GREATER GEELONG PLANNING SCHEME
Notice of Preparation of Amendment
Amendment C159
Authorisation A1030

The Greater Geelong City Council has prepared Amendment C159 to the Greater Geelong Planning Scheme to implement the recommendations of the Barwon Heads Structure Plan.

In accordance with section 8A(3) of the **Planning and Environment Act 1987**, the Minister for Planning authorised the Greater Geelong City Council as planning authority to prepare the Amendment.

The Amendment reflects the preparation of a new planning policy for the Barwon Heads township. The purpose of the Structure Plan is to identify the key strategic planning issues facing the township, including community aspirations and needs, and to articulate the preferred directions including the location of a settlement boundary and identification of appropriate planning controls.

The Amendment also reflects the recommendations of the Barwon Heads Urban Design Framework which had previously been prepared for the township, the key elements of which have been referenced in the new Structure Plan.

The Amendment proposes to:

- replace the existing Municipal Strategic Statement for Barwon Heads at Clause 21.35 of the Greater Geelong Planning Scheme with a new Clause 21.35 that will include the land use directions and policies identified in the adopted Barwon Heads Structure Plan December 2007. The Structure Plan recommendations include retention of the existing urban boundary, protection of the unique character of Barwon Heads, consolidation of the town centre with a diverse mix of uses and activities and protection of the surrounding rural landscape and its coastal and river setting;
- rezone Residential 1 zoned land along both sides of Hitchcock Avenue, between Ozone Road and Clifford Parade, to Mixed Use zone;
- rezone Residential 1 zoned properties along Stephens Parade to Low Density Residential zone;
- rezone Stage C of the Thirteenth Beach Golf Resort to Rural Conservation zone;
- apply Road Zone Category 1 to Golf Links Road – Bridge Road and remove the Road Zone Category 1 (and replace it with appropriate surrounding zones) from Geelong Road – Hitchcock Avenue to reflect the relocation of the Declared Arterial Road through the town;
- apply a Significant Landscape Overlay to properties in the Barwon River environs, north of Ozone Road to the western end of River Parade;

- apply a Design and Development Overlay to Business 1 and existing and proposed Mixed Use zones forming part of the Barwon Heads town centre; and
- delete Design and Development Overlay 14 from those properties being rezoned from Residential 1 to Mixed Use Zone in Hitchcock Avenue.

Notice of Preparation of Amendment

Amendment C49

Authorisation A01216

The Indigo Shire Council has prepared Amendment C49 to the Indigo Planning Scheme.

In accordance with section 9(2) of the **Planning and Environment Act 1987**, the Minister for Planning authorised the Indigo Shire Council as planning authority to prepare the Amendment.

The Amendment affects the former Beechworth Gaol and surrounding land located in Sydney Road, Beechworth, and described as Crown Allotment 2011 Section 23, Parish of Beechworth.

The Amendment proposes to introduce a schedule to the Development Plan Overlay (DPO) over the land to ensure that future subdivision and development of this historic site:

- integrates with its surroundings, does not adversely affect the character and appearance of the heritage place and respects the existing character and historic streetscape of the area (the site forms part of the historic streetscape of the main road of Beechworth.); and
- leads to the retention, restoration and productive re-use of buildings in accordance with the Conservation Management Plan prepared for the subject site.

The proposed Schedule 7 to the DPO will require a Development Plan to be prepared and approved before subdivision or other development of the site to ensure a 'whole of site' approach is undertaken to achieve design objectives.

EXEMPTION

Application No. A11/2009

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to section 83 of the **Equal Opportunity Act 1995**, by Kara House Inc. The application for exemption is to enable the applicant to advertise and employment women only as staff of the service and accommodate women and children only in the service (the exempt conduct).

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 14, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption, the Tribunal noted:

- Kara House provides a crisis accommodation refuge service for women and their children escaping domestic violence.

- Kara House offers communal living arrangements for women experiencing family violence. Many of the clients of Kara House have experienced physical, sexual, verbal and psychological abuse by male perpetrators. Residents are accommodated at the refuge within a communal setting requiring them to share the kitchen, lounge room, bathroom and toilet facilities. Often the women clients are extremely distressed, emotionally vulnerable and are seeking a safe and protected environment. Included in the clients are women from diverse cultures and it would not be appropriate for men to be housed within the refuge.
- Due to the delicate and sensitive nature of the difficulties experienced by our clients, Kara House needs to employ women only as this is paramount to the work conducted by Kara House staff.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 13, 14, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 1 January 2012.

EXEMPTION

Application No. A12/2009

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to section 83 of the **Equal Opportunity Act 1995**, by State of Victoria – Department of Education and Early Childhood Development. The application for exemption is to enable the applicant to allow the Department of Education and Early Childhood Development to advertise and employ 1 male person to work with a physically disabled male student at Baimbridge College, Hamilton (the exempt conduct).

Upon reading the material submitted in support of the application the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 14, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption, the Tribunal noted:

- Baimbridge College has an integration program that supports students with disabilities.
- There is a requirement to support a male student with physical disabilities requiring a specialised male integration aide mentor.
- It is appropriate that this exemption is granted for this specific purpose.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 13, 14, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

Subordinate Legislation Act 1994NOTICE OF PREPARATION OF
REGULATORY IMPACT STATEMENTProposed Electricity Safety (Equipment)
Regulations 2009

Notice is given in accordance with section 11 of the **Subordinate Legislation Act 1994**, that a Regulatory Impact Statement (RIS) has been prepared for the proposed Electricity Safety (Equipment) Regulations 2009.

The proposed regulations are to be made under the **Electricity Safety Act 1998** ('the Act') to replace the Electrical Safety (Equipment) Regulations 1999 ('the current regulations') and provide for minimum safety standards for electrical equipment, certification of compliance with safety standards, approval and labelling of certain electrical equipment, fees and various other matters authorised by the Act. The proposed regulations broadly remake the requirements contained in the current regulations with a number of improvements to streamline the administration of electrical equipment safety in Victoria.

The RIS discusses the possible alternatives to the proposed regulations. The regulations are considered the best means of achieving the stated objectives and the most appropriate and efficient means of delivering electrical equipment safety in Victoria.

The RIS assesses the costs and benefits of the proposed regulations and concludes that adoption of the regulations will yield net benefits over the next 10 years.

Copies of the RIS and the proposed regulations may be obtained from Energy Safe Victoria by contacting Anthony Bottegal on 9203 9700 or via the internet at www.esv.vic.gov.au (click on: About ESV>What's New?).
