EXEMPTION

Application No. A47/2008

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to section 83 of the **Equal Opportunity Act 1995**, by ParaQuad Victoria, ACN 004 979 837. The application for exemption is to enable the applicant to advertise and employ gender specific employees to provide personal care services to disabled people (the exempt conduct).

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption, the Tribunal noted:

- A previous exemption has been granted by VCAT (A90–2005) for this purpose.
- ParaQuad Victoria is a community based organisation employing more than 700 Support Workers whose role is to undertake personal care activities in clients' homes.
- The age range of their clients is from early teenage years to those 90 years of age plus.
- The relationship which develops between a carer and client often moves beyond the workplace (i.e. the client's home).
- Many clients are looking for carers to assist them in all aspects of daily living such as toileting and showering. They also require assistance from a carer in work and in social settings. As such, a strong rapport can develop which prompts many clients to seek a carer who can become an age-related peer which is pertinent to both young and aged clients who often make requests for a carer within a particular age range.
- Many clients also require gender specific carers based on the very personal nature of attendant care. The applicant respects the right of the client to select an individual with whom they feel comfortable.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 1 February 2011.

Electricity Industry Act 2000

TRUenergy PTY LTD ABN 99 086 014 968

Conditions for Purchase of Small Renewable Energy Generation Electricity

Section 40G of the **Electricity Industry Act 2000** requires TRUenergy Pty Ltd, as the relevant licensee, to publish an offer comprising the prices at, and terms and conditions on, which TRUenergy Pty Ltd will purchase small renewable energy generation electricity from relevant generators.

TRUenergy Pty Ltd now publishes pursuant to section 40G of the **Electricity Industry Act 2000** its terms and conditions for the purchase of small renewable energy generation electricity from relevant generators.

These terms and conditions will become effective in accordance with section 40H of the **Electricity Industry Act 2000**.

TRUenergy Solar

1. Your electricity plan will consist of two components, a Base Agreement under which we sell you electricity and TRUenergy Solar is the 'feed in' component of your plan under which we buy electricity from you. These components will be shown separately on your bill.
2. The terms and conditions applying to this feed in arrangement are contained in this document.
3. You are not eligible to enter into this TRUenergy Solar agreement for the buy back of electricity from you if any of the following apply:
 - a. you are not a TRUenergy customer;
 - b. the meter type or applicable tariff at your supply address otherwise means you are not eligible. We may specify from time to time exclusions to TRUenergy Solar based on meter type or availability of an applicable tariff, details of which can be requested from us.
4. If we determine that you were not eligible for TRUenergy Solar we will contact you to let you know of any other options you may have.
5. If you are not an existing customer of ours, this agreement commences from the date on which your assigned meter identifier has been transferred to us.
6. If you are an existing customer of ours, this agreement commences on the date specified in the Product Schedule or, if the date is not set out, the date we transfer you to the Base Agreement.

Credit of electricity supplied

7. We agree to credit you for any electricity you supply back into the grid from your Small Renewable Energy Generation Facility at the same rates as you purchase electricity under the Base Agreement for electricity sale and supply between you and us.
8. The credits for the electricity you supply will appear on the bill that we send to you under your Base Agreement.
9. In addition to the charges set out in this agreement and the Base Agreement Product Schedule, you will need to pay any additional retail charges and distributor imposed charges. Upon your request we will inform you of the amount of any distributor imposed charges prior to entering the agreement, and these will be itemised on your account. Any adjustments for undercharging or overcharging in previous billing periods will also be shown on your account.
10. The rate at which we buy your electricity does not include GST.

Connection

11. If you ask us to, we will make a request to the relevant distributor to connect your Small Renewable Energy Generation Facility to the distributor's distribution system as soon as practicable after you satisfy clause 1 of the Energy Retail Code with respect to this agreement.

12. We will make the request by the day no later than the next business day after receiving from you all documentation required under the **Electricity Safety Act 1998** and all documentation reasonably required by us or the relevant distributor.
13. You must let us know as soon as possible of any changes to your contact details.

