## Water Act 1989 (Vic.)

### PUBLIC NOTICE

Western Region Water Corporation

Water Restriction By-Law 08/01

In accordance with section 287ZI, Western Water hereby gives notice that it has made the by-law, titled Water Restrictions By-Law 08/01, pursuant to sections 171, 160 and Part 13B of the **Water Act 1989**. The by-law is made in relation to restrictions and prohibitions on the use of water in the water supply districts of Western Water during declared water restrictions.

The purpose of the by-law is to:

- (a) promote the conservation of water; and
- (b) specify when and how a stage of restriction may be imposed; and
- (c) set out four stages of restrictions on the use of water; and
- (d) specify things which must not be done while each stage of restriction persists; and
- (e) specify principles for considering applications for exemptions from particular restrictions; and
- (f) specify principles for deciding when to lift restrictions; and
- (g) provide information on offences and penalties for the contravention of this by-law; and
- (h) provide information on classes of persons for the purpose of issuing infringement notices.

The by-law formalises the provisions of Stage 2 restrictions as part of the four stages of restrictions. The major changes to Stage 2 restrictions are:

- properties with at least one occupant over the age of 70 years may water on specified watering days between 8.00 am and 10.00 am instead of the standard morning watering time of between 6.00 am and 8.00 am. No exemption is required; and
- a commercial car wash may only operate if it uses 70 litres of water or less per vehicle.

Western Water also gives notice that it has now moved to Stage 2 Water Restrictions in line with By-Law 08/01.

Copies of the by-law are available:
