Water Act 1989

PROPOSED PERMANENT WATER SAVING MEASURES

Central Highlands Water (CHW) has received strong community support for the introduction of Permanent Water Saving Measures similar to those adopted in Melbourne and Geelong. Permanent Water Saving Measures aim to provide long-term water savings for the benefit of the entire community and apply when staged water restrictions are not in place. CHW would like your comments on the five key proposed Permanent Water Saving Measures below:

Use Manual Watering Systems Only Between 8pm – 10am

Manual Watering Systems (that are turned on and off by hand) can only be used to water gardens and lawns between 8pm – 10am, any day of the week. This also applies to public gardens and recreational areas.

Use Automatic Watering Systems Only Between 10pm – 10am

Automatic Watering Systems (that are set to turn on and off automatically) can only be used to water gardens and lawns between 10pm – 10am, any day of the week. A rain soil moisture sensor must be fitted to all new systems. This also applies to public gardens and recreational areas.

Fit Your Hose With A Trigger Nozzle

A hand held hose must be fitted with a trigger nozzle and can be used to wash your car and water your gardens and lawns at any time.

Hosing Paved Areas Not Permitted

Hosing down driveways, paths, concrete, timber decking and other paved areas is not permitted. This does not apply in the case of an accident, fire, health hazard or other specified circumstances.

Apply To Fill A Pool Or Spa

Before filling a pool or spa with a capacity of 2,000 litres or more, you must contact Central Highlands Water to submit a water conservation application form that details water conservation measures adopted as a trade off.

A full copy of the draft proposed Water Saving Measures is available on the Central Highlands Water website at www.chw.net.au or by contacting Central Highlands Water on telephone: (03) 5320 3325.

Written submissions relating to Permanent Water Saving Measures are welcome and may be addressed to: Permanent Water Saving Measures, Central Highlands Water, PO Box 152, Ballarat, Victoria 3352; or via email to: marketing@chw.net.au.

Written submissions will be accepted until Friday, 10 June 2005.
