### ORDER DECLARING A RESTRICTED AREA AT EDI FOR THE CONTROL OF QUEENSLAND FRUIT FLY

I, Bob Cameron, Minister for Agriculture, under sections 20 and 22 of the **Plant Health and Plant Products Act 1995** make the following Order declaring a restricted area for the control of Queensland Fruit Fly and specifying the prohibitions, restrictions and requirements which are to operate in the restricted area.

Dated 8 March 2006

BOB CAMERON  
Minister for Agriculture

1. **Objective**

The objective of this Order is to declare a restricted area for the control of Queensland Fruit Fly at Edi and to specify the prohibitions, restrictions and requirements which are to operate in the restricted area.

2. **Authorising provisions**

This Order is made under sections 20 and 22 of the **Plant Health and Plant Products Act 1995**.

3. **Definition**

In this Order—

“Act” means the **Plant Health and Plant Products Act 1995**; and

“Queensland fruit fly” means the exotic pest *Bactrocera tryoni* (Froggatt); and

“Queensland fruit fly host material” means any fruit or vegetable listed as a host of Queensland fruit fly in Schedule 5 of the Plant Health and Plant Products Regulations 1996.

4. **Restricted area for the control of Queensland fruit fly**

The restricted area for the control of Queensland Fruit Fly is declared to be the area described in Schedule 1.

5. **Prohibitions, restrictions and requirements**

(1) This order does not apply to Queensland fruit fly host material grown within the restricted area if accompanied by —

(a) an assurance certificate issued by a person who is accredited by the Department of Primary Industries; or

(b) a plant health certificate issued by an authorised inspector —

certifying that the Queensland fruit fly host material has been treated in a manner approved by the Manager Plant Standards.

(2) The removal from the restricted area into any part of Victoria of any Queensland fruit fly host material is prohibited.

(3) The owners and occupiers of land described in Schedule 2 must give access to such land at all times to an inspector, after 24 hours notice is given to the occupier or if the occupier consents to the entry, for the purpose of inspection, placing on such land any lures or traps, applying on such land any spray material or bait and performing any other actions in accordance with the Act which in the opinion of the inspector are necessary for the eradication or prevention of the spread of the pest.

**SPECIAL**

- (4) The owners and occupiers of land described in Schedule 2, on instruction from an inspector, must strip Queensland Fruit Fly host materials from plants, collect and dispose of waste material, or treat the material in a manner approved by the Manager Plant Standards.
