Erratum

Road Discontinuance

Notice is hereby given that the plan contained in the notice published on page 2784 G48 of the Victoria Government Gazette dated 1 December 2005 is incorrect. The plan below replaces the plan in the previous gazette notice.

The southern boundary of lot 5 on the plan measured 21.97 metres in the previous gazette. Council's intention was to leave a 5 metre parcel of land at the eastern end of Lot 5 open for public access, therefore the southern boundary of Lot 5 has now been reduced to 16.97 metres in the plan below. The 5 metre portion of land that has been removed from the plan is to remain in Certificate of Title Volume 3804, Folio 703 as a road for public access.

#### EXEMPTION

Application No. A154 of 2006

The Victorian Civil & Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act) by Gordon Institute of TAFE (the applicant). The application for exemption is to

enable the applicant to advertise for, employ and provide educational services to a Koori trainee or trainees at the Institute ("the specified conduct").

Upon reading the material filed in support of this application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 37, 42, 100 and 195 of the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted:

- there is a massive under-representation of Koori people when compared with the percentage in the general population of the Geelong region.
- The Applicant seeks to provide the Koori community with broadened opportunities for education and training in fields which will be of particular benefit.
- An exemption in similar terms was granted in September 2002.

The Tribunal hereby grants an exemption from the operation of Sections 13, 37, 42, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 15 June 2009.

#### EXEMPTION

Application No. A145 of 2006

The Victorian Civil & Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act) by Central Gippsland Aboriginal Health Services (the applicant). The application for exemption is to enable the applicant to advertise for and employ an Indigenous person in the position of Aboriginal Family Decision Making Community Convener ("the specified conduct").

Upon reading the material filed in support of this application, including an affidavit by Hilton Gruis, Gippsland Regional Co-ordinator,

Central Gippsland Aboriginal Health Services, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted:

- the primary role of an Aboriginal Family Decision Making Community Convener is to meet and work with Indigenous children, young people and families already in contact or at risk of contact with the Child Protection system.
- The community convener is required to implement and co-convene a culturally responsive model of family decision making with Aboriginal and Torres Strait Islander children, young people and families who are referred by the regional Child Protection Service.
- An Indigenous worker will more appropriately meet the needs of the Indigenous community and the requirements of the role of community convener than a non-Indigenous worker.

The Tribunal hereby grants an exemption from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 15 June 2009.

The Victorian Civil & Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act) by Carey Baptist Grammar School Ltd (the applicant). The application is for renewal of exemption A205 of 2003 which is due to expire on 24 July 2006. The exemption sought is to enable the applicant to advertise for prospective female students to enter the school, and to structure its waiting lists, allocate student

placements and offer bursaries and enrolments targeted at prospective female students, so as to promote a gender balance of the students at the school (“the specified conduct”).

Upon reading the material filed in support of this application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 37, 42, 100 and 195 of the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted:

- Carey Baptist Grammar School was established on 13 February 1923 as an independent church boys’ school and in 1979 the school became coeducational;
- The decision to become coeducational was based on a strongly held belief in the philosophical importance of coeducation and a determination to offer the best educational opportunities for the students of the school;
- In order to enhance the ability of the school to implement the philosophy of equal opportunity and to maximise the advantages of coeducation, the school seeks to establish a 50/50 student balance;
- Since the original exemption was granted, the percentage of female students attending the school has grown from 34% in 1997 to 45% in 2006. While this is a significant increase, the school is still to reach its goal of an equal gender ratio;
- The school was granted previous exemptions from sections 37, 42, 100 and 195 of the **Equal Opportunity Act 1995** in similar terms on 25 September 1997, 14 July 2000 and 17 July 2003.

The Tribunal hereby grants an exemption from the operation of Sections 37, 42, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 15 June 2009.

Dated 6 June 2006

Vice President

## EXEMPTION

### Application No A146 of 2006

The Victorian Civil & Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act) by Gippsland and East Gippsland Aboriginal Co-operative Ltd (the applicant). The application for exemption is to enable the applicant to advertise for and employ an Indigenous Australian person in the position of Aboriginal Best Start Community Facilitator (“the specified conduct”).

Upon reading the material filed in support of this application, including an affidavit by Jim Barritt, Senior Services Delivery Manager, Gippsland and East Gippsland Aboriginal Co-operative Ltd, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted:

- the Aboriginal Best Start Community Facilitator will be responsible for working with the Indigenous community to address the needs of Indigenous children.
- The facilitator will work with Indigenous families, early childhood professionals and a broad range of community based organisations and provide cultural advice and support.
- The facilitator will work with Indigenous communities across the East Gippsland region in the development of strategies and facilitation of the implementation of initiatives to ensure better access to child and family support, health services and early education.
- It is important that the facilitator is a person with a sound knowledge and understanding of the Indigenous culture and community needs and the ability to communicate sensitively and effectively within the Indigenous community.

The Tribunal hereby grants an exemption from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 15 June 2009.

Dated 6 June 2006.
