Water Act 1989 (Vic.)
PUBLIC NOTICE

Western Region Water Corporation
Water Restriction By-Law 08/01

In accordance with section 287ZI, Western Water hereby gives notice that it has made the by-law, titled Water Restrictions By-Law 08/01, pursuant to sections 171, 160 and Part 13B of the **Water Act 1989**. The by-law is made in relation to restrictions and prohibitions on the use of water in the water supply districts of Western Water during declared water restrictions.

The purpose of the by-law is to:

- (a) promote the conservation of water; and
- (b) specify when and how a stage of restriction may be imposed; and
- (c) set out four stages of restrictions on the use of water; and
- (d) specify things which must not be done while each stage of restriction persists; and
- (e) specify principles for considering applications for exemptions from particular restrictions; and
- (f) specify principles for deciding when to lift restrictions; and
- (g) prescribe offences and penalties for the contravention of this by-law; and
- (h) prescribe classes of persons for the purpose of issuing infringement notices.

The by-law formalises the provisions of Stage 3 restrictions as part of the four stages of restrictions. The major change is additional specified watering days for gardens. Odd street numbered properties may water on odd calendar days of the month whilst properties with an even street number or no street number may water on even numbered calendar days. All properties may water on the 31st day of the month.

Copies of the by-law are available at Western Water's office at 36 Macedon Street, Sunbury, or telephone 1300 650 425 during normal business hours, or visit our website: www.westernwater.com.au
