6. Definitions

In this Notice–

‘**Regulations**’ means the Road Safety (Vehicles) Regulations 1999;

‘**road friendly suspension**’ has the same meaning as in the Interstate Road Transport Regulations 1986 of the Commonwealth.

7. Interpretation

(1) In this Notice, unless the contrary intention appears, expressions used have the same meaning as the **Road Safety Act 1986** and the Regulations.

(2) For the avoidance of doubt, it is declared that nothing in this Notice is intended to authorise the driving of a vehicle in a manner or in a condition or place that is contrary to any law except as specifically provided in this Notice.

Example

The exemption of certain vehicles with road friendly suspension from mass limits does not permit such a vehicle when used on a particular road to be driven over any bridge on that road in contravention of a posted mass or dimension limit in relation to that bridge.

(3) Map references to the Melway Greater Melbourne Street Directory (‘Mel’) and the VicRoads Country Street Directory of Victoria (‘VSD’) are provided to aid the reader and are not part of this Notice.
