#### Surveying (Cadastral Surveys) Regulations 2005

I, Rob Hulls, Minister for Planning and Minister responsible for administering the **Surveying Act 2004**, give notice under section 12 of the **Subordinate Legislation Act 1994** as follows:

A Regulatory Impact Statement (RIS) was prepared in relation to the proposed Surveying (Cadastral Surveys) Regulations 2005 which prescribe technical standards for performing cadastral surveys, requirements on licensed surveyors to prepare certain documents, plans and certificates and the form of the documents, plans and certificates that licensed surveyors certify under the **Surveying Act 2004**.

The RIS was advertised seeking public comment and four submissions were received.

After considering the submissions received, I have decided that the proposed Regulations should be made without amendment.
