Planning and Environment Act 1987

GLENELG PLANNING SCHEME

Notice of Amendment to a Planning Scheme Amendment C12

The Glenelg Shire Council has prepared Amendment C12 to the Glenelg Planning Scheme.

The Amendment has been prepared at the request of Environmental Resources Management Australia Pty Ltd on behalf of Mr D. J. Peddie and Mr P. King.

The Amendment applies to several properties located on both the east and west sides of Cape Nelson Lighthouse Road, Cape Nelson.

These land parcels can be described as Crown Allotment 1 of section 5, Parish of Trewalla (D. J. Peddie land), Crown Allotment 1A of section 5, Parish of Trewalla (Bramcote Pty Ltd land) and Crown Allotments 1, 2, 4, 5, 6 and 7 of section 4, Parish of Trewalla (Overoceans Pty Ltd land).

The Amendment proposes to incorporate the document 'Cape Nelson Livestock Assembly Depots, December 2003' into the Glenelg Planning Scheme.

A livestock assembly depot is a facility that holds sheep, cattle and goats for a period of time prior to the livestock then being exported overseas.

The containment period for livestock is dependent upon the country that it is being exported to, however, is generally between 10 and 30 days.

Most of the subject land currently operates as part of existing assembly depots. The incorporated document is required to enable the continued operation of these assembly depots and to facilitate the use of a small additional land area as part of the existing assembly depots.

The organisation that requested the Amendment is Environmental Resources Management Australia Pty Ltd, on behalf of Mr D. J. Peddie and Mr P. King.

WHITTLESEA PLANNING SCHEME

Notice of Preparation of Amendment Amendment C57

The Whittlesea City Council has prepared Amendment C57 to the Whittlesea Planning Scheme.

The Amendment applies to the land described as part Lot K, PS 503023K (being part of 1065K Yan Yean Road, Doreen). This land is more particularly described as the proposed Laurimar Town Centre site which comprises

4 hectares of land adjacent to the Laurimar Estate lake and wetlands.

The Amendment proposes to:

- rezone the land from Residential 1 Zone to Comprehensive Development Zone;
- introduce a schedule to the Comprehensive Development Zone which provides for a range of uses and the development of land and planning application requirements;
- incorporate the Laurimar Town Centre Comprehensive Development Plan as part of the Whittlesea Planning Scheme;
- apply the Development Plan Overlay to the land to be rezoned to Comprehensive Development Zone;
- delete the Design and Development Overlay (Schedule 1) as it relates to the land to be rezoned to Comprehensive Development Zone and replace it with a new Design and Development Overlay which specifically relates to the Laurimar Town Centre.

The purpose of the Amendment is to facilitate development of the Laurimar Town Centre for a variety of uses relevant to its town centre status including retail, commercial and residential uses and to ensure that it is designed and built according to a clear set of objectives and principles.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment at the following locations: Department of Sustainability and Environment, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne, Vic. 3000; Whittlesea City Council, Whittlesea Civic Centre, Ferres Blvd, South Morang, Vic. 3752 and City of Whittlesea website www.whittlesea.vic.gov.au

This can be done during office hours and is free of charge.

EXEMPTION

Application No. A28 of 2004

The Victorian Civil & Administrative Tribunal (the Tribunal) has considered an application pursuant to section 83 of the **Equal Opportunity Act 1995** (the Act) by The Richmond Fellowship of Victoria (the applicant). The application for exemption is to enable the applicant to advertise for and employ a man as Respite Support Worker of the Western Respite Service of the Richmond Fellowship of Victoria.

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the

applicant to advertise for and employ a man as Respite Support Worker of the Western Respite Service of the Richmond Fellowship of Victoria.

In granting this exemption the Tribunal noted that the applicant already has a female Respite Support Worker but requires a male Respite Support Worker in order to provide appropriate assistance to men with a mental illness.

This exemption is to remain in force from the day on which the notice of the exemption is published in the Government Gazette until 12 February 2007.

Dated 3 February 2004

Mrs S. DAVIS
Deputy President

This exemption is granted subject to the conditions that the proprietor must ensure that whenever children are being cared for or educated by the service, the number of staff members as set out in regulation 24 are caring for or educating the children:

Note: A Regional Children's Services Adviser will continue to monitor the delivery of a developmentally appropriate program.

This exemption remains in force until 31 December 2004.

Dated 19 December 2003.

“**Distinctive Marker**” means a marker button labelled with, but not limited to, the words personal limit or higher limit.

“**Game Supervisor**” means the person responsible for the supervision of the operation of the game.

“**Spin**” means an activation of the dice tumbler that causes the dice to be tumbled.

“**Total**” means the sum total of the uppermost sides of the three dice resulting from a valid spin.

1.2 Unless contrary intention appears, a Game Supervisor or a Casino Supervisor may perform any function or exercise any power of the Dealer.

1.3 A reference in these rules to the game is a reference to the game of Sic Bo played at a particular gaming table.

1.4 A reference in these rules—

1.4.1 To a bet is a reference to the contingency or outcome on which a player may place a wager; and

1.4.2 To a wager is to the money appropriated to such a bet in a particular case.

2 EQUIPMENT

2.1 The table layout:

2.1.1 Will—

- Casino Rules Notice No. 25 of 1999 published on 4 November 1999 (S161).

- 2.1.3 Will be fitted with electronic equipment to illuminate the winning areas on the layout.

- 2.3 A set of three (3) dice which will be sealed in the dice tumbler.
 - 2.3.1 The sides of each die will be marked with values from one to six, so arranged that the sum of the values of any pair of opposite sides is seven.

3 PLACEMENT OF WAGERS

- 3.1 Wagers will only be accepted in chips. Chips used for play on the game may be either:
 - 3.1.1 Cash chips marked with denominations of value; or
 - 3.1.2 Colour chips, which are non-value chips without denomination markings.
 - (a) The colour chips of a particular set will each bear the same distinguishing emblem or mark to differentiate them from colour chips of other sets in use at other tables. Each set will be subdivided into various colours.
 - (b) Colour chips issued at a particular Sic Bo table will only be used for gaming at that table and will not be used for gaming at any other table in the casino.
 - (c) The Dealer may accept a colour chip/s for redemption only if:
 - (i) The colour chip/s was issued at that particular table; or
 - (ii) The colour chip/s was issued at a table that is now closed. In this situation Surveillance will be notified and the value at which the colour chip/s was initially issued will, where possible be determined. If the initial value of the colour chip/s cannot be established, they will be exchanged at the lowest table minimum offered by the casino for the particular game played at the closed table at the time the player requests redemption. The exchange will be verified by a Pit Boss (or above).
 - (d) The Dealer will not issue colour chips with the same colour and design to more than one player at the same time unless the particular players issued with the chips agree.
 - (e) The specific value to be assigned to each chip will be declared by the purchaser. If that value exceeds the table minimum it will be denoted by a colour chip and a related marker button bearing a number on it to designate the value set by that person.
 - (f) At the discretion of a Casino Supervisor, a player may be issued with colour chips of more than one colour at the same table provided no other player as a result is precluded from wagering with colour chips.

- (i) In such instances the colours issued may be of different values providing the value of each colour is declared by the purchaser according to 3.1.2 (e).
- 3.2 Until a decision and settlement has been made in respect of any wager, no wager may be handled, placed, changed or withdrawn after the Dealer has announced that no more bets may be placed.
- 3.3 Wagers orally declared will only be accepted if they are accompanied by chips, authorised tokens, cash or vouchers. Cash, vouchers, and authorised tokens must be converted to chips prior to being placed on the layout. All wagers must be placed on the layout before the Dealer announces that no more bets may be placed.
- 3.4 Players are responsible for the positioning of their wagers on the layout, whether or not they are assisted by the Dealer. They must ensure that any instructions given to the Dealer are correctly carried out.
- 3.5 Wagers will be settled strictly in accordance with the position of chips when the result of a spin is announced.

- 11.14 If a Dealer incorrectly pushes the coin-in or game-over buttons then marker buttons will be used to show players already entered in the Jackpot.
- 11.15 In the event that a “Single Deck Card Shuffling Shoe” jams, stops shuffling or fails to complete a shuffle cycle, the cards will be reshuffled.
- 11.16 In the event that a “Single Deck Card Shuffling Shoe” does not verify that the correct number of cards is available for play, the Dealer will count all the cards. If the count proves to have too few or too many cards that round of play will be void.

12 WILD ARUBA STUD POKER

 - “**Qualify**” means that the Dealer has a poker hand of a pair of ‘8’s’ or higher.

- 12.5 Order and Meaning of Poker Hands
 - 12.5.1 In “Wild Aruba Stud Poker” all poker hands have the same meaning as in rule 3.6 with the addition of Five of a Kind.

- (a) A Straight Flush, in which a 2 is used in its natural form, is considered a natural Straight Flush. For example a hand of 2 3, 4, 5, 6 (all hearts) is considered a natural Straight Flush for the purposes of the jackpot wager. However it may also be used to form a 7-high Straight Flush hand for the purposes of the player's "Ante" and "Bet" wagers.
