EXEMPTION

Application No. A183/2006

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by Southern Women's Action Network for exemption from Sections 42, 100 and 195 of that Act. The application for exemption is to enable the applicant to conduct women only events (in the form of a fashion parade of Islamic dress, a discussion session at a lunch) initially at the Mornington community theatre, and to advertise these events.

Upon reading the material submitted in support of the application and upon hearing submissions from Ms R. Draper, Ms G. Price, Ms J. Diplock, and Ms J. Hally and for the Reasons for Decision given by the Tribunal on 4 July 2006, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 42, 100 and 195 of the Act to enable the applicant to conduct women only events (in the form of a fashion parade of Islamic dress, a discussion session at a lunch) initially at the Mornington community theatre, and to advertise these events.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 42, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to conduct women only events (in the form of a fashion parade of Islamic dress, a discussion session at a lunch) initially at the Mornington community theatre, and to advertise these events.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 5 July 2009.

EXEMPTION

Application No. A178/2006

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** ("the Act"), by Flat Out Inc. ("the applicant"). The application for exemption is to enable the applicant to advertise for and employ women only as housing support workers for women exiting prison ("the specified conduct").

Upon reading the material submitted in support of the application, including an affidavit of Ms Amanda George of Flat Out Inc., the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted that:

- Flat Out Inc. was established in 1988 to provide housing and support to women after their release from prison and to their dependent children.
- A high percentage of women in prison have experienced significant levels of violence and sexual abuse and it is appropriate to provide a service for women by women to ensure a safe and protective environment.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

This exemption is to remain in force from the day on which the notice of the exemption is published in the Government Gazette until 13 July 2009.

EXEMPTION

Application No. A202 of 2006

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** (the Act), by Women's Health East Inc. (the applicant). The application for exemption is to enable the applicant to –

- (a) advertise for and employ women only to work in the applicant's health service;
- (b) advertise for and employ women of a specified race or ethnic origin or whose first language is a specified language other than English to work on projects targeted at groups of women of that race or ethnic origin or whose first language is that language;
- (c) restrict individual membership of the applicant's health service to women only.

In this exemption the conduct referred to in paragraphs (a) to (c) is called the "specified conduct".

Upon reading the material filed in support of this application, including an affidavit by Lesley Walsh of Women's Health East Inc., the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 59, 60, 100 and 195 of the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted:

- Previous exemptions in similar terms were granted in July 2003 and July 2000.

The Tribunal hereby grants an exemption from the operation of Sections 13, 59, 60, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 13 July 2009.

EXEMPTION

Application No. A203/2006

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** ("the Act"), by the Royal Botanic Gardens Board ("the applicant"). The application for exemption is to enable the applicant to advertise for and employ an Indigenous person as a full-time Indigenous Aboriginal Program Officer ("the specified conduct").

Upon reading the material submitted in

support of the application, including an affidavit of Mr Tim Clifton of the Royal Botanic Gardens Board, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted that:

- The role of the Aboriginal Program Officer requires a breadth of knowledge of Australian Aboriginal culture and the ability to gain a sound knowledge of the local Aboriginal community and its networks in order to ensure that the program emphasises engagement, knowledge and education which is relevant, credible and authentic.
- The Aboriginal Program Officer must be recognised as an Aboriginal or Koori person by their community and be able to build and maintain strong relationships with the local Indigenous community.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

This exemption is to remain in force from the day on which the notice of the exemption is published in the Government Gazette until 13 July 2009.

EXEMPTION

Application No. A177/2006

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** ("the Act"), by Flat Out Inc. ("the applicant"). The application for exemption is to enable the applicant to advertise for and employ an Indigenous woman as a housing support worker for women exiting prison ("the specified conduct").

Upon reading the material submitted in support of the application, including an affidavit of Ms Amanda George of Flat Out Inc., the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of

the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted that:

- Flat Out Inc. was established in 1988 to provide housing and support to women after their release from prison and to their dependent children.
- A high percentage of the women in prison have experienced significant levels of violence and sexual abuse and Indigenous women comprise 17% of the women's prison population.
- Indigenous women have particular needs arising from their personal and cultural histories and an Indigenous housing support worker would enable the applicant to provide the most effective and culturally sensitive support to Indigenous women.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

This exemption is to remain in force from the day on which the notice of the exemption is published in the Government Gazette until 13 July 2009.

