 - Apply the Public Use Zone Transport (PUZ4) to the light rail corridor.
 - Apply the Public Park and Recreation Zone (PPRZ) to the bike path adjacent to the light rail corridor, seventeen small parks within the estate, and to the electricity substation on the corner of Beach Street and Park Square, and the electricity substation to the west of the light rail corridor, near Canberra Parade.

- Remove the Environment Audit Overlay (EAO) from land where certificates or statements of environmental audit have been lodged.
- Make changes to the Municipal Strategic Statement at Clause 21.05 – 03 Neighbourhood Character to incorporate a statement of key characteristics and design objectives for the Beacon Cove Estate, and introduce the Beacon Cove Neighbourhood Character Guidelines 2010 (SJB Urban 2010) as a reference document.

- Amend the Schedule to Clause 52.03 Specific Sites and Exclusions to modify the description in the column ‘address of land’ to ‘land zoned CDZ1, Beacon Cove, Port Melbourne’ and the Title Reference of the Beacon Cove Incorporated Documents in the column ‘title of incorporated document’ to be consistent with Clause 81 of the planning scheme.
- Amend the Schedule to Clause 61.03 What does this scheme consist of?, to introduce a new map (2NCO) into the planning scheme.

Covenants

EXEMPTION

Application No. A351/2010

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 83 of the **Equal Opportunity Act 1995** (the Act) by Thales Australia Limited and ADI Munitions Pty Ltd (together the Applicant Companies) for exemption from sections 13, 14, 15, 98, 100, and 195 of that Act.

Upon reading the Orders made on 24 June 2004 and 27 November 2007 and the Reasons given for those Orders, the material submitted in support of the renewal application, including the affidavit of Michael Francis Jackson, the evidence given at the hearing held on 21 March 2011 and for the Reasons for Decision published on 29 April 2011, the Tribunal is satisfied that it is appropriate to grant the exemption sought.

Accordingly, the Tribunal Orders that:

1. Pursuant to section 83(1) of the Act, an exemption is granted to the Applicant Companies from the operation of sections 13, 14, 15, 98, 100 and 195 of the Act for the period 24 June 2011 to 23 June 2014.

2. The exemption is granted in respect of the operation of sections 13, 14, 15, 98, 100 and 195 of the Act insofar as those sections relate to the 'race' (as that attribute is defined in section 4 of the Act) of employees, job applicants, and contract workers of the Applicant Companies.
3. The class of activities for which the exemption is granted is discrimination against employees, job applicants and contract workers, where such discrimination is required for the Applicant Companies to undertake certain defence projects (Controlled Projects) in compliance with the laws of the United States of America, in particular the International Traffic in Arms Regulations and the Export Administration Regulations (together U.S. Export Laws). The exemption granted would permit the Applicant Companies to:-
 - (a) In Controlled Projects only, require employees, job applicants and contract workers of the Applicant Companies to provide details of their nationality and place of birth to enable the Applicant Companies to determine whether those people are permitted by U.S. Export Laws to work on Controlled Projects and/or to access technology, materials or information that are subject to restriction under the US Export Laws (Controlled Material);
 - (b) Identify, via a list with limited distribution to only those officers and employees with a need to know, those employees and contract workers that are permitted to access Controlled Material or work on Controlled Projects based on US Export Laws restrictions;
 - (c) Identify by means of security levels on employee's or contract worker's access passes, which must be worn by all employees and contract workers of the Applicant Companies to access each site, the level of access permitted to that employee or contract worker to Controlled Material or Controlled Projects based on US Export Laws restrictions;
 - (d) Restrict access of employees and contract workers to Controlled Material or Controlled Projects based on US Export Laws restrictions;
 - (e) Reject applications from job applicants to join the Applicant Companies' workforce in positions requiring access to Controlled Material or relating to Controlled Projects based on US Export Laws restrictions;
 - (f) Transfer employees and contract workers from Controlled Projects regulated by the US Export Laws to non-Controlled Projects on the basis that the US Export Laws do not permit them to work on those Controlled Projects;
 - (g) Require employees and contract workers involved in Controlled Projects to notify the Applicant Companies of any change to their nationality;
 - (h) Provide to companies that transfer Controlled Material to the Applicant Companies, details of the nationality and place of birth of those employees and contract workers in the Applicant Companies' workforce who will have access to the Controlled Material;
 - (i) Provide to companies who use Controlled Material regulated by US Export Laws at their facilities, details of the nationality and place of birth of those in the Applicant Companies' workforce who will attend those facilities; and
 - (j) Enter into agreements with the Applicant Companies' employees, contract workers, contractors, agents and consultants pursuant to which those third parties undertake to comply with the matters referred to in (a) to (i) above.
4. These orders are conditional on the Applicant Companies furnishing a report every 6 months to the Human Rights and Equal Opportunity Commission. Such report must disclose:-
 - (a) All strategies in place to ensure compliance with anti-discrimination legislation, including all training programs, internal audits and complaints within each reporting period;

- (b) The number of job applicants rejected for US Export Laws purposes, but subsequently appointed to other roles within each reporting period;
- (c) The number of employees retrenched or redeployed due to US Export Laws requirements and any steps taken to minimise retrenchment or redeployment, and any steps taken generally to mitigate the impact of the Applicant Companies' responsibility under US Export Laws on the deployment of its workforce within each reporting period; and
- (d) The number of vacancies advertised within each reporting period, including the number of such vacancies where candidates were required to satisfy US Export Law related requirements.
