EXEMPTION

Application No. A102/2008

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to section 83 of the **Equal Opportunity Act 1995**, by Wantirna Heights School. The application for exemption is to enable the applicant to advertise for and employ a male staff member to work within the school community with a male student (the exempt conduct).

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption, the Tribunal noted:

- The Wantirna Heights School is a primary school for students with an Autism Spectrum Disorder.
- In this instance the school would like to cater for a student with particular needs which requires the strength of a male worker.
- It is appropriate, in this instance, for a male staff member to care for the particular needs of this student.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 1 May 2011.

EXEMPTION

Application No. A103/2008

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to section 83 of the **Equal Opportunity Act 1995**, by Austin Health. The application for exemption

is to enable the applicant to advertise and employ a male worker for work as a counsellor with the Northern Centre Against Sexual Assault (NCASA) (the exempt conduct).

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption, the Tribunal noted:

- The NCASA is a service provided for by the Austin Health to support and assist sexual assault victims.
- The service would be more accessible to men if a male counsellor was available. Some of these males prefer to talk to a male counsellor for sensitive cultural reasons.
- Employing male counsellors in the past has resulted in an increase in referrals of males disclosing sexual assault and seeking help.
- NSASA currently employs 8 female counsellors but does not employ a male counsellor.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 13, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 1 May 2011.
