- (2) The applicant for that exemption has advised the Tribunal that she has changed her trading name to Mathstar.
- (3) Accordingly, the Tribunal has determined to grant a new exemption in similar terms to

the exemption granted in respect of the former trading name, but under the new trading name, and to revoke the exemption granted under the former trading name.

- (4) The new exemption is to expire on the same date as the exemption formerly granted.

#### Revocation

The Tribunal revokes this exemption, with effect from 19 July 2007.

#### EXEMPTION

Application No. A90/2007

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 83 of the **Equal Opportunity Act 1995**, by Janelle Chistine Hill t/as Mathstar (the applicant). The application for exemption is to enable the applicant to advertise and run female-only mathematics tutoring classes (“the specified conduct”).

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from sections 42, 100 and 195 of the Act to enable the applicant to engage in the specified conduct.

In granting this exemption the Tribunal noted:

- Mathstar intends to run tutorial classes in mathematics for female participants only in order to provide an environment where females can learn mathematics without feeling intimidated by male peers;
- the female-only mathematics tutorial classes are intended to foster self-esteem and confidence among young women in the area of mathematics;
- an exemption in similar terms was granted to the applicant under the trading name A Leap Ahead. The business has now changed its trading name to Mathstar. This exemption expires on the same date as the earlier exemption. Since the former trading name is no longer used, the Tribunal has revoked the earlier exemption with effect from 19 July 2007.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 42, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the specified conduct.

**Subordinate Legislation Act 1994****NOTICE OF PREPARATION OF REGULATORY IMPACT STATEMENT****Agricultural and Veterinary Chemicals (Control of Use) Regulations 2007**

Notice is given that, in accordance with section 11 of the **Subordinate Legislation Act 1994**, a Regulatory Impact Statement (RIS) has been prepared in relation to the Agricultural and Veterinary Chemicals (Control of Use) Regulations 2007.

The proposed Regulations provide an operational framework to give effect to key elements of the Agriculture and Veterinary Chemicals (Control of Use) 1992. Broadly, the proposed Regulations seek to minimise the risks and maximise the benefits associated with agricultural and veterinary chemical use so as to:

- protect the health of the general public and the users of those products;
- protect the environment;
- protect the health and welfare of animals; and
- protect the domestic and export trade in agricultural produce and livestock.

The proposed Regulations seek to fulfil these objectives by establishing a record keeping and notification process by inter alia:

- prescribing the records to be made and kept by users and sellers of certain chemical products;
- prescribing requirements for labels and advice notes accompanying certain veterinary chemical products sold by veterinary practitioners for the treatment of stock;
- prescribing information to be provided in relation to certain agricultural spraying to be carried out on land near schools or hospitals; and
- prescribing equipment to be used when carrying out aerial spraying.

The RIS examines the costs and benefits of the proposed Regulations and assesses alternatives to the proposed Regulations. The RIS concludes that the benefits of the proposed Regulations outweigh their costs, and that none of the alternatives provides a practicable means of achieving the proposed Regulations' objectives.

Copies of the RIS and the proposed Regulations may be obtained from the Chemical Standards Branch, Department of Primary Industries by: phoning (03) 9217 4177 (between 9.00 am and 5.00 pm); contacting the Customer Service Centre 136 186 (between 8.30 am and 5.30 pm); or accessing the Department's website at <http://www.dpi.vic.gov.au>

The objective of the proposed Regulations is to prescribe the premises to which the licence and works approval requirements of the Environment Protection Act apply, and provide for exemptions in certain circumstances.

A Regulatory Impact Statement has been prepared in accordance with the requirements of the **Subordinate Legislation Act 1994**, and the Guidelines issued under that Act.
