**PRIVATE ADVERTISEMENTS**

**Fulbright Postgraduate Awards**

***For Study and / or Research in the USA***

(3 - 4 months in 2005 / 2006)

Valued up to A\$20,000

The Fulbright Professional Award is aimed at junior to middle level staff poised for advancement to a senior role, to undertake a 3 – 6 month program of professional development in the United States. The proposal must include an educational component (such as a short-course and / or research) and may involve other forms of professional experience including visits to relevant organisations.

Selection is based on applicants professional achievement and a proposal that indicates how the proposed visit will further their professional development, contribute to fostering improved understanding between the peoples of the two countries and the potential benefits will flow to the applicant's employer and / or industry

For further information and applications see [www.fulbright.com.au](http://www.fulbright.com.au) or call 02 6260 4460.  
Applications close 31 August 2004.

CITY OF MELBOURNE  
New Flinders Street Road Alignment  
affecting Property at Nos. 546–548 Flinders Street, Melbourne

Under delegated powers and pursuant to clause 7(1) of Schedule 10 of the **Local Government Act 1989** (“the Act”), Melbourne City Council on 11 March 2004 resolved to fix a new road alignment of Flinders Street affecting property at Nos. 546–548 Flinders Street, Melbourne for the purposes of the Act as shown on plan RA1501K as recorded at the Land Registry.

Dated 3 June 2004

## CITY OF MELBOURNE

Notice of Intention to make a  
Road Management Plan

Notice is given pursuant to section 54 of the **Road Management Act 2004** (“Act”) that the Melbourne City Council (“Council”) proposes to make a road management plan (“the proposed RMP”).

## Purpose of the proposed RMP

The purpose of the proposed RMP is to, in accordance with section 50 of the Act:

- establish a management system for the road management functions of Council as a road authority under the Act, which is based on policy and operational objectives; and
- to set the relevant standard in relation to the discharge of duties of the Council in the performance of those road management functions.

## The general purport of the proposed RMP

The proposed RMP, if made, will:

1. set standards and policies in relation to the discharge of duties in the performance by Council of its road management functions; and
2. provide details of the management system that Council proposes to implement in the discharge of its duty to inspect, maintain and repair roads for which Council is the coordinating road authority or the responsible road authority.

The RMP will include:

- reference to the register of public roads for which Council is responsible, and a description of Council assets in the road reserve;
- a description of the road asset management system by which Council will manage its assets, including the determining of a road hierarchy, the nature and frequency of road inspections, the intervention levels for defects, and the response times for repairs; and
- reference to the systems for the recording of information collected from inspections, periodic road condition surveys, Council's customer management system, traffic data, and other community input.

A copy of the proposed RMP can be obtained from or inspected at the Council Offices (Engineering Services, 4th Floor, 200 Little Collins Street, Melbourne). Office hours are 8.00am to 5.00pm Monday to Friday excepting public holidays.

Any person who is aggrieved by the proposed RMP may make a submission on the proposed RMP to the Council within 28 days after publication of this notice.

Written submissions should be marked “Road Management Plan submission” and addressed to the Group Manager Engineering Services, Melbourne City Council, Town Hall, Swanston Street, Melbourne, 3000.

## COLAC OTWAY PLANNING SCHEME

## Notice of Preparation of Amendment

## Amendment C21

The Colac Otway Shire Council has prepared Amendment C21 to the Colac Otway Planning Scheme.

Amendment C21 affects all land within the Residential 1 Zone and Low Density Residential Zone in the townships of Apollo Bay and Marengo as shown on the maps accompanying this Amendment.

The Amendment proposes to:

- Facilitate the preferred neighbourhood character of the residential areas of Apollo Bay and Marengo. Amendment C21 will assist the Council, applicants and local residents in determining the preferred future neighbourhood character of the residential areas in order to effectively implement the provisions of ResCode at Clauses 54 and 55 of the Planning Scheme. The changes to the Planning Scheme proposed as part of this Amendment implement the findings of the Apollo Bay and Marengo Neighbourhood Character Study, November 2003.
- Implement the recommendations and findings of the “Apollo Bay and Marengo Neighbourhood Character Study, November 2003.” Amendment C21:

