The Victorian Civil and Administrative Tribunal has considered an application pursuant to Section 83 of the **Equal Opportunity Act 1995** by The Geelong College, ABN 22 005 988 205, for exemption from Sections 37, 42, 100 and 195 of that Act. The application for exemption is designed to secure approximately equal enrolments of males and females at the school, by allowing the applicant to advertise for students of whichever gender is underrepresented to enter the school, to structure its waiting lists, allocate student placements and offer bursaries, scholarships and enrolments specifically targeted at those

underrepresented prospective students, so as to promote an approximately equal gender balance of students at the school (the exempt conduct).

Upon reading the material submitted in support of the application and upon hearing submissions from Ms Frances Anderson, Solicitor from Moore's Legal, the Tribunal is satisfied that it is appropriate to grant an exemption from Sections 37, 42, 100 and 195 of the Act to The Geelong College, ABN 22 005 988 205, to structure its waiting lists, allocate student placements and offer bursaries, scholarships and enrolments specifically targeted to achieve equality of gender and to advertise for students of whichever gender is underrepresented to enter the school, so as to promote an approximately equal gender balance of students in all year levels at the school.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 37, 42, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

Subordinate Legislation Act 1994

NOTICE OF PREPARATION OF REGULATORY IMPACT STATEMENTS

Trade Measurement Regulations 2007

Notice is given in accordance with section 11 of the **Subordinate Legislation Act 1994** that two Regulatory Impact Statements (RIS) have been prepared for the proposed Trade Measurement Regulations 2007.

The Victorian Government in 1995 enacted the **Trade Measurement Act 1995** that adopted the model Uniform Trade Measurement Legislation (UTML) and the **Trade Measurement (Administration) Act 1995** that provides specific provisions for the administration of UTML in Victoria.

The objectives of the proposed regulations to be made under the **Trade Measurement Act 1995** and **Trade Measurement (Administration) Act 1995** are to:

- (a) provide special requirements for weighbridges used for trade, certificates of suitability for public weighbridges, the duties of licensees and operators of public weighbridges and restrictions on the use of weighbridges for end-and-end weighing;

- (b) provide the procedure for the verification, re-verification, certification and batch testing of measuring instruments, the restrictions on the use of measuring instruments and the miscellaneous duties of servicing licensees;
- (c) provide specific information to be marked on pre-packed articles, the prohibition and restrictions of specific expressions on pre-packed articles and permissible measurement deficiencies in pre-packed articles and pre-packed goods exempted from markings;
- (d) require beer and certain other alcoholic beverages to be sold at a price determined by reference to volume and provide the measurements to be used when articles are sold by reference to mass, volume, linear measurement or superficial measurement;
- (e) provide certification, licensing and other fees and infringement notices for prescribed offences.

The proposed regulations will ensure that the Acts are supported by appropriate regulation for the trade measurement community including consumers and traders and for regulations made under the **Trade Measurement Act 1995**, to be consistent with the Regulations of the other States and Territories.

One RIS addresses the fees and charges contained in the proposed regulations and the other RIS addresses the non-fees and charges components. The RISs examine the costs and benefits of the proposed regulations and possible alternatives and conclude that the proposed regulations are the most efficient method of achieving the objectives.

Copies of the RISs and the proposed Regulations may be obtained by:

- visiting the internet at <http://www.consumer.vic.gov.au>; or
- telephoning Consumer Affairs Victoria on (03) 8684 6498; or
