Reg. 7

Notice of Intention to Acquire

TO: The Roman Catholic Trusts Corporation for the Diocese of Sale of Foster Street, Sale.

AND TO: All or any other interests in the land.

The Cardinia Shire Council intends to acquire an interest in fee simple of a 21.0 metre wide and 243.84 metre deep parcel of land (total area 5121 m²) contained within Certificate of Title Volume 8105, Folio 316 (described as Lot 1 on Title Plan 244134D (formerly known as part of Crown Allotment 48, Parish of Nar-nar-noon)) (Land). A plan showing the land to be acquired is available for inspection at the Municipal Offices of the Cardinia Shire Council, Henty Way, Pakenham, Victoria 3810 or by contacting Chris van der Ark on (03) 5945 4361.

Cardinia Shire Council considers that the land is suitable for the extension of Henry Road. Acquisition of the Land will allow Cardinia Shire Council to construct a road to enable access to areas to the east of the land and, in turn, facilitate further development of the area.

The land:

- is reserved for a public purpose under the Cardinia Planning Scheme;
- is not exempted from the reservation requirements under section 5 of the **Land Acquisition and Compensation Act 1986**;
- is not a class of land exempted from reservation under section 5 of the **Land Acquisition and Compensation Act 1986**;
- has not been certified by the Governor in Council as land which need not be reserved; and
- is not special project land under section 201I(3) of the **Planning and Environment Act 1987**.

At present time it is expected that the Cardinia Shire Council may require possession of the land on the date that is 2 months and 7 days from the date this Notice of Intention to Acquire is served. The date may change.

The Cardinia Shire Council requires you to provide it with information about the following:

1. the name of any other person who has, or you think may have, an interest in the land. (Such a person might be a tenant or a mortgagee or a person to whom you have agreed to sell the land);
2. if you have a current building permit or approval or a planning permit concerning the land;
3. if you have sold or let or in any other way dealt with the land or were intending to deal with the land immediately before you received this notice;
4. If you know of any other person proposing to do any of those things mentioned in paragraph 3;
5. any other matters of which you are aware which will help the Cardinia Shire Council to work out what compensation you should receive for the land. (This information may include details of any mortgage, lease or other arrangement affecting the land. If you claim financial loss, please provide financial documents and other records to substantiate all losses. All documents provided will be treated in confidence).

MAROONDAH CITY COUNCIL

Land Acquisition and Compensation Act 1986FORM 1 Ss 6 and 8(1)
Reg. 7

Notice of Intention to Acquire

TO: All or any other interests in the land

The Maroondah City Council intends to acquire the interest in fee simple in the whole of the 1790m² area of land described as Lot 41 on Plan of Subdivision No. 10616 on Certificate of Title Volume 5377, Folio 333 and situated at 18 Reserve Road, Ringwood (Land).

The Maroondah City Council thinks the Land is suitable for public purposes and considers that the name on the Certificate of Title Volume 5377, Folio 333 incorrectly states

the true registered proprietor of the Land. Council asserts that the Land was purchased by its predecessor, the Borough of Ringwood, from Miss Paula Olga Schreiber of 33 Narrak Street, Balwyn for £45. The Land was to be used for quarry purposes. The Borough of Ringwood minutes, dated 10 November 1932, record that the borough resolved to sign and seal the transfer document. No rates have been levied against the Land since 1932 and Council has maintained the Land since this time.

The Land:

- is reserved for a public purpose under the Maroondah Planning Scheme;
- is not exempted from the reservation requirements under section 5 of the **Land Acquisition and Compensation Act 1986**;
- is not in a class of land exempted from reservation under section 5 of the **Land Acquisition and Compensation Act 1986**;
- has not been certified by the Governor in Council as land which need not be reserved; and
- is not special project land under section 201I(3) of the **Planning and Environment Act 1987**.

At the present time it is expected that the Maroondah City Council may require possession of the Land on the date that is 2 months and 7 days from the date this Notice of Intention to Acquire is published in the Government Gazette. This date may change.

The Maroondah City Council requires you to provide it with information about the following:

1. The name of any other person who has, or you think may have, an interest in the Land. (Such a person might be a tenant or a mortgagee or a person to whom you have agreed to sell the Land).
2. If you have a current building permit or approval or a planning permit concerning the Land.
3. If you have sold or let or in any other way dealt with the Land or were intending to deal with the land immediately before you received this notice.
4. If you know of any other person proposing to do any of those things mentioned in paragraph 3.

5. Any other matters of which you are aware which will help the Maroondah City Council to work out what compensation you should receive for the Land. (This information may include details of any mortgage, lease or other arrangement affecting the Land. If you claim financial loss, please provide financial documents and other records to substantiate all losses. All documents provided will be treated in confidence).

EXEMPTION

Application No. A25 of 2004

The Victorian Civil & Administrative Tribunal (the Tribunal) has considered an application for exemption pursuant to s. 83 of the **Equal Opportunity Act 1995** (the Act) by

Woorarra Incorporated (the applicant). The applicant for exemption is to enable the applicant to advertise for and employ a woman in the position of a Child Support Worker, working with victims of domestic violence.

