EXEMPTION

Application No. A89/2007

The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995**, by Hawthorn Community House. The application for exemption is to enable the applicant to advertise for and employ a male worker for their art group for people with a mental illness (the exempt conduct).

Upon reading the material submitted in support of the application, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 13, 100 and 195 of the Act, to enable the applicant to engage in the exempt conduct.

In granting this exemption the Tribunal noted:

- more than 50% of the students in the group are men who would appreciate the services of a male worker;
- this would facilitate the members of the art group conduct man to man communication, which is important to the group; and
- there is no other male presently employed for this group, so this employment would redress the imbalance.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13,

100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 1 April 2010.