Meter readings

14. Unless you give explicit informed consent otherwise, we will base a buy back credit on a reading of your national electricity market compliant meter that records the supply of electricity from your Small Renewable Energy Generation Facility to the distribution system, and in any event, we will use our best endeavours to ensure that the meter is read at least once in any 12 month period. We do not breach this clause if we are unable to read a meter in any relevant period as a result of you breaching clause 15 or some other event outside our control.
15. You must allow us, the Responsible Person or our Responsible Person's representative, safe, convenient and unhindered access to the address and to the meter that records the supply of electricity from you to the distribution system, for the purpose of reading the meter and for connection, disconnection, reconnection, maintenance and repair. The person who requires access must carry or wear official identification and on request will show that identification to you.
16. If we are not able to make a credit based on the reading of the meter, we will not make a credit unless the relevant distributor estimates the generation in accordance with applicable regulatory instruments.
17. If you request us to, we will review any buy back credits applied to your account (and deal with any adjustments required) on the basis specified in clause 6 of the Energy Retail Code.

Force Majeure

18. If an event occurs which is outside the reasonable control of us or you (i.e. force majeure), and you or we breach this agreement due to this event only, the breach will be dealt with in accordance with clause 18 of the Energy Retail Code.

Changes to this agreement

19. This agreement may only be varied by agreement in writing between you and us. Any changes to the tariffs under your Base Agreement will apply equally to the tariffs under this feed-in agreement.
20. We will give you notice of any variation to our tariffs that will affect this agreement. We will give the notice as soon as practicable and no later than the next billing and payment cycle. A notice of a variation to our tariffs under your Base Agreement is taken to be a notice under this agreement.

Termination

21. If the Base Agreement is ended by either party, this agreement automatically terminates at the same time. Otherwise, we may not terminate this agreement unless you and we enter into a new feed-in agreement or if you have transferred to another retailer in respect of your supply address.
22. If there are any credits owing to you when this agreement ends, TRUenergy will pay you the equivalent amount.
23. You may terminate this agreement without notice unless this agreement is a fixed term contract or an evergreen contract. If this agreement is a fixed term contract or an evergreen contract, we may impose the early termination charge specified in your Product Schedule if we are permitted to do so under clause 24.1(d) of the Energy Retail Code.
24. The termination does not become effective until:
 - a. if you and we enter into a new feed-in agreement, the date the new agreement commences;

- b. if the feed-in agreement is terminated because you want to enter a feed-in agreement or electricity supply agreement with another retailer, the date when the other retailer becomes responsible under that agreement/for your supply address; or
 - c. if your supply address is disconnected, the date when you no longer have a right under the Energy Retail Code to be reconnected,
- whichever occurs first.
25. If the TRUenergy Solar agreement or the Base Agreement is a fixed term contract:
- a. between one and two months before the expiry date, we will notify you of the date that this agreement is due to expire, the options available to you and the tariff and terms and conditions that will apply after that date if you do not exercise any other option; and
 - b. this agreement will continue after the expiry date on the tariff and terms and conditions notified, without further need for written agreement, provided the tariff and terms and conditions have taken effect in accordance with section 40H of the **Electricity Industry Act 2000**.

Miscellaneous

- 26. If you would like information about our buy back tariffs, please call 133 466. If requested, we will provide you with written information within 10 business days of your request.
- 27. We will retain data of the feed-in payment and crediting data for at least two years.
- 28. We will process any request for historical data in relation to feed in arrangements in accordance with clause 27.2 of the Energy Retail Code.
- 29. These terms and conditions do not limit, vary or exclude the operation of any terms and conditions of the Base Agreement.
- 30. Any Renewable Energy Certificates that are created through the generation of electricity from your Small Renewable Energy Generation Facility will be retained by you.
- 31. We will handle any complaint by you in accordance with the relevant Australian Standard on complaints handling or the 'Benchmark for Industry Based Customer Dispute Resolution Schemes' published by the Department of Industry, Tourism and Resources (Cth). We will proceed in the manner specified in clause 28.2 of the Energy Retail Code.
- 32. A notice, consent, document or other communication given by us under a feed-in contract will be given in a manner specified by clause 33 of the Energy Retail Code.
- 33. We may only assign this agreement with your consent, unless the assignment forms part of the transfer to the same third party of all or substantially all of our retail business.

