NOTICE OF DECISION

Livestock Disease Control Regulations 2006

I, Joe Helper, Minister for Agriculture and Minister responsible for administering the **Livestock Disease Control Act 1994**, give notice under section 12 of the **Subordinate Legislation Act 1994** as follows:

A Regulatory Impact Statement (RIS) was prepared in relation to the proposed Livestock Disease Control Regulations 2006. The RIS was advertised to invite public comment. One submission was received and considered.

I have decided that the proposed Regulations should be made with amendments to regulation 63 to state the several means by which a person who conducts a public auction of cattle at a saleyard may provide certain required information to the operator of the saleyard and when information must be provided if cattle are to be dispatched from the saleyard to an abattoir or knackery within 7 days of being sold or passed in.

Dated 12 December 2006

JOE HELPER MP
Minister for Agriculture
