CARDINIA PLANNING SCHEME

Notice of Preparation of Amendment Amendment C59

The Cardinia Shire Council has prepared Amendment C59 to the Cardinia Planning Scheme.

The land affected by the Amendment includes land described as Volume 9228, Folio 503; Volume 9463, Folio 521; Volume 9302, Folio 222, known as 600–620 Princes Highway, Officer.

The Amendment proposes to rezone approximately 72 hectares of land bounded by the Princes Highway, Cardinia road and the Pakenham–Dandenong Railway from Rural Zone to Residential 1 Zone. It also proposes to rezone approximately 8 hectares from Rural zone to Public Park and Recreation Zone, including the Gum Scrub Creek.

The Amendment proposes to remove the Flood Overlay and replace it with the Land Subject to Inundation Overlay. It further proposes to apply a Development Contributions Overlay and a Development Plan Overlay to all of the land.

The purpose of the Residential 1 Zone is to provide for residential development at a range of densities with a variety of dwellings to meet the housing needs of all households and for the Public Park and Recreation Zone to recognise areas for public recreation and open space.

The purpose of the Development Contributions Plan Overlay is to identify areas which require the preparation of a development contributions plan for the purpose of levying contributions for the provision of works, services and facilities before development can commence, the purpose of the Development Plan Overlay is to identify areas which require the form and conditions of future use and development to be shown on a development plan before a permit can be granted to use or develop the land, and the purpose of the Land Subject to Inundation Overlay is to identify land in a flood storage or flood fringe area affected by the 1 in 100 year flood and to ensure that development maintains the free passage and temporary storage of floodwaters, minimizes flood damage, is compatible with the flood hazard and local drainage conditions and will not cause a significant rise in flood level or flow velocity.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment at the following locations: at the office of the planning authority, Cardinia Shire Council, Henty Way, Pakenham, Victoria 3810; at the Department of Sustainability and Environment, Regional Office, Planning and Development, 30 Prospect Street, Box Hill, Victoria 3128; and at the Department of Sustainability and Environment, Planning Information Centre, Upper Plaza, Nauru House, 80 Collins Street, Melbourne.
