KINGSTON PLANNING SCHEME

Notice of Amendment

Amendment C43

This Amendment has been prepared by the City of Kingston. The City of Kingston is the planning authority for this Amendment.

The Amendment proposes to rezone the subject site from the Business 3 Zone to the Business 1 Zone, include the subject site in an Environmental Audit Overlay, and amend the Cheltenham Business Framework Plan map in the Municipal Strategic Statement by removing the Mixed Use (office and peripheral sales) Precinct reference to the site and replacing it with the Community Retail Precinct.

The Amendment affects two parcels of land with a combined area of approximately 1,134 square metres known as 37–39 Station Road, Cheltenham. The parcels are described on two certificates of title, being Volume 5117 Folio 331 and Volume 7029 Folio 713.

The Amendment is required in order to permit accommodation as part of any future redevelopment of the site. The subject site is recognised as being located within the core of the Cheltenham Business Centre and suited to redevelopment for a mixed-use purpose. The existing Business 3 Zoning of the site is

inconsistent with State policy in relation to broadening the role of Activity Centres.

The Amendment is available for public inspection, free of charge, during the office hours at the Planning Information Centre, Upper Plaza Nauru House, 80 Collins Street, Melbourne; City of Kingston, Mentone Customer Service Centre, 34 Brindisi Street, Mentone; and Cheltenham Branch Library, 12 Stanley Avenue, Cheltenham.

Any person who is affected by the Amendment may make a submission. Submissions regarding amendment C43 must be sent to: City of Kingston, Attention: The Manager, Strategic Planning Department, PO Box 1000, Mentone 3194 by 5 pm Monday 12 April.

- 3.4 A person on any form of leave (including secondment), whether with or without pay, from employment with the DE&T shall, for the purposes of this Order:
- (a) be considered to have the DE&T employee status the person had immediately prior to going on leave; and
 - (b) be considered, if the leave is for a period of six months or less, to remain a member of the DE&T employee electorate of which the person was a member immediately prior to going on leave.

For clauses 11, 12 and 13 of the Orders, substitute—

11 Number of vacancies equals nominations

- 11.1 If at the time fixed for the closing of nominations for elected positions, the number of vacancies in the Parent member category is greater than zero and equals the number of candidates seeking election to those vacancies, and the number of Parents who are DE&T employees and who are nominated to the Parent member category (if any) does not exceed the Maximum DE&T Parents, the principal shall —
- (a) declare each of those candidates to be elected; and
 - (b) inform the school community.
- 11.2 If at the time fixed for the closing of nominations for elected positions, the number of vacancies in the Parent member category is greater than zero and equals the number of candidates seeking election to those vacancies, but the number of Parents who are DE&T employees and who are nominated to the Parent member category exceeds the Maximum DE&T Parents the principal shall—
- (a) declare each of the candidates nominated for election to the Parent member category and who are not DE&T employees (if any) to be elected; and
 - (b) immediately post in a prominent position in the school a notice stating that insufficient nominations have been received and calling for further nominations to be lodged in respect of candidates for the Parent member category who are not DE&T employees, within three school days from the date of the closing of the first Call for Nominations; and
 - (c) if, at the expiration of the further three school days, the number of nominations received under clause 11.2(b) —
 - (i) does not exceed the number of vacancies in the Parent member category at the time of the first Call for Nominations less the number of candidates declared to be elected under clause 11.2(a)

less the Maximum DE&T Parents — declare the candidates nominated under clause 11.2(b) to be elected and, if the Maximum DE&T Parents is a number greater than zero, hold an election under clause 13.3 for the Parents who are DE&T employees; or

- (ii) exceeds the number of vacancies in the Parent member category at the time of the first Call for Nominations less the number of candidates declared to be elected under clause 11.2(a) less the Maximum DE&T Parents — hold an election under clause 13.8 for the Parents who are not DE&T employees and, if the Maximum DE&T Parents is a number greater than zero, an election under clause 13.9 for the Parents who are DE&T employees.

