### Subordinate Legislation Act 1994

#### NOTICE OF PREPARATION OF REGULATORY IMPACT STATEMENT (RIS) Alpine Resorts (Management) Regulations 2009

Notice is given in accordance with section 11 of the **Subordinate Legislation Act 1994** of the proposed making of the Alpine Resorts (Management) Regulations 2009 (proposed Regulations).

The **Alpine Resorts (Management) Act 1997** establishes an Alpine Resorts Co-ordinating Council and five Alpine Resort Management Boards (the Boards), and provides for the management of the Victorian alpine resorts.

The proposed Regulations regulate behaviour and safety in the Victorian alpine resorts, including capping the resort entry and other fees that the Boards may charge, and prescribing compliance and enforcement mechanisms that the Boards may exercise.

The proposed Regulations will replace the Alpine Resorts (Management) Interim Regulations 2009 (existing Regulations). The proposed Regulations address public safety, amenity and environment sustainability issues and include minor changes to the existing Regulations. The objectives of the proposed Regulations are to:

- a) ensure consistency of language and style with current practices; and
- b) revisit fee caps.

Under the proposed Regulations the Boards will have the power to temporarily close alpine resorts on public safety grounds. The proposed Regulations maintain the existing structure of determining a maximum fee and allowing Boards flexibility to set prices.

A Regulatory Impact Statement has been prepared in accordance with the requirements of the **Subordinate Legislation Act 1994** and the Guidelines issued under that Act. The Regulatory Impact Statement concludes that the benefits of making the proposed Regulations outweigh the associated costs.

Public comments and submissions are invited on the proposed Regulations and Regulatory Impact Statement up until 5 pm on 14 September 2009.

You can make a submission by email to: [alice.daly@dse.vic.gov.au](mailto:alice.daly@dse.vic.gov.au)

## Notice of Approval of Amendment

## Amendment C90 (Part 1)

The Minister for Planning has approved Amendment C90 (Part 1) to the Hume Planning Scheme.

The Amendment comes into operation on the date this notice is published in the Government Gazette.

The Amendment:

- inserts a Public Acquisition Overlay (PAO1), identifying land to be reserved for access restoration works associated with the future upgrade of the Hume Highway/Freeway between Donnybrook Road and the northern boundary of the Hume Planning Scheme, to fully access controlled freeway status;
- updates Schedule 2 to the Comprehensive Development Zone to include an exemption for VicRoads from the need to obtain a planning permit to undertake the roadworks (applying to the Merrifield land);
- incorporates a plan showing the works area of the proposed upgrade, which will increase the area subject to exemption from permits to destroy, lop or remove native vegetation and to also increase the area exempted from a permit to undertake works in an area subject to a Floodway Overlay;

- removes a Road Closure Overlay (RXO) from the road reservation at MacKenzie Street, between the Hume Highway and Mitchell Street, Kalkallo;
- updates the Schedule to the Heritage Overlay to provide for an incorporated plan that exempts VicRoads from the need to obtain a planning permit to undertake the roadworks in Heritage Overlay 246 (the Sydney Road Bridges), subject to agreement to the works by the City of Hume;
- updates Map 1 to the Schedule to Clause 45.05 to amend the Restructure Overlay along Mackenzie Street between Hume Highway and Mitchell Street, Kalkallo (within the existing road reservation). This ensures consistency with the removal of the associated Road Closure Overlay;

- inserts and amends incorporated plans to provide reference for the controlled access to the Hume Highway.
