**Essential Services Commission Act 2001**

## NOTICE OF DETERMINATION

The Essential Services Commission ("Commission") gives notice under section 35(2) of the **Essential Services Commission Act 2001** (Vic) that it has, pursuant to section 68(8)(b)(ii) of the **Electricity Industry Act 2000** (Vic), made a determination in respect of the proposed acquisition of the electricity generation businesses of Edison Mission Energy Australia Limited (EME) – (1) Loy Yang B and (2) 60 percent of Valley Power Generating facilities by a consortium in which International Power plc (IP) is the principal partner.

The Commission has determined that it is satisfied that the Australian Competition and Consumer Commission ("ACCC") has considered the proposed acquisition of EME – (1) Loy Yang B and (2) 60 percent of Valley Power by the consortium and that the ACCC has notified IP that it does not intend to take action in relation to the acquisition under section 50 of the **Trade Practices Act 1974** (Cwlth).

The effect of this determination is that the proposed acquisition of EME – (1) Loy Yang B and (2) 60 percent of Valley Power by the consortium would not represent a prohibited interest held by IP under section 68 of the **Electricity Industry Act 2000**.

The ACCC has notified IP that its agreement not to take action under section 50 of the TPA in regard to the proposed acquisition of EME is subject to the ACCC's acceptance of certain undertakings at section 87B of the TPA by IP. The Commission has therefore noted in correspondence to IP that, pursuant to section 75(4) of the **Electricity Industry Act 2000**, the Commission may revoke or vary the

determination by notice in writing served on IP. The Commission may exercise this power if circumstances change such that the information on which the determination was based is no longer considered sufficient by the Commission.

The determination takes effect on and from the date on which this notice is published in the Government Gazette.

A copy of the determination is available on the Commission's website located at <http://www.esc.vic.gov.au> or a copy can be obtained by calling Mr Richard Bunting on (03) 9651 0222.

TXUAG is the holding company for TXU's Australian operations.

The Commission has determined that it is satisfied that the Australian Competition and Consumer Commission (ACCC) has considered the Acquisition. The Commission notes that the ACCC has advised SPE that the ACCC has accepted court-enforceable undertakings pursuant to section 87B of the **Trade Practices Act 1974** (TPA) and that the ACCC does not propose to intervene in the proposed acquisition pursuant to section 50 of the TPA.