11.3 If at the time fixed for the closing of nominations for elected positions —

- (a) the number of vacancies in the Parent member category is greater than zero and equals the number of candidates seeking election to those vacancies; and
- (b) the number of Parents who are DE&T employees and who are nominated to the Parent member category exceeds the Maximum DE&T Parents; and
- (c) elected positions in the Parent member category remain unfilled after the completion of any election that may be required by clause 11.2(c) and the procedures set out in clause 14,

the school council shall fill the remaining vacancies by co-opting eligible persons to the Parent member category. A person is eligible for co-option to the Parent member category provided he/she is eligible to be elected to that membership category and, in the case of Parents who are DE&T employees, provided that the person's co-option to the school council would not result in a contravention of clause 4.3A by reason that half or more than half of the school council's total membership would be DE&T employees.

11.4 If at the time fixed for the closing of nominations for elected positions, the number of vacancies in the DE&T employee member category is greater than zero and equals the number of candidates seeking election to those vacancies, the principal shall —

- (a) declare those candidates to be elected; and
- (b) inform the school community.

11.5 Where both clauses 11.1 and 11.4 apply, namely where —

- (a) the number of vacancies in the Parent member category equals the number of candidates seeking election to those vacancies, and the number of Parents who are DE&T employees and who are nominated to the Parent member category (if any) does not exceed the Maximum DE&T Parents; and
- (b) the number of vacancies in the DE&T employee member category equals the number of candidates seeking election to those vacancies,

the principal shall take no steps under clauses 12 or 13 and shall also cancel any arrangements made under clause 14 for the counting of votes and the declaration of the poll, and shall inform the school community.

12 Number of vacancies greater than nominations

12.1 If at the time fixed for the closing of nominations for elected positions, the number

of vacancies in the Parent member category is greater than the number of candidates nominated to those vacancies, and —

- (a) the number of Parents who are DE&T employees and who are nominated to the Parent member category is less than the Maximum DE&T Parents, then clause 12.2 shall apply; or
- (b) the number of Parents who are DE&T employees and who are nominated to the Parent member category equals the Maximum DE&T Parents, then clause 12.3 shall apply; or
- (c) the number of Parents who are DE&T employees and who are nominated to the Parent member category exceeds the Maximum DE&T Parents, then clause 12.4 shall apply.

12.2 If clause 12.1(a) applies, the principal shall —

- (a) declare all of the candidates who are seeking election to the Parent member category to be elected; and
- (b) immediately post in a prominent position in the school a notice stating that insufficient nominations have been received and calling for further nominations to be lodged in respect of candidates standing for election to the Parent member category within three school days from the date of the closing of the first Call for Nominations; and
 - (i) if, at the expiration of the further three school days, the number of nominations received under clause 12.2(b) does not exceed the number of remaining vacancies and the number of candidates seeking election to the Parent member category and who are DE&T employees, when added to any candidates who are DE&T employees and who were declared to be elected under clause 12.2(a), does not exceed the Maximum DE&T Parents — declare any further candidates to be elected; or
 - (ii) if, at the expiration of the further three school days, the number of candidates does not exceed the number of remaining vacancies and the number of candidates seeking election to the Parent member category and who are DE&T employees, when added to any candidates who are DE&T employees and who were declared to be elected under clause 12.2(a), exceeds the Maximum DE&T Parents — declare the candidates seeking election to the Parent member category who are not DE&T employees to be elected, and hold an election under clause 13.3 (if any vacancy for a Parent who is a DE&T employee exists); or
 - (iii) if, at the expiration of the further three school days, the number of candidates exceeds the number of remaining vacancies but solely by reason that the number of candidates seeking election to the Parent member category who are DE&T employees, when added to any candidates who are DE&T employees and who were declared to be elected under clause 12.2(a), exceeds the Maximum DE&T Parents — declare the candidates seeking election to the Parent member category who are not DE&T employees to be elected, and hold an election under clause 13.3 (if any vacancy for a Parent who is a DE&T employee exists); or
 - (iv) if, at the expiration of the further three school days, the number of candidates exceeds the number of remaining vacancies but not solely by reason that the number of candidates seeking election to the Parent member category who are DE&T employees, when

added to any candidates who are DE&T employees and who were DE&T Parents — hold an election under clause 13.3.