Water Act 1989**BULK ENTITLEMENT (DEVON NORTH, ALBERTON, YARRAM & PORT ALBERT)
CONVERSION AMENDMENT ORDER 2006**

I, John Thwaites, Minister for Water, under the provisions of the **Water Act 1989**, make the following Order –

1. Title

This Order is called the Bulk Entitlement (Devon North, Alberton, Yarram & Port Albert) Conversion Amendment Order 2006.

2. Preliminary

The Bulk Entitlement (Devon North, Yarram, Alberton & Port Albert) Conversion Order 1997 (the Bulk Entitlement Order) was made by the Minister on 25 August 1997 and published in the Government Gazette on 4 September 1997. The Bulk Entitlement Order converts poorly defined rights to water from the Tarra River Water Supply System to a bulk water entitlement for the South Gippsland Region Water Authority (the Authority).

The Authority, as part of its long term water strategy, has planned to construct an off-stream storage to harvest water during the winter months thereby reducing its dependency on summer flows. Construction is scheduled to commence in 2007/08 for completion in 2008/09.

Under the White Paper, Our Water Our Future, Government has committed to providing ecologically sustainable Environmental Water Reserves in 21 priority unregulated rivers across the State, including the Tarra River. Whilst this amendment is made in the absence of any scientific information, the West Gippsland Catchment Management Authority has commissioned an environmental flow study to inform the development of a Streamflow Management Plan. The management plan process is due for completion in 2007.

3. Purpose

The purpose of this Order is to amend the Bulk Entitlement Order so that the Authority is able to maintain a basic supply to its customers under the harshest level of restriction. This Order temporarily changes the flow share arrangements of the Tarra River and gives the Authority greater opportunity to access water at low flows.

4. Authorising provisions

This Order is made by the Minister under section 44(1) of the **Water Act 1989** (the Act) following application made the Authority, holder of the entitlement, in accordance with section 44(2)(a) of the Act.

5. Duration

This Order comes into operation on the day it is published in the Government Gazette and expires midnight 30 June 2009 or until such time a Streamflow Management Plan is approved by the Minister, whichever comes first. The June 2009 expiration date coincides with the Authority's completion date for the planned water storage.

6. Amendment of clause 7

For clause 7 of the Bulk Entitlement Order, **substitute** –

“7.1 Subject to sub-clause 7.2, the Authority may take a share of the flow in the waterway passing the specified point, calculated as follows:

- (a) when $F \leq 3.0$ ML/day,
E = 0, and
- (b) when $6.0 \geq F > 3.0$ ML/day,
E = $F - 3.0$ ML/day, and

- (c) when $12.0 \geq F > 6.0$ ML/day,
E = 0.5 x F ML/day, and
- (d) when $F > 12.0$ ML/day
E = 6.0 ML/day.

where –

“E” means the Authority’s entitlement; and

“F” means the flow past the specified point less any amount of water under transfer under sub-clause 7.3.

7.2 Under the highest level of restriction or effectively no external use, the Authority may take a share of the flow in the waterway passing the specified point, calculated as follows:

- (e) when $F \leq 1.0$ ML/day,
E = 0.5 x F ML/d, and
- (f) when $3.0 \geq F > 1.0$ ML/day,
E = 1.0 ML/d, and
- (g) when $12.0 \geq F > 3.0$ ML/day,
E = 0.5 x F ML/d, and
- (h) when $F > 12.0$ ML/day
E = 6.0 ML/d.

where –

“E” means the Authority’s entitlement; and

“F” means the flow past the specified point less any amount of water under transfer under sub-clause 7.3.

7.3 The Authority is not entitled to any flow past the specified point, as part of its bulk entitlement, which is being transferred by the holder of –

- (a) any other bulk entitlement or licence held by another person; or
- (b) any licence –

to a transferee pursuant to the Act.”.

7.4 The Authority must propose to the Minister, within three months of the date of this Order, a fish survey as agreed to by the Department of Sustainability and Environment.
