which it wishes to exhibit, formally exempted from classification.
17. When applying for approved organisation status under clause 15, organisations must submit adequate information about the matters listed in clauses 18 and 19 below.
18. In deciding whether to grant approval to organisations, the Director must have regard to:

 - c) the reputation of the organisation in relation to the screenings of films; and
 - d) the conditions as to admission of persons to the screening of films by the organisation.

4 RC films are described in the National Classification Code as ones that:

- (a) depict, express or otherwise deal with matters of sex, drug misuse or addiction, crime, cruelty, violence or revolting or abhorrent phenomena in such a way that they offend against the standards of morality, decency and propriety generally accepted by reasonable adults to the extent that they should not be classified; or
- (b) depict in any way that is likely to cause offence to a reasonable adult, a person who is, or who looks like, a child under 16 (whether the person is engaged in sexual activity or not); or
- (c) promote, incite or instruct in matters of crime or violence.

5 The Director is the Director of the Classification Board. In the NT, the Director is referred to as the "National Director", and in the ACT as "director".

6 The Director does not grant approved organisation status for SA and QLD film festivals and events. Applications for approved organisation status are to be directed in SA to the Film Festivals Exemption Officer, SA Attorney-General's Department and in QLD, to the Films Classification Officer, QLD Department of Tourism, Racing and Fair Trading.

19. The Director will also have regard to any matters he/she considers relevant, such as:

29. The Director will not grant an exemption for a film already classified X or RC¹⁰.
30. In the case of a film which has been classified X or RC at least 2 years before the date of application for exemption, the film may be exempted if, in the Director's view, the film would not be classified X or RC if reclassified under the **Commonwealth Classification Act**.

Parliamentary Committees Act 2003

REFERRAL OF INQUIRY TO THE FAMILY AND COMMUNITY DEVELOPMENT COMMITTEE OF PARLIAMENT

Inquiry into the Regulation of the
Funeral Industry
Order in Council

The Governor in Council, under section 33 of the **Parliamentary Committees Act 2003**, requests that the Family and Community

Development Committee of Parliament inquire into, consider and report to Parliament on:

The current regulatory framework, including self-regulatory mechanisms, that is relevant to the funeral industry and assess its adequacy, where necessary identifying options for industry and government to improve practices in the industry.

In particular the Committee is required to:

1. Identify all existing regulation and self-regulatory arrangements applying to the funeral industry in Victoria, including those covering practices associated with planning, health, employee safety and consumer protection.
2. Examine the adequacy of the current regulatory framework, taking into account:
 - the quantity and severity of complaints;
 - Community perceptions of ethical standards;
 - Public and environmental health concerns;
 - Occupational and employee health and safety issues; and
 - Consumer protection and fair trading issues.
3. Assess the nature and extent of problems in the industry and, if necessary, consider options to address these. Options could include, but not be limited to:
 - Standards of the conduct of funerals, including storage, transportation and physical treatment of deceased persons that protect public health and safety and ensure dignity and respect for the dead;
 - Standards of employee training and workplace support;
 - Planning requirements regarding the establishment of funeral parlours; and
 - Extending coverage and enforcement of fair-trading laws.
4. Identify the form any intervention should take and whether government agencies, industry bodies or a combination of the two would best undertake it. In particular consider non-legislative options such as the development of codes of conduct, accreditation schemes, education and training programs and the development of information products.

In considering this reference, the Committee should take into account:

- Community experiences of the industry and the nature and extent of community concerns;
- The level of consumer complaints;
- Employee complaints and compensation claims within the industry;
- Pricing practices;
- The costs and benefits to the community of different approaches to regulation; and
- Regulation and other activities being undertaken in other jurisdictions.

The Committee is to report to Parliament by 31 December 2004.