- (a) introduces a new Neighbourhood Character Policy applying to the residential areas of Apollo Bay and Marengo (Clause 22.06) in the Local Planning Policy Framework;
- (b) introduces a new Residential Density Policy applying to the residential areas of Apollo Bay and Marengo (Clause 22.07) in the Local Planning Policy Framework;
- (c) applies the Design and Development Overlay (DDO4) to the majority of residential areas within the townships, with the exception of neighbourhood character precinct 3 in Apollo Bay. Schedule 4 to the Design and Development Overlay requires a planning permit for development over 7.5 metres in height, measured from natural ground level.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment at the following locations: the office of the planning authority, Colac Otway Shire, 2–6 Rae Street, Colac, Vic. 3250; the Colac Otway Shire Apollo Bay office, 69–71 Nelson Street, Apollo Bay, Vic. 3323; the Department of Sustainability & Environment, South West Region Office, 180 Fyans Street, South Geelong, 3219; and the Department of Sustainability and Environment, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne, Vic. 3000.

This can be done during office hours and is free of charge.

Any person who may be affected by the Amendment may make a submission to the planning authority.

The closing date for submissions is Thursday 29 July 2004. A submission must be sent to Colac Otway Shire, PO Box 283, Colac, 3250.

MAROONDAH PLANNING SCHEME  
Notice of Amendment  
Amendment C41

Maroondah City Council has prepared Amendment C41 to the Maroondah Planning Scheme.

The Amendment affects two separate lots of land located near the south-east corner of Bayswater Road and Bayfield Road, Bayswater North, known as Lot 1 PS 427522N and Lot 1 PS 323975C. Part of the subject site is situated within the potential alignment of the proposed Healesville Freeway. The land has a steep topography, is predominantly clear of canopy trees and contains no biologically significant vegetation.

The Amendment proposes to:

- rezone the land from Industrial 1 Zone to the Residential 1 Zone;
- apply a Public Acquisition Overlay to part of the land; and
- apply a Development Plan Overlay to set out the framework for the development of the site.

The Amendment can be inspected free of charge during normal office hours at the following Maroondah City Council outlets: Ringwood Civic Centre, Braeside Avenue, Ringwood; Eastland Customer Service Centre,

Eastland Shopping Centre, Ringwood; Croydon Civic Customer Service Centre, Civic Place, Croydon; and Department of Sustainability and Environment, Nauru House, 80 Collins Street, Melbourne.

Any submissions about the Amendment must:

- Be made in writing, giving the submitter's name and address. Include, if possible, a daytime contact phone number.
- Set out the views on the Amendment that the submitter wishes to be put before Council.
- Set out what changes (if any) the submitter wishes made to the Amendment.
- State whether the submitter wishes to be heard in support of their submission should a panel hearing be convened.

Submissions must be sent to Mr Michael Marasco, Chief Executive Officer, Maroondah City Council, PO Box 156, Ringwood 3134, by Friday 2 July 2004.

MELBOURNE PLANNING SCHEME  
Notice of Preparation of Amendment  
Amendment C88

VicUrban has prepared Amendment C88 to the Melbourne Planning Scheme.

The land affected by the Amendments is all land covered by the Docklands Yarra Residential Zone (1R6) in the Incorporated Document pursuant to Clause 81: "Melbourne Docklands Area Planning Provisions, January 2004" (Incorporated Document) in the Melbourne Planning Scheme.

The Amendment proposed to provide for and facilitate the orderly commercial development of the land in a manner that complements the surrounding residential area. The Amendment varies clause 402–2.3 Docklands Yarra Residential Zone and clause 410 Docklands Yarra Residential Zone (1R6) in the Planning Provisions. It will:

- vary the schedules to clause 52.03 and clause 81 to refer to the updated Incorporated Document;
- insert three policies in clause 402–2.3 Docklands Yarra Residential Zone;
- delete 'Motor vehicles sales or hire' in clause 410–1.3 and insert the land use term 'motor

vehicle, boat or caravan sales' subject to specific conditions in clause 410-1.2, after the land use term 'Marina' and before the land use term 'Nightclub'.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment at the following locations: at the office of VicUrban, AFL House, 140 Harbour Esplanade, Docklands; at the Department of Sustainability and Environment, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne.

This can be done during office hours and is free of charge.

**Water Act 1989**

## BULK ENTITLEMENT (CRESWICK) CONVERSION ORDER 2004

I, John Thwaites, as Minister administering the **Water Act 1989**, make the following Order—

**1. Citation**

This Order may be cited as the Bulk Entitlement (Creswick) Conversion Order 2004.

