No. S 242 Friday 28 September 2007
By Authority, Victorian Government Printer

Transport Act 1983

CONDITIONS UNDER SECTION 220D

I, Jim Betts, Director of Public Transport, pursuant to section 220D of the **Transport Act 1983**, hereby determine and publish in the Government Gazette the following conditions (the amending conditions) which amend the conditions determined under section 220D and published in the Victoria Government Gazette No. S 31 dated Monday 19 February 2007 (the March 2007 conditions) as amended by the conditions determined under section 220D and published in the Victoria Government Gazette No. S 41 dated Monday 5 March 2007 and the Victoria Government Gazette No. S 119 dated Friday 1 June 2007.

The amending conditions take effect from and including 1 October 2007.

Amending Conditions

In Chapter Two of the March 2007 conditions, immediately before the heading “**Daily**”, insert—

“**10 x Early Bird**

A single ticket that can be used for ten trips before 7.00 am, but only by one person at a time.

Allows unlimited train only travel between railway stations on the Frankston and Sydenham railway lines (including City Loop stations) in Zone 1, Zone 2 and Zones 1+2 before 7.00 am on weekdays. The ticket expires at 7.00 am on the day of validation.

If a train service is running late, the passenger may still use a 10 x Early Bird Metcard as long as the service was scheduled to arrive at the passenger’s destination before 7.00 am. If a scheduled train service that would have arrived at the passenger’s destination before the ticket expired does not run, and the next scheduled train service would not arrive at the passenger’s destination before the ticket expires, the ticket is not valid for the passenger’s journey and the passenger must purchase a valid Metcard for that journey.”.

In Chapter 11 of the March 2007 conditions, for the first paragraph under the heading “**V/Line and metropolitan tickets**”, substitute —

“Passengers holding valid Metcards are permitted to use Economy class V/Line train services within Zones 1+2 when travelling to or from Ardeer, Deer Park, Rockbank, Melton, Diggers Rest, Sunbury, and Pakenham railway stations at any time.

However, where V/Line train services stop at railway stations in the metropolitan area, pick up and set down restrictions apply. These restrictions are set out in V/Line timetables which may be viewed or obtained at V/Line railway stations and viewed on the Viclink website (www.viclink.com.au). The Metcards of passengers boarding or alighting at stations in contravention of these restrictions are not, or cease to be, valid for travel on the relevant V/Line train service.

The preceding two paragraphs do not affect the travel entitlement of holders of Yearly, Monthly or Weekly Metcards who purchase V/Line extension tickets and rely on those tickets for their journey on a V/Line train service.”.