THE CPA AUSTRALIA LTD (Victoria) SCHEME

Professional Standards Act 2003 (Vic)

PREAMBLE

- A. CPA Australia Limited ('CPA Australia') is a national occupational association.
- B. CPA Australia has made an application to the Professional Standards Council, appointed under the **Professional Standards Act 2003 (Vic)** ('the Act') for a scheme under the Act.
- C. The Scheme is prepared by CPA Australia for the purposes of limiting occupational liability to the extent to which such liability may be limited under the Act.
- D. The Scheme propounded by CPA Australia is to apply to all participating members referred to in clauses 2.2 and 2.3 of the Scheme.
- E. CPA Australia has furnished the Council with a detailed list of the risk management strategies intended to be implemented in respect of its members and the means by which those strategies are intended to be implemented.
- F. The Scheme is intended to remain in force for a period of five (5) years from its commencement unless it is revoked, extended or ceases in accordance with section 34 of the Act.

THE CPA AUSTRALIA LIMITED (Victoria) SCHEME

1. Occupational Association
 - 1.1 The CPA Australia Limited (Victoria) Scheme (the 'Scheme') is a scheme under the **Professional Standards Act 2003 (Vic)** ('the Act') of CPA Australia Limited ('CPA Australia'), Level 28, 385 Bourke Street, Melbourne, Victoria 3000.
 - 1.2 Definitions of terms used in the Scheme appear in the Scheme, including in Part 4.
2. Persons to Whom the Scheme Applies
 - 2.1 This Scheme applies to participating members, being those CPA Australia members referred to in clauses 2.2 and 2.3 of the Scheme, and to all persons to whom the Scheme applied at the time of the relevant act or omission on which a cause of action for damages for occupational liability is founded.¹ Each such participating member and person is referred to in the Scheme as a 'participant'.
 - 2.2 All members who hold a current Public Practice Certificate issued by CPA Australia and affiliate members of CPA Australia other than financial services licensees.

¹ Sections 20 and 21 of the Act provide that if the Scheme applies to a body corporate, the Scheme also applies to each officer of the body corporate and if the Scheme applies to a person, the Scheme also applies to each partner of a person, and if the Scheme applies to a person, the Scheme also applies to each employee of that person, provided that if such officer of the corporation or partner of the person or employee of the person is entitled to be a member of the same occupational association, such officer, partner or employee is a member of the occupational association. Section 22 provides that the Scheme may also apply to other persons as specified in that section. Sections 20 and 21 do not expressly extend the application of a scheme to employees of a body corporate although that would logically be the intention.

- 2.3 All practice entity members other than financial services licensees.²
- 2.4 No person to whom the Scheme applies may choose not to be subject to the Scheme, provided that CPA Australia may, on application by a person, exempt the person from the Scheme if CPA Australia is satisfied that he or she would suffer financial hardship in obtaining professional indemnity insurance to the levels set out in clause 3.1 below.
3. Limitation of Liability
- 3.1 This Scheme only affects the liability of a participant for damages³ arising from a single cause of action to the extent to which the liability results in damages exceeding:
- (a) \$500,000 where the act or omission giving rise to the cause of action occurred on or before 30 June 2008;
 - (b) \$750,000 where the act or omission giving rise to the cause of action occurred between 1 July 2008 and 30 June 2009;
 - (c) \$1 million where the act or omission giving rise to the cause of action occurred after 1 July 2009.
- 3.2 Where a participant against whom a proceeding is brought relating to occupational liability in connection with Category 1 services is able to satisfy the court of (a), (b) or (c) below, the participant is not liable in damages in relation to that cause of action above the lesser of the Category 1 limitation amount determined under clause 3.4 and the Category 1 monetary ceiling specified in clause 3.3:
- (a) the participant has the benefit of an insurance policy insuring the participant against the occupational liability and the amount payable under the insurance policy in respect of the occupational liability relating to the cause of action (including any amount payable by the person by way of excess under or in relation to the policy) is not less than the amount of the Category 1 monetary ceiling or the Category 1 limitation amount;
OR
 - (b) the participant has business assets the net current market value of which is not less than the amount of the Category 1 monetary ceiling or Category 1 limitation amount;
OR
 - (c) the participant has business assets and the benefit of an insurance policy insuring the participant against that occupational liability, and the net current market value of the business assets and the amount payable under the insurance policy in respect of that occupational liability relating to that cause of action (including any amount payable by the participant by way of excess under or in relation to the policy), if combined, is not less than the amount of the Category 1 monetary ceiling or Category 1 limitation amount.
- 3.3 The Category 1 monetary ceiling is \$75 million.
- 3.4 The Category 1 limitation amount is an amount equal to a reasonable charge for the Category 1 services provided by the participant or which the participant failed to provide and to which the cause of action relates, multiplied by the multiplier specified in clause 3.4.2 below.

