Plant Health and Plant Products Act 1995

ORDER DECLARING A RESTRICTED AREA AT KOONOOMOO FOR THE CONTROL OF QUEENSLAND FRUIT FLY

I, Joe Helper, Minister for Agriculture, under section 20 of the **Plant Health and Plant Products Act 1995** make the following Order declaring a restricted area for the control of Queensland Fruit Fly and specifying the prohibitions, restrictions and requirements which are to operate in the restricted area.

Dated 8 February 2007

JOE HELPER MP
Minister for Agriculture

1. Objective

The objective of this Order is to declare a restricted area for the control of Queensland Fruit Fly at Koonoomoo, and to specify the prohibitions, restrictions and requirements which are to operate in the restricted area.

2. Authorising provisions

This Order is made under section 20 of the **Plant Health and Plant Products Act 1995**.

3. Definition

In this Order—

“**accreditation program**” means any program under which a person is permitted to issue an assurance certificate, including any procedures available under the Interstate Certification Assurance (ICA) Scheme;

“**Act**” means the **Plant Health and Plant Products Act 1995**;

“**authorised person**” means a person authorised by the Department of Primary Industries;

“**inspector**” means a person authorised as an inspector under the Act;

“**Manager Plant Standards**” means the person for the time being occupying or acting in the position of Manager, Plant Standards in the Department of Primary industries;

“**Queensland fruit fly**” means the exotic pest *Bactrocera tryoni* (Froggatt); and

“**Queensland fruit fly host material**” means any fruit or vegetable listed in Schedule 1.

4. Restricted area for the control of Queensland fruit fly

The restricted area for the control of Queensland Fruit Fly is declared to be the area described in Schedule 2.

5. Prohibitions, restrictions and requirements

(1) The removal from the restricted area into any part of Victoria of any Queensland fruit fly host material is prohibited.

(2) Subclause (1) does not apply if the Queensland fruit fly host produce is—

(a) accompanied by an assurance certificate issued by an accredited person, a plant health declaration issued by an authorised person or a plant health certificate issued by an inspector certifying that the host produce has been treated in a manner approved by the Manager Plant Standards; and

(b) packed and labelled in accordance with any conditions prescribed by an accreditation program under which the produce is certified.

SPECIAL

- (3) The owners and occupiers of land described in Schedule 3 must give an inspector access to such land for the purposes of inspection, deployment of any lures or traps, application of any treatment or performance of any other actions which are necessary for the eradication or prevention of spread of the pest.
- (4) The owners and occupiers of land described in Schedule 3 must, on instruction from an inspector, strip Queensland Fruit Fly host materials from plants, collect and dispose of waste material, or treat the material in a manner approved by the Manager Plant Standards.

6. *Verification of Consignments*

Any Queensland fruit fly host produce removed from the restricted area in accordance with clause 5(2), and the accompanying certificate or declaration, must be:

- (a) presented to an inspector for inspection; or
- (b) verified by a person accredited to do so by the Department of Primary Industries.

Schedule 1