**2. Empowering Provisions**

This Order is made under sections 43 and 47 of the **Water Act 1989**.

**3. Commencement**

This Order comes into operation on the day it is published in the Government Gazette.

**4. Definitions**

In this Order—

“**Act**” means the **Water Act 1989**;

“**annual entitlement**” means the total amount of water which the Authority may take from the system in any year;

“**Authority**” means the Central Highlands Region Water Authority;

“**Loddon Basin Water Accounts**” means an annual report, required by the Minister, on compliance by entitlement holders and licensees, respectively, in the Loddon Basin, with the terms of their bulk entitlements or licences;

“**entitlement holder**” means a person holding a bulk entitlement under the Act;

“**licence**” means any licence granted under Part 4 of the Act;

“**Resource Manager**” means any person appointed by the Minister to do all or any of the following—

- (a) prepare the Loddon Basin Water Accounts; and
- (b) monitor whether entitlement holders in the Loddon Basin comply with the conditions of their bulk entitlements; and
- (c) direct the release of any water set aside for maintaining water quality in the Loddon Basin; and
- (d) investigate and mediate disputes between entitlement holders in the Loddon Basin; and
- (e) investigate and deal with significant unauthorised uses of water in the Loddon Basin; and
- (f) supervise the qualification of any rights to water made by the Minister during periods of declared water shortage under section 13 of the Act;

“**system**” means Dean Reservoir, Russell Reservoir, Cosgrave Reservoir and associated diversion pipelines to Lincoln service basin;

“**Victorian Storage Operator**” means the person appointed by the Minister to be responsible for water storage and supply costs in the Murray Basin;

“**year**” means the 12 months commencing 1 July.

**5. Conversion to a Bulk Entitlement**

All of the Authority's entitlement to water from the system is converted to a bulk entitlement on the conditions set out in this Order.

**6. Bulk Entitlement**

6.1 The Authority may take up to 500 ML of water from the system in any year, at a rate not exceeding—

- (a) 4.3 ML/day from Dean Reservoir;
- (b) 7.0 ML/day from Cosgrave Reservoir;
- (c) 4.3 ML/day from Russell Reservoir.

- 6.2 Subject to Division 1, Part 4 of the Act, this bulk entitlement may be transferred—
- temporarily or permanently;
  - in whole or in part;
  - for any purpose, including an in-stream use of water.
- 6.3 The Minister may vary the maximum rate of extraction specified under sub-clause 6.1 for the purpose of making any transfer of this bulk entitlement authorised under Division 1, Part 4 of the Act.
- 7. Share of Flow**
- 7.1 The Authority may take up to 100% of the flow into Dean Reservoir, Cosgrave Reservoir and Russell Reservoir except for the passing flows specified in sub-clause 7.2 up to the maximum diversion rates specified in sub-clause 6.1 and except for any flow being transferred by the holder of—
- any other bulk entitlement or licence held by another person, or
  - any licence—
- to a transferee pursuant to the Act.
- 7.2 The Authority must provide a minimum flow in Creswick Creek below Cosgrave Reservoir of the lesser of 1.0 ML/day and the inflow.
- 7.3 The flow sharing arrangement set out in sub-clause 7.2 applies, unless changes recommended as part of a stream flow management plan are accepted by the Authority and approved by the Minister. The Authority will participate in good faith in developing the stream flow management plan and negotiating any changes to flow sharing arrangements. Any change approved as part of this process would require amendment of this bulk entitlement.
- 8. Share of Capacity**
- 8.1 The capacity of each of the system storages is as follows:
- Dean Reservoir, up to 104 ML; and
  - Cosgrave Reservoir, up to 680 ML; and
  - Russell Reservoir up to 64 ML.
- 8.2 The Authority is entitled to:
- 100% of capacity of the system storages; and
  - all water stored in the system storages—
- but must not use or transfer any more than its entitlement in any year.
- 9. Making Allowances**
- 9.1 In calculating water available to the Authority under this bulk entitlement at any point downstream of the system, allowance must be made for—
- any losses from the waterways downstream of the system; and
  - the time taken by the flow to reach that point from the system.
- 9.2 If the Authority proposes to take water under this entitlement from a point other than specified in sub-clause 6.1, it must first—
- propose to the Minister—
    - fair, reasonable and representative means for calculating the allowances required by sub-clause 9.1; and
    - details of the proposed location and amount of the extraction; and
  - ascertain and provide the Minister with any operational requirements of the Resource Manager; and
  - satisfy the Minister that the proposal will have no impact on any other bulk entitlement or licence held by another person.

