#### GREATER GEELONG PLANNING SCHEME

Notice of the Preparation of an Amendment &

Notice of an Application for Planning Permit  
Amendment C96

Planning Permit No: 1628/2004

Authorisation No. A244

The Greater Geelong City Council has prepared Amendment C96 to the Greater Geelong Planning Scheme.

In accordance with Section 9(2) of the **Planning and Environment Act 1987**, the Minister for Planning has authorised the Greater Geelong City Council as the planning authority to prepare the Amendment.

The Amendment applies to 87–103 Pakington Street and 15 Collins Street, Geelong West. The subject site at 95–103 Pakington Street is situated towards the northern end of the Pakington Street Shopping Centre and is zoned

Industrial 1 with part Residential 1 zone. The land occupies an area of 24,514 square metres and has principal frontage to Pakington Street, with secondary frontages to Waratah Street, Collins Street, Donaghy Street and Bread Street. The site is largely vacant but includes the former Rope Walk which is included on the Heritage Victoria Register and associated ancillary buildings.

The land at 87–93 Pakington Street contains two retail establishments. The property at 89–93 Pakington Street is zoned Industrial 1. The property at 87 Pakington Street is currently split between Industrial 1 and Business 4 zone.

The land at 15 Collins Street contains an existing timber dwelling on a 390 sqm lot and is currently zoned Industrial 1.

The land affected by the Permit Application 1628/2004 is 95–103 Pakington Street, Geelong West.

The Amendment seeks to facilitate the rezoning and redevelopment of the former Kinnears Ropeworks site at 95–103 Pakington Street from an Industrial 1 and part Residential 1 zone to a part Mixed Use zone and part Residential 1 zone. The Amendment also seeks to rezone 15 Collins Street from Industrial 1 to Residential 1 zone, rezone the land at 89–93 Pakington Street from Industrial 1 to Business 4 zone and rezone the southern portion of 87 Pakington Street from Industrial 1 to Business 4 zone.

The land to be zoned Mixed Use Zone and the accompanying draft planning permit will facilitate the use and development of the land for a supermarket, associated specialty retail shops, carparking, four (4) dwellings along Collins Street, and the re-use of the retained Rope Walk buildings for office, storage and community purposes. The land to be zoned Residential 1 will be developed in the future for residential purposes (but not as part of the accompanying planning permit proposal). This zoning will create a buffer between the proposed supermarket and the existing residential land to the west.

A Design and Development Overlay – Schedule 14 will be applied to the entire site at 95–103 Pakington Street and 15 Collins Street to ensure the height of any proposed dwellings are of an appropriate scale consistent with the surrounding area. The Amendment will also apply an Environmental Audit Overlay over 95–103 Pakington Street to ensure that any

potential contamination issues are addressed prior to a sensitive land use commencing.

The Amendment will also include changes to Local Planning Policy, Clause 22.08 ‘Retail Frontages’, to include reference to the subject site within the table of the clause, and changes to the Particular Provisions, Schedule to Clause 52.28–6 ‘Gaming’, to include reference to the site as a site on which gaming machines may not be installed.

You may inspect the Amendment and permit, any documents that support the Amendment and the explanatory report about the Amendment at the following locations: Public Comment section of the City’s website [www.geelongaustralia.com.au](http://www.geelongaustralia.com.au); the office of the planning authority, Greater Geelong City Council, Customer Service Centre, 131 Myers Street, Geelong; the office of the planning authority, Greater Geelong City Council, Customer Service Centre, 10–12 Albert Street, Geelong West; Department of Sustainability and Environment, Planning Information Centre, Ground Floor, 8 Nicholson Street, East Melbourne; and Department of Sustainability and Environment, Geelong Office, corner of Fenwick & Little Malop Streets, Geelong.

This can be done during office hours and is free of charge.

Any person who may be affected by the Amendment or by the granting of the permit may make a submission to the planning authority. The closing date for submissions is Monday 6 March 2006.

Submissions must be in writing and addressed to The Co-ordinator, Strategic Planning Unit, City of Greater Geelong, and sent to either: PO Box 104, Geelong, Vic. 3220 or [strategicplanning@geelongcity.vic.gov.au](mailto:strategicplanning@geelongcity.vic.gov.au).

Co-ordinator Strategic Planning

Note: Any person who may be affected by the Amendment may make a submission to the planning authority. All submissions will be made available for any person to inspect, upon request by appointment, at the office of the planning authority, City of Greater Geelong, Ground Floor, 131 Myers Street, Geelong, free of charge until the end of two months after the Amendment comes into operation or lapses. ## EXEMPTION

Application No. A1 of 2006

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act) by Darebin City Council (the applicant). The application for exemption is to enable the applicant to advertise for and employ an Aboriginal person in the position of Darebin

Indigenous Economic Summit and Job Market Project Officer and/or in the position of Darebin Indigenous Economic Summit and Job Market Event Co-ordinator (“the specified conduct”).

Upon reading the material filed in support of this application, including an affidavit by Phillip Loader of City of Darebin, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted:

- the rate of unemployment for Indigenous persons in the north-west metropolitan area is a lot higher than the rate for non-Indigenous persons.

- The Indigenous Economic Summit and Job Market Project Officer and the Indigenous Economic Summit and Job Market Event Coordinator will both be required to have experience and knowledge of land, family, culture and relationships with the Aboriginal community.

The Tribunal hereby grants an exemption from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 26 January 2008.

In granting this exemption the Tribunal noted:

- the Koori Early Childhood Field Officer is responsible to enhance and increase the participation of Indigenous children in a kindergarten or within an early childhood service.

**PROPOSED PERMANENT  
WATER SAVING RULES**

GWMWater proposes the introduction of Permanent Water Saving Rules similar to those recently introduced in Melbourne. Permanent Water Saving Rules aim to provide long-term water savings for the benefit of the entire community and will only apply when staged

water restrictions are not in place. GWMWater would like your comments on the five proposed Permanent Water Saving Rules below:

- (1) Manual Watering Systems (that are turned on and off by hand) may only be used to water gardens and lawns between 8.00 pm and 10.00 am, any day of the week. This applies to all private and public gardens and sporting and recreation areas.
- (2) Automatic Watering Systems (that are set to turn on and off automatically or are set to turn off automatically after a set period of time) may only be used to water gardens and lawns between 10.00 pm and 10.00 am, any day of the week. This applies to all private and public gardens and sporting and recreation areas.
- (3) A hand held hose must be fitted with a trigger nozzle and may be used to clean your car and water your gardens and lawns any time.
- (4) Hosing down driveways, paths, concrete, timber decking or any other paved area is not permitted. There are exceptions to this rule in the case of an accident, fire or identifiable health or safety hazard.
- (5) Before filling a new pool or spa with a capacity of 2,000 litres or more, you must contact GWMWater for an application form and submit a Water Conservation Plan that identifies water saving measures as a trade off to cover the volume of the pool or spa.

A full copy of the proposed Water Saving Rules is available on the GWMWater website at [www.gmwwater.org.au](http://www.gmwwater.org.au) or by contacting GWMWater on 1300 659 961.

Written submissions commenting on the Permanent Water Saving Rules are welcome and should be addressed to The Manager, Legal and Property, GWMWater, PO Box 481, Horsham 3402 or via email to [info@gmwwater.org.au](mailto:info@gmwwater.org.au).
