Essential Services Commission Act 2001

PUBLIC NOTICE

On 9 December 2004 Toll GeelongPort applied to the Commission for the pass-through of security costs associated with new security compliance obligations under Commonwealth legislation. The Commission has considered this application as an amendment of the existing Price Determination for the Port of Geelong.

On 16 March 2005 the Commission:

- determined that the additional costs associated with these new security obligations may be recovered by Toll GeelongPort through a 2.0% increase in each prescribed price that was previously approved by letter on 2 June 2004. Toll GeelongPort may apply this increase at any time after the date that the determination takes effect; and
- approved the introduction of a new charge for security guards at Corio Quay and Lascelles Wharf, applying whenever vessels are at berth, at a rate of \$42 per hour (excluding GST).

The amendments to the Price Determination will take effect from the date of publication and expire on 30 June 2005 (being the date that the existing Price Determination for the Port of Geelong expires).

The Commission's determination and other related information is available on the Commission's website: www.esc.vic.gov.au. Queries may be directed to Mr Michael Cunningham, Manager, Ports & Grain Handling on (03) 9651 0247.