- 9.3 The Minister may—
- (a) approve all or any means proposed under sub-clause 9.2; or
  - (b) require the Authority to amend all or any means proposed; and
  - (c) require the Authority—
    - (i) to review all or any of the means approved by the Minister if, in the Minister's opinion, they are, at any time, no longer fair, reasonable or representative; and
    - (ii) to propose amended means to the Minister.
- 9.4 The Authority must—
- (a) advise the Resource Manager in writing within 14 days of any proposal approved by the Minister under sub-clause 9.3; and
  - (b) provide the Resource Manager with such other information concerning the proposed diversion as the Resource Manager may, from time to time, require.
- 10. Environmental Obligations**
- 10.1 The Authority must propose to the Minister, within 12 months of the date of this Order, a program to manage the environmental effects of the Authority's works to take water under this bulk entitlement which includes—
- (a) impacts on the bed and banks of waterways in the vicinity of the system works;
  - (b) operational practices to remove silt from works in the system;
  - (c) operational practices to manage the water quality in system works on a waterway;
  - (d) operational rules for the controlled releases from works to a waterway; and
  - (e) operational rules for management of flood flows through the system.
- 10.2 The Minister may—
- (a) approve the program proposed under sub-clause 10.1; or
  - (b) require the Authority to amend the proposed program; and
  - (c) require the Authority—
    - (i) to review the program approved by the Minister if, in the Minister's opinion, it is, at any time, no longer appropriate; and
    - (ii) to propose an amended program to the Minister.
- 10.3 The Authority, must at its cost—
- (a) implement the approved program;
  - (b) keep a record of all work undertaken under paragraph (a).
- 11. Metering Program**
- 11.1 The Authority, must propose to the Minister, within 12 months of the date of this Order, a metering program to determine—
- (a) the amount of water taken by the Authority under this bulk entitlement from each of the diversions; and
  - (b) the flows into Cosgrave Reservoir; and
  - (c) the passing flow from Cosgrave Reservoir—
- for the purpose of assessing whether or not the Authority complies with this bulk entitlement .
- 11.2 The Minister may—
- (a) approve the program proposed under sub-clause 11.1; or
  - (b) require the Authority to amend the proposed program; and
  - (c) require the Authority—
    - (i) to review the program approved by the Minister if, in the Minister's opinion, it is, at any time, no longer appropriate; and
    - (ii) to propose an amended program to the Minister.

- 11.3 The Authority, must at its cost, and in accordance with any guidelines issued from time to time by the Minister—
- (a) implement the approved metering program; and
  - (b) maintain metering equipment and associated measurement structures in good condition, ensure that metering equipment is periodically re-calibrated and, where rating curves are used to calculate flows, ensure that these curves are regularly checked and updated; and
  - (c) keep a record of all work undertaken under paragraph (b).

## **12. Reporting Requirements**

- 12.1 The Authority may be required to report on all or any of the following matters, as provided in this clause:
- (a) the daily amount of water taken under this bulk entitlement;
  - (b) the water level and amount of water stored in Dean Reservoir, Cosgrave Reservoir and Russell Reservoir;
  - (c) the annual amount of water taken under this bulk entitlement;
  - (d) the approval, amendment and implementation of programs under clauses 10 and 11;
  - (e) any temporary or permanent transfer of all or part of this bulk entitlement;
  - (f) any bulk entitlement or licence temporarily or permanently transferred to the Authority with respect to the Creswick Water Supply System;
  - (g) any amendment to this bulk entitlement;
  - (h) any new bulk entitlement granted to the Authority with respect to the Creswick Water Supply System;
  - (i) any failure by the Authority to comply with any provision of this bulk entitlement;
  - (j) any existing or anticipated difficulties experienced by the Authority in complying with this bulk entitlement and any remedial action taken or proposed by the Authority.
- 12.2 The Minister may require the Authority to report on all or any of the matters set out in sub-clause 12.1—
- (a) in writing, or in such electronic form as may be agreed between the Authority and the Minister; and
  - (b) within 14 days of receiving the Minister's written request.
- 12.3 The Authority must, for the period of the preceding year, report in its Annual Report on each of the matters set out in sub-clause 12.1, except—
- (a) paragraphs (a) and (b) of sub-clause 12.1; and
  - (b) with the approval of the Minister, any particular failure referred to in paragraph (i) of sub-clause 12.1.
- 12.4 The Resource Manager may require the Authority to report to it, from time to time, on all or any of the matters set out in sub-clause 12.1.
- 12.5 Any report under sub-clause 12.4 must be made—
- (a) in such form as may be agreed between the Authority and the Resource Manager; and
  - (b) unless the Authority and the Resource Manager agree otherwise —
    - (i) within 24 hours of the Authority receiving a request for a report on any matter set out in paragraphs (a) to (c) of sub-clause 12.1; or
    - (ii) within 14 days of the Authority receiving a request for a report on any matter set out in paragraphs (d) to (k) of sub-clause 12.1.

