THE PRACTITIONER'S CERTIFICATE IN MEDIATION

With mediation being adopted widely across the commercial, legal and government sectors, an understanding of the practical application of mediation techniques is an important and useful professional skill, where the voluntary settlement of disputes using ADR is encouraged.

The Practitioner's Certificate in Mediation course is designed to equip busy professionals across a wide range of disciplines with a practice-oriented qualification in mediation. It is a 5-day interactive workshop combining theory and practice with one-on-one coaching by experienced mediators. On successful completion of the course and membership of the association, participants are eligible to apply for accreditation as Mediator with the Institute.

About the Institute of Arbitrators & Mediators Australia

EXEMPTION

Application No. A41/2008

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to section 83 of the **Equal Opportunity Act 1995**, by Metropolitan Fire and Emergency Services Board (MFB). The application for exemption is to enable the applicant to advertise and employ an Aboriginal or Torres Strait Islander as Aboriginal Affairs Coordinator (the exempt conduct).

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption, the Tribunal noted:

- This position (for an Aboriginal or Torres Strait Islander Aboriginal Affairs Coordinator) is part of the program intended to increase employment opportunities and outcomes for Indigenous applicants seeking employment with the MFB.
- The Aboriginal Affairs Coordinator will be responsible for implementing an Indigenous Aboriginal Affairs programme. This is specifically to increase employment opportunities for Indigenous persons.
- Funding has already been approved from the Department of Employment and Workplace Relations for this purpose.
- The role of this coordinator will be to work directly with Indigenous people and organisations to build relationships and understanding in order to improve access and equity to MFB services.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 1 February 2011.
