EXEMPTION

Application No. A223/2010

The Victorian Civil and Administrative Tribunal has considered an application, pursuant to section 83 of the **Equal Opportunity Act 1995** (the Act), by Austin Health (the applicant). The application for exemption is to enable the applicant to advertise for and employ in the part time position of Aboriginal Liaison Officer a person of Aboriginal and/or Torres Strait Islander (ATSI) descent (the exempt conduct).

Upon reading the material submitted in support of the application, including the affidavit of Kerry Wise, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 14, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption, the Tribunal noted:

- The applicant operates the Austin Hospital, Heidelberg Repatriation Hospital and Royal Talbot Rehabilitation Centre and it is a major teaching and research organisation. It caters to diverse multicultural and veteran communities.
- The applicant organisation includes the Austin Health Ngarra Jarra Aboriginal Program which is a stand-alone department. Aboriginal Health Liaison Officers work within the applicant's social work department. The Program improves the health of the applicant's Aboriginal and Torres Strait Islander (ATSI) patients by providing a quality service that is both responsible to the applicant's values and Aboriginal patients' requirements.
- The Aboriginal Liaison Officer's role includes to provide advocacy and support to ATSI patients and their families; to work with and help hospital staff to provide high quality and culturally appropriate health care and services to ATSI patients; to help increase cultural awareness of health care service providers; and to build relationships with community based service providers (both ATSI and non-ATSI) in order to support continuity of care on discharge from hospital.
- A person of ATSI descent can best assist the achievement of these key objectives, because of that person's knowledge of Aboriginal culture, values and social health issues and experience in working with ATSI communities.
- The applicant has been granted previously an exemption to employ Aboriginal Liaison Officers (A319/2008) and the reasons for that exemption continue to be relevant to this application.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 13, 14, 100 and 195 of the **Equal Opportunity Act 1995** to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 18 August 2013.

EXEMPTION

Application No. A205/2010

The Victorian Civil and Administrative Tribunal, has considered an application pursuant to section 83 of the **Equal Opportunity Act 1995** (the Act) by Eastern Health (the applicant). The application for exemption is to enable the applicant to advertise for and employ only Aboriginal persons as Aboriginal Hospital Liaison Officers to work in the applicant's facilities (the exempt conduct)

Upon reading the material submitted in support of the application, including the affidavit of Tass Kostopoulos, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 100 and 195 of the Act to enable the Applicant to engage in the exempt conduct.

In granting this exemption the Tribunal noted:

- The applicant currently operates the Maroondah, Angliss and Box Hill Hospitals, Wantirna Health and the Peter James Centre.
- The applicant has a commitment to care for Aboriginal and Torres Strait Islander (ATSI) patients.
- The objectives of the position are:
 - To assist in improving access and availability of appropriate health services and preventative care for ATSI people, through effective discharge planning into primary care services.
 - To increase the sensitivity of health care services and providers to ATSI health issues, through education and training.
 - To inform the hospital about effective strategies to meet the objectives of the Improving Care of Aboriginal and Torres Strait Islanders program, a combined program of the Victorian Aboriginal Community Controlled Health Organisation at the Department of Human Services.
- The officer will be responsible for the development and implementation of strategies and programs to enhance the delivery of providing appropriate care to ATSI patients.

- Key selection criteria for the position include a sound knowledge and understanding of Aboriginal culture, kinship and society, an ability to communicate with and engage with and to be accepted by the Aboriginal community and an ability to act as a link to the ATSI community.
- An Aboriginal person will have the cultural awareness and understanding necessary for desired objectives to be met.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 13, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 18 August 2013.

EXEMPTION

Application No. A225/2010

The Victorian Civil and Administrative Tribunal (the Tribunal) has considered an application, pursuant to section 83 of the **Equal Opportunity Act 1995** (the Act), by Alfred Health (the applicant). The application for exemption is to enable the applicant to advertise for and employ an Aboriginal or Torres Strait Islander person in the position of Aboriginal Liaison and Access Worker (the exempt conduct).

Upon reading the material submitted in support of the application, including the affidavit of Bridget Wall, the Tribunal is satisfied that it is appropriate to grant an exemption from sections 13, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption the Tribunal noted:

- The applicant operates the Alfred Hospital, the Caulfield Hospital and the Sandringham Hospital. It also works in collaboration with a range of community based services in its catchment area.

- The applicant wishes to employ a person in the role of Aboriginal Liaison and Access Worker to work across its services. The Worker's responsibilities will include building on links the applicant has established with local Aboriginal elders and community providers. The Worker will be instrumental in developing a strategic action framework to ensure appropriate systems are in place for culturally responsive service provision for all Aboriginal and Torres Strait Islander (ATSI) patients and their families when accessing the applicant's services. The Worker will identify opportunities for improving service delivery and reporting these along with contributing to building the capacity of the applicant's staff to provide a culturally safe environment for ATSI people, including staff training and support.
- The applicant believes that the role would best be filled by an ATSI person as it requires the position holder to have experience working with ATSI people and to engage directly with ATSI patients and their families through providing face to face assistance.

