Vocational Education and Training Act 1990
MINISTERIAL DIRECTIONS TO COUNCILS OF TAFE INSTITUTES
AND UNIVERSITIES WITH TAFE DIVISIONS (AMENDMENT) 2004

PURPOSE

1. The purpose of these Directions is to amend the Ministerial Directions to Councils of TAFE Institutes and Universities with TAFE Divisions given on 7 December 1995 and amended on 2 October 1997, 25 November 1998, 7 December 2000 and 4 December 2001 (the Ministerial Directions), in relation to employment of staff in TAFE Institutions.

AUTHORITY FOR DIRECTIONS

2. These Directions are given pursuant to section 6A of the **Vocational Education and Training Act 1990**.

COMMENCEMENT

3. These Directions commence on the date they are given.

DIRECTIONS ABOUT THE EMPLOYMENT OF STAFF

4. In clause 13.1 of the Ministerial Directions, delete the definition of 'employment agreement'.
5. For Schedule 3 to the Ministerial Directions, substitute –

'SCHEDULE 3 – DIRECTIONS ABOUT THE EMPLOYMENT OF STAFF**PART 1 – PRELIMINARY**

Operation

- 3.1 These Directions are not intended to operate so as to confer or impose rights, liabilities or obligations as between a Council and a person employed by the Council or to affect the application of any law, employment agreement, contract of employment or award which applies to a matter dealt with by these Directions. Nevertheless, to the extent that a Council has discretion under such a law, employment agreement, contract of employment or award, the Council must comply with and give effect to these Directions in the exercise of that discretion.
- 3.2 A Council must take all practicable steps to ensure that its employees and agents also give effect to these Directions.

PART 2 – MANAGEMENT OF EMPLOYEE RELATIONS

Management Practices

- 3.3 Councils must develop policies on employment and employee relations which are consistent with these Directions and the public sector industrial relations policies from time to time of the Government of Victoria, and which are designed -
 - (a) to ensure compliance with relevant State and Federal laws relating to employee relations and industrial relations; and
 - (b) to ensure that all ongoing financial liabilities incurred by the institution in relation to employment can be satisfied out of the institution's own resources.

Consistency with Directions

- 3.4 A Council must ensure that an employment agreement or contract of employment does not contain a provision that is inconsistent with these Directions or the public sector industrial relations policies from time to time of the Government of Victoria. In this clause, 'employment agreement' means a Certified Agreement under the **Commonwealth Employee Relations Act 1996** or a common law employment contract.

Awards and Certified Agreements under the **Commonwealth Workplace Relations Act 1996**

- 3.5 A Council must not, without the written approval of the Minister—
- (a) consent to the making of an award under the **Commonwealth Workplace Relations Act 1996**; or
 - (b) make a Certified Agreement under the **Commonwealth Workplace Relations Act 1996**; or
 - (c) make or be a party to an application under the **Commonwealth Workplace Relations Act 1996** or any other application or notice under that Act in relation to the making, approval or implementation of a Certified Agreement under that Act.
- 3.6 A Council must provide to the Minister such information and reports on the status and progress of any industrial matter as the Minister may reasonably require.

Council Determinations

- 3.8 A Council must not make a determination under section 34C of the **Vocational Education and Training Act 1990** (which empowers Councils, subject to that Act, to determine conditions of employment) that is inconsistent with these Directions.

Redundancy

- 3.9 Where a Council retrenches an employee who is a member of the Revised or New superannuation schemes under the **State Superannuation Act 1988**, the Council is liable for all employer liabilities incurred as a result of that retrenchment.

PART 3 – EXECUTIVE OFFICERS

- 3.10 Council must, in respect of each management staff (executive) position –
- (a) assign a TAFE executive officer (TEO) level to the position; and
 - (b) determine the amount of the remuneration package for the position in accordance with the following table and these Directions.

TEO LEVEL	POINTS FACTOR SCORE	REMUNERATION RANGE	
		Current	From 1 January 2005
2	700 – 1124	\$110,000 – \$148,566	\$110,000 – \$152,771
1	1125 – 2199	\$133,189 – \$212,208	\$136,959 – \$218,214

- 3.11 Before a TEO level is assigned to a management staff position, or the level is varied, the Council must arrange for a work value assessment to be conducted in respect of the position.
- 3.12 The assessment must be conducted in accordance with the process known as the Mercer CED Job Factor Evaluation System.
- 3.13 The Points Factor Score is a guide only and is useful for establishing role relativities. There is no direct relationship between the Points Factor Score and remuneration. However, in establishing the relative worth of roles within the same TEO level, Councils should consider the relationship to benchmark roles.
- 3.14 The assessment of all Institute Director positions must be submitted to the Minister, or a person nominated by the Minister, for approval of the level.

- 3.15 References, in the table in clause 3.10, to amounts of remuneration are made on the basis that a position is a full-time position. In relation to a part-time position, a reference in these Directions to an amount of remuneration must be construed as a reference to an amount equal to –

$$\frac{HW}{76} \quad X \quad \frac{AR}{1}$$

where –

- HW represents the normal hours of work in each fortnight of the occupant of the position; and
AR represents the amount of remuneration for a full-time position.

Contracts of Employment for Executive Officers

- 3.16 A Council must not enter into a contract of employment that is inconsistent with –
- (a) the Victorian Public Service Executive Employment Handbook as current from time to time, or
 - (b) any guidelines issued by the Government Sector Executive Remuneration Panel from time to time.
- 3.17 A Council must not determine or adjust the total remuneration package of the Institute Director without the prior written approval of the Minister or the Minister's nominee,

Biennial Review Cycle

- 3.18 Subject to clause 3.17, a Council may adjust the total remuneration package of an executive officer in accordance with the biennial review cycle from time to time in operation in the Victorian Public Service and the policies of the Government Sector Executive Remuneration Panel from time to time.

Provision of documents and other information

- 3.19 A Council must provide the Minister with a true copy of the contract of employment between the Council and the Institute Director, and any variation to the contract, within 14 days after the contract or variation is entered into.

Performance-Related Incentive Payments

- 3.20 A Council must not, without the prior written approval of the Minister, make a performance-related incentive payment –
- (a) exceeding 15%, in respect of the review period ending on 31 December 2004; or
 - (b) exceeding 12% in respect of the review period ending on 31 December 2005 or any subsequent review period.
- 3.21 A Council must consult the Deputy Secretary, Office of Training and Tertiary Education before making a performance-related incentive payment to an Institute Director in respect of any review period, if the Council has failed to comply in that period with any provision of its Performance Agreement relating to –
- (a) training delivery; or
 - (b) maintaining a satisfactory working capital ratio; or
 - (c) operating deficits.

Selection of Institute Director

- 3.22 A Council must ensure that a selection panel for an Institute Director position at its institution includes a nominee of the Minister.
