Subordinate Legislation Act 1994

NOTICE OF DECISION

Drugs, Poisons and Controlled Substances (Precursor Supply) Regulations 2010

I, Daniel Andrews, Minister for Health and Minister responsible for administering Part VB of the **Drugs, Poisons and Controlled Substances Act 1981**, give notice under section 12 of the **Subordinate Legislation Act 1994** as follows:

A Regulatory Impact Statement (RIS) was prepared in relation to the proposed Drugs, Poisons and Controlled Substances (Precursor Supply) Regulations 2010. The proposed Regulations are required to support the operation of a new regime to control the supply of precursor chemicals and equipment and prevent their diversion from legitimate industry uses to the manufacture of illicit synthetic drugs. The RIS was advertised to invite public comment. A total of six submissions were received and considered.

I have decided that the proposed Regulations should be made with the following amendments:

The commencement date for the Regulations will be 1 January 2011, instead of the day on which the Regulations are to be made.

Other minor amendments have been made to correct spelling and typographical errors.

Dated 7 October 2010

HON DANIEL ANDREWS MP
Minister for Health
