NOTICE OF DECISION

Water (Resource Management) Amendment Regulations 2009

I, Tim Holding, Minister for Water, and Minister responsible for administering the **Water Act 1989**, give notice under section 12 of the **Subordinate Legislation Act 1994** as follows:

A Regulatory Impact Statement (RIS) was prepared in relation to the proposed Water (Resource Management) Amendment Regulations 2009. The objectives of the proposed Regulations are to –

- increase certain application fees relating to the transfer of ownership of a water share and the giving of a water allocation assignment; and
- remove the fee to correct or amend addresses recorded in the water register.

The RIS was advertised seeking public comment and no submissions were received.

After further considering the proposed Regulations, I have decided that the proposed Regulations should be made with one minor amendment.

Dated 1 October 2009

TIM HOLDING MP
Minister for Water
