Pursuant to section 206 and schedule 10, clause 3 of the **Local Government Act 1989**, the Moreland City Council, at its ordinary meeting held on 13 June 2012, formed the opinion that that part of the road adjoining 101–103 and 105 Snell Grove, Oak Park, shown hatched on the plan below, more specifically being the airspace above a height of 4.6 m above the highest point of the road (70.5 AHD), is not reasonably required as a road for public use and resolved to discontinue the road and to sell the land (being the airspace) from the road by private treaty to the abutting property owner.

Road Deviation

Acting under section 206 and schedule 10, clause 2 of the **Local Government Act 1989** (the Act), the Strathbogie Shire Council, at its meeting on Tuesday 21 February 2012, determined to deviate a section of the Mitchellstown Road reserve, approximately 7 kms west of the Goulburn Valley Highway, in the Parish of Mitchell, which is hatched on the plan below.

Under clause 2(2) of schedule 10 of the Act, consent was obtained on 14 May 2012 from the Minister for Environment and Climate Change as the responsible Minister administering the **Land Act 1958** (under delegated authority), to the proposed deviation and land exchange as shown on the accompanying plan.

The road reserve is to be altered on title to accord with the physical occupation and location of the existing constructed road. The land in the existing road reserve is proposed to be transferred to the adjoining owner in exchange for the land upon which the road is actually constructed.

In accordance with the provisions of clause 2(2) of schedule 10 of the Act, the land shown hatched on the accompanying plan is deemed road in exchange for the land shown cross-hatched.

The Plan sets out these policies, objectives and relevant standards in relation to the discharge of the City of Greater Dandenong's road management duties. Plan also includes details of the management system that Council intends to implement to inspect, maintain and repair public roads and ancillary areas for which it is the coordinating road authority or the responsible road authority. The Plan also specifies priorities adopted by Council after due consideration of available resources. It also includes any matters that a relevant Code of Practice specifies should be included in a road management plan.