- 12.3 If clause 12.1(b) applies, the principal shall —
- (a) declare all of the candidates who are seeking election to the Parent member category to be elected; and
 - (b) immediately post in a prominent position in the school a notice stating that insufficient nominations have been received and calling for further nominations to be lodged in respect of candidates for the Parent member category who are not DE&T employees, within three school days from the date of the closing of the first Call for Nominations; and
 - (i) if, at the expiration of the further three school days, the number of candidates does not exceed the number of remaining vacancies — declare any further candidates to be elected; or
 - (ii) if, at the expiration of the further three school days, the number of candidates exceeds the number of remaining vacancies — hold an election under clause 13.3.
- 12.4 If clause 12.1(c) applies, the principal shall —
- (a) declare the candidates seeking election to the Parent member category who are not DE&T employees to be elected; and
 - (b) immediately post in a prominent position in the school a notice stating that insufficient nominations have been received and calling for further nominations to be lodged in respect of candidates for the Parent member category who are not DE&T employees, within three school days from the date of the closing of the first Call for Nominations; and
 - (c) if, at the expiration of the further three school days, the number of nominations received under clause 12.4(b) —
 - (i) does not exceed the number of vacancies in the Parent member category at the time of the first Call for Nominations less the number of candidates declared to be elected under clause 12.4(a) less the Maximum DE&T Parents — declare the candidates nominated under clause 12.4(b) to be elected and, if the Maximum DE&T Parents is a number greater than zero, hold an election under clause 13.3 for the Parents who are DE&T employees; or
 - (ii) exceeds the number of vacancies in the Parent member category at the time of the first Call for Nominations less the number of candidates declared to be elected under clause 12.4(a) less the Maximum DE&T Parents — hold an election under clause 13.8 for the Parents who are not DE&T employees and, if the Maximum DE&T Parents is a number greater than zero, an election under clause 13.9 for the Parents who are DE&T employees.
- 12.5 If at the time fixed for the closing of nominations for elected positions, the number of vacancies in the DE&T employee member category is greater than the number of candidates seeking election to those vacancies, the principal shall —
- (a) declare those candidates to be elected; and
 - (b) immediately post in a prominent position in the school a notice stating that insufficient nominations have been received and calling for further

nominations to be lodged in respect of candidates standing for election to the DE&T employee member category, within three school days from the date of the closing of the first Call for Nominations; and

- (i) if, at the expiration of the further three school days, the number of candidates does not exceed the number of remaining vacancies — declare any further candidates to be elected; or
- (ii) if, at the expiration of the further three school days, the number of candidates exceeds the number of remaining vacancies — hold an election under clause 13.4.

12.6 If any elected positions remain unfilled after completion of the elections that may be required by this clause 12 and the procedures in clause 14, the school council shall fill the remaining vacancies referable to this clause 12 by co-opting eligible persons to the relevant membership category. - 13.3 If a clause of this Order requires the principal to hold an election under clause 13.3, then —
- (a) the vacancies to be filled at that election are the vacancies that were required to be filled at the time of the first Call for Nominations other than those vacancies to which Parent members were declared to be elected; and

- 13.6 If —
- (a) at the time fixed for the closing of nominations for elected positions the number of vacancies in the DE&T employee member category is greater than zero and is less than the number of candidates seeking election to those vacancies; and
- (b) a clause of this Order requires the principal to hold an election under clause 13.8 or clause 13.9 (or both),
- the principal shall hold an election in accordance with clause 13.10 in respect of those vacancies, and that election shall be held at the same time as any other election required to be held under clauses 13.8 or 13.9.

- (d) the election shall be held at the same time as any other election required to be held under clause 13.5, 13.6, or 13.9.

- 13.9 If a clause of this Order requires the principal to hold an election under clause 13.9, then —
- (a) the vacancies to be filled at that election are that number of the vacancies that were required to be filled at the time of the first Call for Nominations that is equal to the Maximum DE&T Parents; and
