The Wellington Shire Council has prepared Amendment C33 to the Wellington Planning Scheme.

In accordance with section 8A(3) of the **Planning and Environment Act 1987**, the Minister for Planning authorised the Wellington Shire Council as planning authority to prepare the Amendment.

The land affected by the Amendment is located in various flood prone areas within the municipality, as identified by the East and West Gippsland Catchment Management Authorities (EGCMA and WGCMA), in association with the Wellington Shire Council. In general terms:

- New flood controls (affecting land where flood controls do not currently exist in the Wellington Planning Scheme) are proposed for Port Albert, McLoughlins Beach, the Tarra, Albert and Jack River areas, the Merrimans Creek floodplains, the Macalister River floodplains between Lake Glenmaggie and Maffra (encompassing Newry and Tinamba) and the Boggy Creek area.
- Modifications to existing flood controls in the Wellington Planning Scheme are proposed for Rosedale, Port of Sale, coastal areas from Seaspray to Loch Sport, land surrounding Lake Wellington and the floodplains of the Thompson and Avon Rivers.

All specific areas and properties affected by the Amendment are identified on the Amendment maps (available at the locations specified below or from the Wellington Shire Council website www.wellington.vic.gov.au).

The Amendment proposes to:

- rename the existing Rural Floodway Overlay (RFO) to the Floodway Overlay (FO);
- modify the Floodway Overlay (FO) and Land Subject to Inundation Overlay (LSIO) mapping in the Wellington Planning Scheme to reflect updated flood information, leading to one of three outcomes for affected areas within the municipality:
 1. an increase in the level of control through the variation of the FO and LSIO and the application of the FO and LSIO to newly identified areas;
 2. a decrease in the level of control through the variation of the FO and LSIO (in some cases); or
 3. no change in level of control (in some cases); and

- introduce new schedules to the FO and LSIO to exempt minor buildings and works from having to obtain a planning permit.

You may inspect the Amendment, any documents that support the Amendment and the explanatory report about the Amendment, free of charge, at the following locations: during office hours, at the office of the planning authority, Wellington Shire Council, at: the Port of Sale Civic Centre, 70 Foster Street, Sale, Victoria; or the Yarram Service Centre, 156 Grant Street, Yarram, Victoria; or at the Department of Planning and Community Development website www.dpcd.vic.gov.au/planning/publicinspection (from 4 February 2010).

Any person who may be affected by the Amendment may make a submission to the planning authority.

The closing date for submissions is 18 March 2010. A submission must be sent to the Wellington Shire Council and must be addressed to: Attention: Ahsan Yousuf, Planning Project Officer, Wellington Shire Council, PO Box 506, Sale, Victoria 3850.