² A practice entity member is a practice entity which has been admitted to membership of CPA Australia. This category of membership is available for practice entities which are entitled to use the CPA Australia description, having satisfied the necessary requirements.

³ Damages as defined in section 4 of the Act means:

- (a) damages awarded in respect of a claim or counter-claim or by way of set-off; or
- (b) costs in or in relation to the proceedings ordered to be paid in connection with such an award (other than costs incurred in enforcing a judgment or incurred on an appeal made by a defendant); or
- (c) any interest payable on the amount of those damages or costs.

- 3.4.1 In determining the amount of a reasonable charge a court is to have regard to any amount actually charged and to:
- (a) the amount that would ordinarily be charged in accordance with a scale of charges prescribed or accepted by CPA Australia; or
 - (b) if there is no such scale, the amount that a competent person of the same qualifications and experience as the participant would be likely to charge in the same circumstances.
- 3.4.2 The multiplier is 10.
- 3.5 Where a participant against whom a proceeding is brought relating to occupational liability in connection with Category 2 services is able to satisfy the court of (a), (b) or (c) below, the participant is not liable in damages in relation to that cause of action above the monetary ceiling specified in clause 3.6:
- (a) the participant has the benefit of an insurance policy insuring the participant against the occupational liability, and the amount payable under the insurance policy in respect of the occupational liability relating to that cause of action (including any amount payable by the person by way of excess under or in relation to the policy) is not less than the amount of the Category 2 monetary ceiling;
OR
 - (b) the participant has business assets the net current market value of which is not less than the amount of the Category 2 monetary ceiling;
OR
 - (c) the participant has business assets and the benefit of an insurance policy insuring the participant against that occupational liability, and the net current market value of the business assets and the amount payable under the insurance policy in respect of that occupational liability relating to that cause of action (including any amount payable by the participant by way of excess under or in relation to the policy), if combined, would total an amount that is not less than the amount of the Category 2 monetary ceiling.
- 3.6 The Category 2 monetary ceiling is the lesser of:
- (a) \$20 million; and
 - (b) the highest fee (or the highest total of fees) billed by a participant or if the participant is a member of a practice entity (whether a practice entity member of CPA Australia or not), by all participants who are members of or part of the practice entity, in a single financial year for a Category 2 engagement:
 - (i) over the three (3) full financial years immediately prior to the financial year in which the participant commences to provide the Category 2 services which are the subject of the proceeding against the participant;
or
 - (ii) if the participant has less than three (3) full financial years' Category 2 services fee history immediately prior to the financial year in which the participant commences to provide the Category 2 services which are the subject of the proceeding against the participant, over the two (2) full financial years or that full financial year immediately prior to the financial services year in which the participant commences to provide the Category 2 services which are the subject of the proceeding,multiplied by 10;
OR
 - (c) if the participant has no, or less than one full financial year's Category 2 services fee history immediately prior to the financial year in which the participant commences to provide the Category 2 services which are the subject of the proceeding against the participant, the applicable amount specified in clause 3.6 (a) above.