The Tribunal hereby grants an exemption to the applicant from the operation of sections 13, 100 and 195 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from the day on which notice of the exemption is published in the Government Gazette until 18 August 2013.

I, Rob Hulls MP, Attorney-General, pursuant to section 14 of the **Professional Standards Act 2003** (the Act), authorise the publication of the New South Wales Bar Association Scheme (the Scheme) submitted to me by the New South Wales Professional Standards Council pursuant to the mutual recognition provisions of the New South Wales and Victorian professional standards legislation. The Scheme is published with this authorisation and will commence in Victoria two months after the date of its publication in the Victoria Government Gazette. The Scheme will expire on 30 June 2015 unless the Scheme is revoked, extended, or its operation ceases as specified by section 34 of the Act.

Dated 10 August 2010

ROB HULLS
Attorney-General

Professional Standards Act 1994 (NSW)

THE NEW SOUTH WALES BAR ASSOCIATION SCHEME

PREAMBLE**Occupational Association**

The New South Wales Bar Association (ACN 000 033 652) is an Australian Public Company, Limited by Guarantee. The Association's current Scheme expires in January 2010.

The NSW Bar Association's website is www.nswbar.asn.au

The occupational group represented by the Association is barristers holding a New South Wales practising certificate. The Scheme only applies to barristers who hold a New South Wales practising certificate, who are members of the Association and who hold approved professional indemnity insurance as provided for in the Scheme. The number of members eligible to be covered by the Scheme is approximately 2100.

The Association's objectives are outlined in clause 3 of the Constitution and include:

- to promote the administration of justice;
- to promote, maintain and improve the interests and standards of local practising barristers;
- to make recommendations with respect to legislation, law reform, rules of court and the business and procedure of courts;
- to seek to ensure that the benefits of the administration of justice are reasonably and equally available to all members of the community;
- to arrange and promote continuing legal education;
- to promote fair and honourable practice amongst barristers; to suppress, discourage and prevent malpractice and professional misconduct;
- to inquire into questions as to professional conduct and etiquette of barristers;
- to confer and cooperate with bodies in Australia or elsewhere representing the profession of the law;
- to encourage professional, educational, cultural and social relations amongst the members of the Bar Association; and
- to make donations to charities and such other objects in the public interest as determined from time to time by the Bar Council.

Nature and Operation of the Scheme

The Scheme operates for the purpose of improving the occupational standards of barristers and to protect the consumers of their services. The Scheme limits the civil liability of barristers to whom it applies. The Scheme is intended to operate in New South Wales, the Australian Capital Territory, the Northern Territory, Queensland, Victoria and Western Australia.

The liability limited by the Scheme includes, to the extent permitted by the Act, all civil liability arising (in tort, contract or otherwise) directly or vicariously from anything done or omitted by a member of the Association or to any person to whom the Scheme applies in acting in the performance of his or her occupation. The Scheme does not apply to liability for damages arising from any matter to which the Act does not apply, including, but not limited to, liability for damages arising from death or personal injury to a person, a breach of trust, fraud or dishonesty.

The Scheme does not affect damages which are below \$1.5 million. The Scheme limits liability for damages to \$1.5 million provided the person has insurance which is not less than \$1.5 million. To date, there has never been a successful claim against a NSW barrister that has reached \$1.5 million in damages.

Risk Management

The Association has adopted many risk management strategies, including:

- requirements for professional entry to practice at the Bar;
- continuing professional development in the areas of ethics and regulation of the profession; management; substantive law, practice and procedure, and evidence, advocacy, mediation and other barristers' skills;
- codes of ethical conduct;
- technical standards and guidance;
- advisory and support services;
- complaints and discipline systems; and
- claims monitoring.

The Bar Association will continue to report annually on the implementation and monitoring of its risk management strategies, the effect of those strategies and any changes made or proposed to be made to them.

Complaints and Discipline

Scheme members are subject to a complaints and discipline system operating under the **Legal Profession Act 2004** (NSW). All scheme members must comply with the provisions of the **Legal Profession Act 2004** (NSW) and Legal Profession Regulation 2005.

Standards of Insurance

Scheme members are required to have approved professional indemnity insurance before they are issued with a practising certificate. The NSW Attorney General determines the statutory minimum level of professional indemnity insurance required to be taken out by barristers and also approves the professional indemnity insurance policies on offer by brokers each year. The professional indemnity insurance taken out by NSW barristers covers them for liability in all Australian States and Territories.

Claims Monitoring

The Association will continue to request that the Attorney General's Order approving the policies for NSW barristers each year requires that the brokers/insurers provide the Association with claims data so that the Association can continue to monitor claims made against its members. The Association will continue to maintain its long established relationship with the insurers. The Bar Association will continue to report annually to the Professional Standards Council on claims monitoring, tactics, performance measures and monitoring systems.

Scheme Administration

Responsibility for administration of the scheme and ensuring that it complies with the requirements of the **Professional Standards Act 1994** (NSW) and of the Professional Standards Council rests with the Executive Director; who is assisted on a day to day basis by the Association's Project Officer.

Duration

The scheme will remain in force for a period of five years from its renewal unless it is revoked, extended or ceases in accordance with section 32 of the **Professional Standards Act 1994** (NSW).
