Planning and Environment Act 1987**WODONGA PLANNING SCHEME**

Notice of Amendment to Planning Scheme

Amendment C48

Authorisation No. A302

The City of Wodonga has prepared Amendment C48 to the Wodonga Planning Scheme. The Amendment applies to former Department of Defence land to be known as the White Box Rise Estate, located at the base of Bears Hill, with road frontages to Pearce Street, Beechworth Road, Warwick Road and Windsor Drive, Wodonga. The specific parcels of land affected by this Amendment are described as follows:

- former Defence Department site (Bandiana) described as Lot 1 PS 420756Y (107.8 ha) and Lots 1 and 2 of PS 401562V (26.61 ha) Pearce Street, Wodonga; and
- the former Albury Corporation Land (AWC) that abuts the southern boundary and is known as Bears Hill described as CT Volume 10838, Folio 608, being CA 13C Section 1 Parish of Wodonga. This site comprises of approximately 41.5 hectares;
- the eastern half of the Murray Valley Centre, described as Lot 1 on Plan of Subdivision 401562, being 1B Pearce Street, Wodonga.

The Amendment proposes map and ordinance changes to the Wodonga Planning Scheme, including changes to the Municipal Strategic Statement, rezoning approximately 180 hectares of land from a Rural, Environmental Rural and Farming Zone to a combination of zones to facilitate the development of the proposed White Box Rise Estate.

The changes proposed as part of this amendment include:

Zones

- Rezone the perimeter sections of the site to Residential 1, comprising a total area of approximately 55 hectares.
- Rezone land for local shopping and community facilities to Business 1 with a Schedule to limit the total floor space to

ensure that retail uses are limited to meeting the needs of the surrounding neighbourhood catchment.

- Rezone a core section of the site generally within a 400 metre radius around the local activity centre to Residential 2 to encourage higher density development around this centre and for the retirement village development.
- Rezone land around the Jack-in-the-Box Creek to Business 4.
- Rezone an area around the proposed Bears Hill Parkland to reflect the future residential and park boundary, generally adjoining the 220m AHD contour, where land is rezoned from Rural and Environmental Rural to Residential 1 with some sections along the base on Bears Hill and a small area along Warwick Road being zoned from Residential 1 to Public Resource and Conservation Zone. The remaining parts of Bears Hill are to be rezoned from Environmental Rural to a Public Conservation and Resource Zone.
- Apply a Public Use Zone over land containing plant owned and operated by North East Water.

Overlays

- Apply a Public Acquisition Overlay for the Wodonga South Primary School.
- Development Plan Overlay – Schedule 11, will be amended to require the proposed development plan to accord with this schedule applying a set of urban design directions and general subdivision design requirements.
- Retention of the Vegetation Protection Overlay over the vegetation corridors that have been agreed to be retained, with the underlying zoning being Residential 1 and 2. This will result in a reduction to the total area affected by the Vegetation Protection Overlays.
- Application of a Design and Development Overlay to control the form and appearance of the proposed neighbourhood centre. This is to ensure that the centre adopts a street

based urban form as opposed to a car park based centre. This will link with urban design guidelines to be prepared specifically for the centre.

- The Environmental Significance Overlay is to be amended to remain consistent with the boundary of the Public Resource and Conservation Zone.

Municipal Strategic Statement (MSS)

- Although the proposal is generally consistent with the specific sections of the MSS that refer to the subject land, the Amendment will include an update of these sections to reflect the current vision for the site that is supported by the Council. This includes updates to both the retail/economic and residential sections of the MSS.

The Amendment can be inspected at either the City of Wodonga Offices, 104 Hovell Street, Wodonga; or Regional Office, Department of Sustainability & Environment, 35 Sydney Road, Benalla; and Department of Sustainability & Environment, Planning Information Centre, Ground Floor, 8 Nicholson Street, East Melbourne, Victoria.

Submissions in writing in respect of the amendment must be sent to the City of Wodonga, PO Box 923, Wodonga, Vic. 3689 by Monday 3 April 2006.
