Water Act 1989

PROPOSED PERMANENT WATER SAVING MEASURES

Westernport Water is proposing to introduce Permanent Water Saving Measures from 1 December 2005.

They are a set of common sense measures that target water use outside of the home. Designed to achieve long-term water savings, they form part of the initiatives of the State Government's White Paper on water reform – Our Water Our Future.

They will apply to all towns serviced by Westernport Water at all times except when Westernport Water's Water Restriction By-law 102 is operational.

Westernport Water would like your comment on the five key proposed Permanent Water Saving Measures below.

Permanent Water Saving Measures Summary

The five Permanent Water Saving Measures are:

1. Manual watering systems are to be used only between 8.00 pm and 10.00 am.

2. Automatic watering systems are to be used only between 10.00 pm and 10.00 am.
3. Hand held hoses must be fitted with a trigger nozzle (can then be used to wash cars and water gardens and lawns).
4. No hosing of paved areas except in specified circumstances.
5. Before filling new pools/spas (with a capacity of 2000 litres or more), a water conservation plan application must be lodged with Westernport Water.

These measures do not apply to the use of recycled water, greywater or rainwater collected in a storage tank, provided it is not supplemented by water supplied by Westernport Water.

A full copy of the draft proposed measures is available on Westernport Water's website at www.westernportwater.com.au or by contacting Rose Thomas, Customer Services Manager on (03) 5956 4114.

The Authority will be holding a briefing and feedback session on the proposed Permanent Water Saving Measures on Tuesday 4 October 2005 at 2.00 pm at the Authority's office at 2 Boys Home Road, Newhaven. Your participation is encouraged. Please register your intention to attend by contacting Rose Thomas, Customer Services Manager on (03) 5956 4114.

Written submissions providing comment relating to the Permanent Water Saving Measures are welcome and may be addressed to Rose Thomas, Customer Services Manager, Westernport Water, 2 Boys Home Road, Newhaven, Victoria 3925, faxed to Rose Thomas at 5956 4101 or emailed to rthomas@westernportwater.com.au.
