RICHARD HANCOCK
Chief Executive Officer

Planning and Environment Act 1987
MOORABOOL PLANNING SCHEME
Notice of Preparation of Amendment
Amendment C26

The Moorabool Shire Council has prepared Amendment C26 to the Moorabool Planning Scheme.

The land affected by Amendment C26 is contained within the Special Use 1 Zone (SUZ1) of the Moorabool Planning Scheme, the principal purposes of which are specified as follows:

- to recognise and provide for the use and development of land for coal mining;
- to provide for the use of the land compatible with the primary purpose of the zone;
- to ensure that mining operations are carried out in an orderly manner with due regard to the surrounding environment and adjacent land uses;
- to encourage land management practice and rehabilitation that minimise adverse impact on the use and development of nearby land; and
- to ensure that the use and development occur in accordance with an endorsed Management Plan and Development Plan.

The SUZ1 is approximately 700 ha. in total area and is generally bounded by the Bacchus Marsh–Geelong Road, Smiths Road, Rowsley Station Road, Osborne Street, the Ballarat (North Western) Railway, South Maddingley Road, Gaynor Street and East Maddingley Road, Maddingley. A total of 21 properties are zoned SUZ1, including land owned by the Calleja Group, operators of the Maddingley Brown Coal mine (licence MIN4701) which occupies about 40–50% of the total land area. The remainder of land is owned or occupied by various other residential and non-mining property holders.

The Amendment proposes to make alterations to Schedule 1 to the Special Use Zone (Coal Mining) in the Moorabool Planning Scheme in order to remove the current limitation that no use or development of land in the Special Use 1 Zone is permissible prior to approval by the responsible authority of a Maddingley Brown Coal Management Plan and Development Plan.

In the absence of an approved plan these existing provisions have had the unintended effect of restraining the issue of any planning permit for use and development in the zone by the responsible authority, thus sterilising activity and causing considerable uncertainty for all landholders in the SUZ1.

The changes also seek to ensure that use and development remain compatible with the purposes of SUZ1 by requiring that all applications for use and development, other than buildings and works exempt under the zone or less than \$50,000 in estimated total value, shall

be referred to the Department administering the **Mineral Resources Development Act 1990** for comment as a referral authority.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment at the following locations.

- at the principal offices of the planning authority, Moorabool Shire Council, at 15 Stead Street, Ballan, and 197 Main Street, Bacchus Marsh;
- at the regional office of the Department of Sustainability and Environment, 402–406 Mair Street, Ballarat; and
- at the Department of Sustainability and Environment, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne.

This can be done during office hours and is free of charge.

Any person who may be affected by the Amendment may make a submission to the planning authority.

The closing date for submissions is 25 June 2004. A submission must be sent to the planning authority, Moorabool Shire Council at PO Box 18, Ballan, Vic. 3342.