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a woman as Child Support Worker of Woorarra Inc.

In granting this exemption the Tribunal noted that the Tribunal had previously granted an exemption in 2000 to enable the applicant to advertise for and employ a woman in a similar position and that the circumstances under which the exemption was then granted are the same today.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ a woman as Child Support Worker of Woorarra Inc.

This exemption is to remain in from the day on which notice of the exemption is published in the Government Gazette until 19 February 2007.

EXEMPTION

Application No. A40 of 2004

The Victorian Civil & Administrative Tribunal has considered an application for exemption pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act) by the Department of Victorian Communities, Employment programs (the applicant). The application for exemption is to enable the applicant to advertise for and offer apprenticeships and traineeships, in accordance with the State Government "Jobs for Young People" (JYP) program, to Aboriginal and Torres Strait Islander and Australian-born South Sea Islander young people aged 15 to 24 years.

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the

Act to enable the applicant to advertise for and offer apprenticeships and traineeships to young people aged 15 to 24 years who are Aboriginal and Torres Strait Islanders or Australian-born South Sea Islanders.

In granting this exemption the Tribunal noted that the Tribunal had previously granted a similar exemption in 2002 (No. A34 of 2002) and that the circumstances under which it was originally granted are the same today in terms of the commitment by the Victorian Government under the JYP program to reducing the rate of youth unemployment by providing opportunities for young people from an indigenous background, who face barriers to entering the workforce, to gain paid work experience, training and qualifications.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the Act to enable the applicant under its JYP program to advertise for and offer apprenticeships and traineeships to Aboriginal and Torres Strait Islander and Australian-born South Sea Islander young people aged 15 to 24 years.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 19 February 2007.

The application for exemption is to enable the applicant to advertise for and offer apprenticeships and traineeships to persons aged 15 to 24 years, in accordance with the State Government "Youth Employment Scheme" (YES) and "Jobs for Young People" (JYP) programs.

satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to advertise for and offer apprenticeships and traineeships to persons aged 15 to 24 years.

In granting the exemption the Tribunal noted that the Tribunal had previously granted an exemption (No. A 421 of 2000) to enable the applicant in accordance with its Youth Employment Scheme to advertise for and offer apprenticeships and traineeships to persons aged 15 to 24 years, and that the circumstances under which the exemption was then granted are the same today.

Application No. A42 of 2004

The Victorian Civil & Administrative Tribunal (the Tribunal) has considered an application for exemption pursuant to s. 83 of the **Equal Opportunity Act 1995** (the Act) by Barwon Centre Against Sexual Assault (the applicant). The application for exemption is to enable the applicant to provide in its constitution for restriction of male membership of the Executive of the Committee of Management to one out of the three Executive Members.

6. **BULK ENTITLEMENT**

The Authority may take the share of flow in the waterway specified in clause 7, up to a maximum of 800 ML in any year.

7. **SHARE OF FLOW**

7.1 The Authority may take a share of the flow in waterway, calculated as follows:

- (a) from the beginning of November to the end of April
 - (i) when $F < 6.6$ ML/day,
 $E = 0$, and
 - (ii) when 6.6 ML/day $< F < 10$ ML/day,
 $E = F - 6.6$ ML/day;
 - (iii) when 10 ML/day $< F < 15$ ML/day, and F has not exceeded 10 ML/day for 10 days more than three times in that year,
 $E = F - 10.0$ ML/day;
 - (iv) when 10 ML/day $< F < 11.6$ ML/day, and F has exceeded 10 ML/day for 10 days more than three times in that year,

E = 0, and
 - (ii) when $24 \text{ ML/day} < F < 34 \text{ ML/day}$,
E = $F - 24$ ML/day;
 - (iii) when $34 \text{ ML/day} < F < 47 \text{ ML/day}$,
E = 10.0 ML/day;
 - (iv) when $47 \text{ ML/day} < F < 57 \text{ ML/day}$, and F has not exceeded 47 ML/day for 7 days more than three times in that year

 - (v) when $F > 47 \text{ ML/day}$, and F has exceeded 47 ML/day for 7 days more than three times in that year
E = 10 ML/day;
 - (vi) when $F > 57 \text{ ML/day}$;
E = 10 ML/day

where—

“E” means the Authority’s entitlement; and

“F” means the flow past the Paradise stream gauge (235233A) on the East Barham River less any water being transferred point sub-clause 7.3.

- (a) any other bulk entitlement or licence held by another person; or
- (b) any licence—

to a transferee pursuant to the Act.

7.3 The flow sharing arrangements set out in sub-clause 7.1 apply unless changes recommended as part of a stream flow management plan are accepted by the Authority and approved by the Minister. The Authority will participate in good faith in developing the stream flow management plan and negotiating any changes to flow sharing arrangements. Any change approved as part of this process would require amendment of clause 7.1.

8. OFF STREAM STORAGES

The system includes two off-stream storages, Marengo Reservoir (capacity 125 ML) and Barham Valley Reservoir (capacity 250ML).
