## Water Act 1989

### ORDER FOR AMENDMENT OF TRADING RULES FOR DECLARED WATER SYSTEMS

I, Tim Holding, Minister for Water, in accordance with section 33AZ(2) of the **Water Act 1989**, make the following Order to amend the Trading Rules for Declared Water Systems (the Trading Rules):

1. At the end of Rule 25, after the word ‘season’ insert –  
‘unless an exemption under Rule 25A is applicable’.
2. After Rule 25, insert –  
**‘25A An exemption may be granted to any application, received after 1 July 2009, that could otherwise be refused under Rule 25 if –**
  - (a) the application is for transfer of a water share to the Commonwealth of Australia (the ‘Commonwealth’), and –
    - (i) an application (an ‘exit grant package application’) has been made to the Commonwealth for the Murray–Darling Basin Small Block Irrigators Exit Grant Package; and
    - (ii) the water share is associated with land that is the subject of the exit grant package application; and
    - (iii) the applicant provides evidence to the satisfaction of the Minister that the Commonwealth will not accept the exit grant package application without approval of the application to transfer the water share; or
  - (b) the application is for transfer of a water share to the Commonwealth, and the applicant provides evidence to the satisfaction of the Minister that the transfer is being made as a result of Commonwealth assistance in achieving on-farm efficiencies; or
  - (c) the application is for transfer of a water share to the Commonwealth, and –
    - (i) the water share is currently associated with land in an area that has been identified by the relevant water corporation as being not a priority for modernization, based on criteria such as suitability for irrigation, the environmental impact of irrigation, existing land-use change, and distance from the main irrigation ‘backbone’; and
    - (ii) since 1 July 2009, no water share has become associated with the land with which the water share that is the subject of the application is associated; and
    - (iii) exemptions given since 1 July 2009 under sub-rules (a), (b) and (c) of Rule 25A collectively do not exceed a volume of 60 gigalitres.’

This Order comes into effect on the date it is published in the Government Gazette.