- 3.7 Where a participant against whom a proceeding is brought relating to occupational liability in connection with Category 3 services is able to satisfy the court of (a), (b) or (c) below, the participant is not liable in damages in relation to that cause of action above the lesser of the Category 3 limitation amount determined under clause 3.9 and the amount of the Category 3 monetary ceiling specified in clause 3.8:
- (a) the participant has the benefit of an insurance policy insuring the participant against the occupational liability, and the amount payable under the insurance policy in respect of the occupational liability relating to that cause of action (including any amount payable by the person by way of excess under or in relation to the policy) is not less than the amount of the Category 3 monetary ceiling or the Category 3 limitation amount;
OR
 - (b) the participant has business assets the net current market value of which is not less than the amount of the Category 3 monetary ceiling or Category 3 limitation amount;
OR
 - (c) the participant has business assets and the benefit of an insurance policy insuring the participant against that occupational liability, and the net current market value of the business assets and the amount payable under the insurance policy in respect of that occupational liability relating to that cause of action (including any amount payable by the participant by way of excess under or in relation to the policy), if combined, would total an amount that is not less than the amount of the Category 3 monetary ceiling or Category 3 limitation amount.
- 3.8 The Category 3 monetary ceiling is \$20 million.
- 3.9 The Category 3 limitation amount is an amount equal to a reasonable charge for the Category 3 services provided by the participant or which the participant failed to provide and to which the cause of action relates, multiplied by the multiplier specified in clause 3.9.2 below.
- 3.9.1 In determining the amount of a reasonable charge a court is to have regard to any amount actually charged and to:
- (a) the amount that would ordinarily be charged in accordance with a scale of charges prescribed or accepted by CPA Australia; or
 - (b) if there is no such scale, the amount that a competent person of the same qualifications and experience as the participant would be likely to charge in the same circumstances.
- 3.9.2 The multiplier is 10.
- 3.10 Pursuant to section 26 of the Act, this Scheme confers on CPA Australia a discretionary authority to specify, on application by a participant, a higher maximum amount of liability not exceeding \$75 million than would otherwise apply under the Scheme in respect of any specified case or class of case of Category 2 services or Category 3 services, where the fee for the service or services is, or is reasonably expected to be, \$2 million or greater. The higher maximum amount of liability will apply if CPA Australia exercises its discretion and approves the higher maximum amount of liability prior to the participant beginning to provide the relevant services.
- 3.11 In circumstances where the services provided by a participant comprise a combination of Category 1 services and any of:
- (a) Category 2 services;
 - (b) Category 3 services;
 - (c) Category 2 services and Category 3 services,

the participant's liability under this Scheme for damages in respect of a proceeding in relation to occupational liability in excess of the applicable amount specified in clause 3.1 brought against it will be determined in accordance with those provisions of the Scheme relating to Category 1 services only, that is, clauses 3.2 to 3.4.

- 3.12 In circumstances where the services provided by a participant comprise a combination of Category 2 services and Category 3 services, the participant's liability under this Scheme for damages in respect of a proceeding in relation to occupational liability in excess of the applicable amount specified in clause 3.1 brought against it will be determined (subject to clause 3.10) in accordance with those provisions of the Scheme relating to Category 2 services only, that is clauses 3.5 and 3.6.
- 3.13 Nothing in this Scheme is intended to increase, or has the effect of increasing, a participant's liability for damages to a person beyond the amount that, other than for the existence of this Scheme, the participant would be liable in law.
- 3.14 This Scheme only limits the amount of damages for which a participant is liable if and to the extent that the damages exceed the applicable amount specified in clause 3.1. Where the amount of damages in relation to a cause of action exceeds the applicable amount specified in clause 3.1 but the damages which may be awarded as determined by this Scheme are equal to or less than the applicable amount specified in clause 3.1, liability for those damages will instead be limited to the applicable amount specified in clause 3.1.

4. Definitions