## **13. Water Resource Management Costs**

- 13.1 Subject to sub-clause 14.1, the Authority must pay the Resource Manager a fair and reasonable proportion of the costs incurred by the Resource Manager to—

- (a) prepare the Loddon Basin Water Accounts; and
  - (b) monitor whether entitlement holders in the Loddon Basin comply with the conditions of their bulk entitlements; and
  - (c) direct the release of any water set aside for maintaining water quality in the Loddon Basin; and
  - (d) investigate and mediate disputes between entitlement holders in the Loddon Basin; and
  - (e) investigate and deal with significant unauthorised uses of water in the Loddon Basin; and
  - (f) supervise the qualification of any rights to water made by the Minister during periods of declared water shortage under section 13 of the Act.
- 13.2 The proportion of the costs referred to in sub-clause 13.1 is to be determined by the Resource Manager under sub-clause 14.3.

#### **14. Duty to Keep Accounts and Fix Proportions**

- 14.1 The Authority is not obliged to make any payment to the Resource Manager, under clause 13 unless the Resource Manager chooses to comply with the provisions of this clause relevant to that payment.
- 14.2 Separate accounts of all costs and payments must be kept by the Resource Manager in respect to sub-clause 13.1.
- 14.3 The Resource Manager must, by 1 February in any year, determine, in respect of the ensuing year, a fair and reasonable proportion of the costs referred to in sub-clause 13.1.
- 14.4 Accounts required to be kept under this clause must be made available for inspection by the Authority upon request.

#### **15. Salinity Management Costs**

The Authority must pay to the Victorian Storage Operator, a portion of the cost of salinity mitigation schemes along the River Murray operated by Victoria, commensurate with the extent to which the Authority and its customers contribute to the need for these schemes.

#### **16. Duty to Make Payments**

Any amount payable by the Authority under clause 13 must be paid in arrears, within 28 days of the Authority receiving an invoice, unless the Authority and the person to whom the amount is payable agree otherwise.

#### **17. Data**

- 17.1 Subject to clause 13, the Minister will use the Minister's best endeavours to ensure that all hydrological and other data required by the Authority to comply with this bulk entitlement are made available to the Authority.
- 17.2 The Authority must make available data collected for the purpose of the metering program and reporting under clauses 11.1 and 12.1 to any person, subject to the person paying any fair and reasonable access fee imposed by the Authority to cover the costs of making the data available.

#### **18. Dispute Resolutions**

- 18.1 If any difference or dispute arises between the Authority, the Minister and, with its consent, the Resource Manager, or any of them (the "parties") concerning the interpretation or application of this Order, which is not resolved within 14 days of it arising, any party may give written notice to the others requiring the matter to be determined by an independent expert, if it is not otherwise resolved, within 14 days of that notice.
- 18.2 The independent expert will be either—
- (a) a person agreed on by the parties to the difference or dispute; or
  - (b) if those parties cannot agree, a person nominated by the Minister.

- 18.3 The independent expert must reach a conclusion on the matter within 30 days of it being referred, but has power to extend the period for reaching a conclusion on the matter by a further 30 days.
- 18.4 (a) The independent expert must send a copy of the conclusion and its supporting reasons to each party to the difference or dispute.
- (b) In any difference or dispute to which the Minister is a party, the independent expert must express the conclusion as a recommendation.
- (c) the Minister must consider any recommendation made under paragraph 18.4(b) before deciding to give a direction under section 307 or to take any other action under the Act in relation to the difference or dispute.
- 18.5 In any difference or dispute to which the Minister is not a party, any conclusion by an independent expert is final and binding on the parties.
- 18.6 The apportionment of the costs of and incidental to every reference, including the costs of the independent expert, shall be at the discretion of the independent expert.
