EXEMPTION

Application No. A300/2007

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to section 83 of the **Equal Opportunity Act 1995**, by St Vincent de Paul Aged Care and Community Services (SVDP ACCS). The application for exemption is to enable the applicant to seek female staff – paid or unpaid – to support residents and clients (the exempt conduct).

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption the Tribunal noted:

- Marian Community and Olive's place services are services run as part of SVDP Aged Care and Community Services. The services state wide accommodation and support services for women and children escaping family violence.

- These women, generally, have been abused by men and there is a natural reluctance to develop a trusting relationship with male staff. Women staff provide for a more trusting relationship with women who can assist them make decisions about their future lives.
- The issues dealt with are often of a sensitive and intimate nature that are more easily discussed with female paid and unpaid staff, rather than with male staff.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 1 October 2010.

Subordinate Legislation Act 1994NOTICE OF PREPARATION OF
REGULATORY IMPACT STATEMENT

Owners Corporations Regulations 2007

Notice is given in accordance with section 11 of the **Subordinate Legislation Act 1994** that a Regulatory Impact Statement (RIS) has been prepared for the proposed Owners Corporations Regulations 2007 (‘the Proposed Regulations’).

The new owners corporations legislative scheme, consisting of the **Owners Corporations Act 2006** and the Proposed Regulations, will empower lot owners by providing them with the

maximum flexibility and control in administering their owners corporations, which is consistent with the objective of good governance.

The objective of the Proposed Regulations is to enable the efficient and effective operation of owners corporations and to reduce the risk of financial loss to owners corporation members at minimal cost. The objective for the setting of regulatory fees is to fund the costs of efficiently administering the regulation of owners corporations through fees that reflect the costs of regulating professional owners corporation managers.

This RIS examines the costs and benefits of the Proposed Regulations and possible alternatives and concludes that the Proposed Regulations are the most efficient method of achieving the objectives.

CAV is inviting comments on the Proposed Regulations and the corresponding RIS for a period of 28 days after the publication of this notice. A copy of the RIS and the proposed Regulations may be obtained by: visiting the CAV website, www.consumer.vic.gov.au; or contacting CAV on 1300 55 81 81; and collection from the Victorian Consumer and Business Centre, 113 Exhibition St, Melbourne between 8.30 am and 5.00 pm weekdays.

All comments and submissions will be treated as public documents.
