EXEMPTION

Application No. A73/2008

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to Section 83 of the **Equal Opportunity Act 1995**, by Rocket Program Western Region Health Centre. The application for exemption is to enable the applicant to advertise and employ a male community mental health support worker for the Rocket program (the exempt conduct).

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from

Sections 13, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption, the Tribunal noted:

- Rocket is a physiological and social residential rehabilitation program for young adults aged 16 to 24 years of age who have significant mental health issues and are at risk of homelessness.
- A male intensive support worker would aid the young men either individually or in the group context within the program.
- A large part of the role requires the support worker to role model appropriate behaviours for the young men as well as being available to support them with issues that are particular to young men on their journey to recovery.

The Tribunal hereby grants an exemption to the applicant from the operation of Sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 1 March 2011.
