**Water Act 1989**

SECTION 287ZI

Notice of Making

Water Restrictions By-Law No. 404

The Water Acts Amendment (Enforcement and Other Matters) Bill 2007 made legislative changes to enable Water Corporations to issue Infringement Notices for breaches of Water Restrictions. A draft Model Water Restrictions By-Law to provide for these changes was released for the Water Industry to adopt. The water restriction schedule in the Model By-Law is based on the Uniform Guidelines adopted by Central Highlands Water in 2006 to support its Drought Response Plan.

The adoption of a new Water Restrictions By-Law provides an opportunity for Central Highlands Water to make changes to the restrictions schedule to reflect local community sentiment regarding aspects of the Uniform Guidelines.

In addition to providing for the issuing of Infringement Notices, changes have been made by Central Highlands Water to the Water Restrictions Schedule within the Water Restrictions By-Law No. 404. These changes provide for: earlier hand held hose evening watering times under Stage 3; no filling of new pools and spas under Stage 4; no filling or topping up of existing residential swimming pools or spas under Stage 4; no topping up of commercial pools and spas without an approved water conservation plan under Stage 4; and, increased restriction on the use of water for road construction under Stage 4.

A copy of Water Restriction By-Law No. 404 is available free of charge at Central Highlands Water's Offices at Wendouree and Maryborough, electronically at [www.chw.net.au](http://www.chw.net.au), or by calling Central Highlands Water during business hours on (03) 5320 3100.
