MACEDON RANGES SHIRE COUNCIL

Local Government Act 1989

Notice of Partial Road Deviation, Partial Road Discontinuance,
Public Highway Declaration (Road Deviation), and
Land Exchange – Camerons Road, Chintin
(Parish of Chintin, Section A, Camerons Run Pre-emptive Right)

In pursuance of its powers under the **Local Government Act 1989** ('Act'), the Council, by its delegate, has resolved to do the following four things and to give notice thereof in the Government Gazette:—

1. Partial road deviation: To make a partial deviation ('deviation') of Camerons Road (a government road) on private land in Certificate of Title Volume 9907 Folio 362 owned by Wallermerriyong Pty Ltd (ACN 005 273 030), as shown by cross-hatching on the Plan in this Notice, to by-pass a large obstruction blocking the Road at the location shown by hatching on the Plan.

(The deviation is being made under Clause 2 of Schedule 10 of the Act. The Council has by resolution of its delegate formed the opinion that the small section of Camerons Road, because of the obstruction, is not reasonably required as a road for public use, especially as provision is being made for a road (public highway) deviation around the obstruction. Ministerial consent under Clause 2 of Schedule 10 for the deviation has been obtained by the Council.)

2. Partial road discontinuance: To discontinue the section of Camerons Road shown by hatching on the Plan and to vest the land in the section in the Council on publication of this Notice in the Government Gazette.

(The discontinuance is being made under section 207B(2A) and Clause (2) of Schedule 10 of the Act.)

3. Declaration of public highway: To declare under section 204(1) of the Act by notice published in the Government Gazette the deviation to be a public highway for the purposes of the Act (and to give notice that the Council has approved 'Camerons Road' as the name of the deviation.)

4. Land exchange: To carry out an exchange of land with Wallermerriyong Pty Ltd, the owner of the private land shown by cross-hatching on the Plan, whereby the Council will transfer the discontinued road land shown by hatching on the Plan to the Company and the Company will simultaneously transfer its land in the deviation (shown by cross-hatching on the Plan) to the Council. The exchange will be made once the discontinued road land vests in the Council on the publication of this Notice in the Government Gazette.

(The land exchange will be made under section 189 of the Act and alterations to land titles will be made in accordance with section 207E of the Act.)

Public notices of the Council's proposals for the deviation, the road discontinuance, the public highway declaration and the land exchange were published as required by section 223 of the Act. No submissions were made to the Council.

Upon this Notice being published in the Government Gazette the deviation may proceed, the partial discontinuance of Camerons Road and the declaration of the deviation as a public highway shall each take effect there and then, as will the vesting in the Council in fee simple of the land in the discontinued road. Following the vesting, the land exchange will be implemented.

Encumbrances: For the purposes of section 207C of the Act and the land exchange the only encumbrance applicable to the discontinued road land (shown by hatching on the Plan) will be that relating to electrical assets of Powercor Australia notified to the Council as being situated in that land.

EXEMPTION

Application No. A69/2010

The Victorian Civil and Administrative Tribunal (the Tribunal) has considered an application, pursuant to section 83 of the **Equal Opportunity Act 1995** (the Act), by Moogji Aboriginal Council East Gippsland Inc. (the applicant). The application for exemption is to enable the applicant to advertise for and employ an Aboriginal person as a leading hand/supervisor on the applicant's environmental works programme.

Upon reading the material submitted in support of the application, including the affidavit of David Thorpe, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ an Aboriginal person to fill the position of leading hand/supervisor on the applicant's environmental works programme.

In granting this exemption the Tribunal noted:

- The applicant entered into a cooperative project with the East Gippsland Catchment Management Authority (EGCMA) designed to lead to community involvement in the restoration of the Snowy River. The applicant and EGCMA have developed a works programme for a crew of four workers and one supervisor to undertake environmental works, such as weed control and the extension of existing revegetation works. That programme is to be carried out over a period of 12 months to three years.
- The project is also intended to build Indigenous links onto an existing project (the PS Curlip project) that provides key Snowy River specific environmental education. The project is intended to extend the existing and successful 'Culture in the Catchment' tours to the Snowy River. It is part of a broader EGCMA plan to develop and implement mechanisms to ensure that Indigenous people have improved opportunities to participate in natural resource management decision

making processes and have increased opportunities to benefit from the use of the region's natural resources.

- The project is funded by the EGCMA and includes a requirement that the five workers, including the supervisor, be Indigenous and be employed from the Orbost/Snowy region.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 13, 100 and 195 of the Act to enable the applicant to advertise for and employ an Aboriginal person in the role of leading hand/supervisor on the applicant's environmental works programme.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 6 May 2013.
