EXEMPTION

Application No. A48 of 2004

The Victorian Civil & Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act) by the University of Melbourne (the applicant), for exemptions from Sections 13, 14, 100 and 195 of the Act. The application for exemption is to enable the applicant to advertise for and appoint a person of Indigenous Australian background to a position of Koori Health Project Officer with the School of Rural Health, Shepparton.

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 14, 100 and 195 of the Act to enable the applicant to advertise for and appoint a person of Indigenous Australian background to a position of Koori Health Project Officer with the School of Rural Health in Shepparton.

The Tribunal notes that a similar exemption was granted in June 2001 to the applicant to enable it to advertise for and employ a person of Indigenous Australian background to a position of Senior Lecturer in the Faculty of Education at the university, and that the grant of the exemption today is consistent with the applicant's commitment to affirmative action as reflected in its 2004 Operational plan, which contains an Indigenous Employment Strategy.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 14, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to advertise for and employ a person of Indigenous Australian background to a position of Koori Health

Project Officer with the School of Rural Health in Shepparton.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 4 March 2007.

Dated 26 February 2004.

EVIDENCE (CROWN WITNESSES ALLOWANCES AND EXPENSES) REGULATIONS 2004

Notice of Regulatory Impact Statement

In accordance with the **Subordinate Legislation Act 1994**, notice is given that a Regulatory Impact Statement has been prepared in relation to the proposed Evidence (Crown Witnesses Allowances and Expenses) Regulations 2004.

The proposed regulations will be made under Section 152 of the **Evidence Act 1958**.

The objective of the proposed regulations is to provide an appropriate level of reimbursement for the costs incurred by witnesses for the Crown in giving evidence in a court. The regulations provide for payments to be made in respect of loss of income, personal expenses (accommodation and meals expenses) and travel costs.

It is proposed to remake the Evidence (Crown Witnesses Allowances) Regulations 1992 without substantive amendment. The Regulatory Impact Statement concludes that the proposed regulations achieve a reasonable

balance between the mitigation of hardship caused by the requirement to appear as a Crown witness and the citizen's responsibility in respect of the administration of justice.

A copy of the Regulatory Impact Statement and the proposed Regulations can be obtained by writing to the Regulations Officer, Court Services, Level 1/436 Lonsdale Street, Melbourne, Vic. 3000.

Written submissions are invited and will be received up to 28 days from the date of publication of this notice.

Essential Services Commission Act 2001
RAIL ACCESS DETERMINATION RA 2/2002
Notice of Determination

The Essential Services Commission (the Commission) gives notice under section 35(2) of the **Essential Services Commission Act 2001** (ESC Act) of the making of a determination under section 34 of that Act.

Part 2A of the **Rail Corporations Act 1996** establishes a third party access regime for declared Victorian intrastate track (the Rail Access Regime). Under the Rail Access Regime, a person can request the Commission to make a determination on the terms and conditions of access to declared rail infrastructure services.

The intrastate standard gauge network operated by Freight Victoria Limited (trading as Freight Australia) (the Freight Network) is declared under the Rail Access Regime.

Determination

On 17 June 2002, GrainCorp Operations Pty Limited (GrainCorp) made an application to the Commission for it to make a determination on certain terms and conditions of access to the Freight Network on the basis that it was unable to reach agreement with Freight Australia Limited (Freight Australia). As part of its application for a determination, GrainCorp provided a draft agreement—the Network Access Agreement—to the Commission.

The Commission made a determination on terms and conditions of access on 3 October 2003 (the October Determination). On 24 October 2003, Freight Australia lodged a notice of appeal against the October Determination under 55(1)(c) of the ESC Act. The appeal alleged that the October Determination was based wholly or partly on an error of fact in a material respect. The appeal, heard by the Appeal Panel constituted under the ESC Act, delivered its ruling on 9 January 2004. Although most of the grounds of appeal raised by Freight Australia were rejected, the Panel determined that the October Determination be set aside and remitted to the Commission for amendment in respect of three matters.

To give effect to the Appeal Panel's ruling, the Commission, pursuant to section 34 of the ESC Act, has made a determination in respect of the application (the Determination) on the basis set out in the Commission's Statement of Purpose and Reasons. A brief description of the nature and effect of the Determination is set out below.

1. Freight Australia shall offer to provide access to GrainCorp to the Requested Freight Network Services (as described in 2 below) on the terms and conditions set out in the Network Access Agreement, as modified by the terms of the Determination.
2. The Requested Freight Network Services are the following lines and sidings:
 - (a) on the Western Victorian standard gauge track network:
 - (i) the Yaapeet to Dimboola branch line, including the following sidings on that branch line (Yaapeet Branch Line and Branch Line Sidings):

Antwerp	Rainbow
Jeparit	Yaapeet

- (ii) Hopetoun to Marmalake (Murtoa) branch line, including the following sidings on that branch line (Hopetoun Branch Line and Branch Line Sidings):
- | | |
|-----------|---------------|
| Beulah | Hopetoun |
| Beulah St | Lah |
| Brim | Warracknabeal |
- (b) the following silo sidings located on the ARTC Geelong to Serviceton standard gauge rail track (ARTC Sidings):
- | | |
|---------------|--------------------|
| Berrybank | Lillimur |
| Dooen | Marmalake (Murtoa) |
| Gerang Gerung | Nhill |
| Glenorchy | Serviceton |
| Horsham | Westmere |
| Kaniva | |
- (c) the Willaura siding located on the Maroona Yard to Portland standard gauge rail track (Willaura Siding);
- (d) the Geelong Loop Entrance Track, being the dual gauge track from:
- (i) Thompson Road to Separation St (known as the Ballarat Dual Gauge Line); and
- (ii) Separation St to the eastern boundary of Freight Australia's station grounds.
3. The Determination sets out the basis on which the fees payable for access to the Requested Freight Network Services must be calculated.
4. Each month, GrainCorp and Freight Australia must undertake an adjustment process in respect of the Yaapeet Branch Line and Branch Line Sidings and the Hopetoun Branch Line and Branch Line Sidings using the adjustment model provided by the Commission.

Other Fees

5. The Determination specifies certain other fees which may be charged by Freight Australia in relation to access to the Requested Freight Network Services.

Other Matters

6. The Determination specifies other terms and conditions of access to the Requested Freight Network Services, including in relation to indemnity and insurance and the resolution of disputes arising from the adjustment process.

The Determination takes effect on the date of Gazettal of this Notice and has effect until 31 July 2005. As soon as practicable, a public version of the Determination and the Commission's Statement of Purpose and Reasons (from which confidential information has been removed) will be available for inspection on the Commission's website at <http://www.esc.vic.gov.au> or at the Commission's offices during business hours by contacting:
