#### EXEMPTION

Application No. A64/2012

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 89 of the **Equal Opportunity Act 2010** (the Act) by Georgina Martina Inc. (the applicant). The application for exemption is to enable the applicant to advertise for and employ women only (the exempt conduct).

The Tribunal hereby grants an exemption from the operation of sections 16, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to remain in force from 1 November 2012 until 31 October 2017.

#### EXEMPTION

Application No. A48/2012

The Victorian Civil and Administrative Tribunal has considered an application pursuant to section 89 of the **Equal Opportunity Act 2010** (the Act) by Domestic Violence Victoria Inc. (the applicant). The application for exemption is to enable the applicant to advertise for and employ women only (the exempt conduct).

Upon reading the material filed in support of this application, including the affidavit of Jeanine Jones and having heard from the applicant on 29 May 2012 and reviewed submissions made by the applicant and the Equal Opportunity and Human Rights Commission, the Tribunal is satisfied that it is appropriate to grant an

exemption from sections 16, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

In granting this exemption, the Tribunal noted:

- The applicant is a peak advocacy body funded by the Office of Housing, Department of Human Services, which comprises as its membership women's domestic violence services across Victoria. Its purposes include enhancing services available to women and children experiencing family violence; providing leadership in good practice and advocacy for violence prevention and systemic change; facilitating responses and commentary to government and key stakeholders; informing public policy and research; and raising community awareness and promoting community responsibility for violence prevention.
- The applicant is frequently contacted in person and by telephone by women seeking direct assistance in relation to family violence. Any staff member may be the first contact for those women. In addition, from time to time, the applicant is involved in projects which require its staff to liaise and work closely with victims of family violence. The applicant believes it appropriate that women only be employed as many users of the service would not avail themselves of the service if male employees were present. The applicant refers men who contact it seeking services to appropriate men's service providers.
- Previous exemptions have been granted to the applicant in similar terms. An interim exemption has been granted which expires on 31 October 2012. I am not satisfied that the exception contained in section 28 of the Act applies in respect of all roles within the applicant organisation. While some of the applicant's services may be special needs under section 88 of the Act, the evidence does not support a finding that, in respect of all roles within the applicant organisation, those services can be most effectively be provided by women. Accordingly, after 31 October 2012, in the absence of an exemption, the exempt conduct would amount to prohibited discrimination.

- When making decisions about exemptions, the Tribunal is required to give proper consideration to relevant human rights as set out in the **Charter of Human Rights and Responsibilities Act 2006** (Charter). Arguably, this exemption limits the right to equality and, in particular, the right to equal and effective protection against discrimination of men who wish to be employed by the applicant. I am satisfied that, in the circumstances discussed above, the limit imposed by this exemption is reasonable and justified under the Charter.

The Tribunal hereby grants an exemption from the operation of sections 16, 107 and 182 of the Act to enable the applicant to engage in the exempt conduct.

This exemption is to commence on 1 November 2012 and remain in force until 31 October 2017.

##### NOTICE OF PREPARATION OF REGULATORY IMPACT STATEMENT

##### Proposed Associations Incorporation Reform Regulations

Notice is given in accordance with section 11 of the **Subordinate Legislation Act 1994** that a Regulatory Impact Statement (RIS) has been prepared for the proposed Associations Incorporation Reform Regulations.

The proposed Regulations, to be made under the **Associations Incorporation Reform Act 2012** (the Act), would, amongst other things, prescribe particulars and forms for the purposes of the Act, provide for model rules of incorporated associations, prescribe fees payable under the Act, and make provision for other matters that are necessary for carrying out and giving effect to the Act.

The objectives of the proposed Regulations are to:

- protect the rights and interests of members of incorporated associations, funding bodies and the general community;
- provide a simple and inexpensive means of incorporation for voluntary organisations by ensuring the minimum necessary administrative obligations to enable effective regulatory oversight; and
- to recover the costs of efficiently administering the Act and the proposed Regulations through cost-reflective and equitable fees.

The RIS examines the costs and benefits of the proposed regulations and possible alternatives, and concludes that the proposed Regulations are the most efficient method of achieving the objectives.

Copies of the RIS and the proposed Regulations may be obtained by visiting the internet at <http://www.consumer.vic.gov.au>; or telephoning Consumer Affairs Victoria on (03) 8684 6484; or collecting hard copies from the Victorian Consumer & Business Centre, 113 Exhibition Street, Melbourne, between 8.30 am and 5.00 pm weekdays, except public holidays.

### **Victorian Energy Efficiency Target Act 2007**

#### NOTICE OF INTENTION TO DECLARE A DISCOUNT FACTOR

I, Michael O'Brien, Minister for Energy and Resources and Minister responsible for the administration of the **Victorian Energy Efficiency Target Act 2007** (the Act), intend to declare a discount factor under section 19 of the Act to be used to calculate the carbon dioxide equivalent of greenhouse gas emissions to be reduced by the following activity prescribed under regulation 6(2) (a) of the Victorian Energy Efficiency Target Regulations 2008 ('the Regulations'):

'Installing a product in accordance with AS 3999-1992 in a ceiling area not previously insulated for a minimum area of 20m<sup>2</sup>, being a product that complies with the criteria specified in Part A of Schedule 11.'

The discount factor I propose to declare is zero. I propose that the discount factor will apply from the date specified in the declaration from which the declaration is to take effect and will expire on 30 April 2013, unless sooner revoked.

Under section 19(2) of the Act, discount factors are to take into account any uncertainty associated with the reduction of greenhouse gas emissions that would eventuate from a specified prescribed activity or specified class of prescribed activities but for the existence of the VEET scheme.

The problems that emerged in respect of installing ceiling insulation under the Commonwealth Government's 2009 Energy Efficient Homes package give rise to such uncertainty. Consultation undertaken by the Department of Primary Industries has raised matters that need further analysis, particularly questions about the quality and availability of training for installers. The Department of Primary Industries is working with the relevant authorities to analyse existing arrangements and determine if any further safeguards are required. Until this analysis is complete the uncertainty associated with the reduction of greenhouse gas emissions that would eventuate from undertaking the activity under regulation 6(2)(a) remains.

It is the Victorian Government's intention that the declaration of this discount factor will enable the completion of analysis of submissions on undertaking a prescribed activity under regulation 6(2)(a).

Public comment is invited on this proposal to declare a discount factor. All comments must be in writing and sent to Energy Saver Incentive, Energy Sector Development, Department of Primary Industries, GPO Box 4440, Melbourne, Victoria 3001, or via email to [energysaverincentive@dpi.vic.gov.au](mailto:energysaverincentive@dpi.vic.gov.au) by 5.00 pm Friday 28 September 2012. Email submissions are preferred.

All submissions will be considered and stakeholders will be informed of my determination. The Essential Services Commission will also inform accredited persons and relevant entities who are liable under the Act of my determination.

**Transport (Compliance and Miscellaneous) Act 1983**NOTICE OF AUTHORISATION  
METROPOLITAN PEAK SERVICE TAXI-CABS

I, Marnie Williams, Acting General Manager, Victorian Taxi Directorate, give notice that for the purposes of clause 4.3 of taxi-cab licence conditions governing the operation of commercial passenger vehicles licensed as Metropolitan Peak Service Taxi Cabs, I have authorised Metropolitan Peak Service Taxi-Cabs to operate additional hours on the days specified below and subject to the conditions specified in this notice.

**CONDITIONS:**

- (a) On the dates specified below for cruise ship arrivals, Metropolitan Peak Service Taxis are authorised to operate for the carriage of passengers from the Station Pier precinct, Port Melbourne between the hours of 7.00 am and 3.00 pm;
- (b) Subject to (c) below, Metropolitan Peak Service Taxis are not authorised to carry passengers from places other than the Station Pier precinct under this authorisation;
- (c) If a Metropolitan Peak Service Taxi has been hired for a journey from Station Pier and that same hirer subsequently requests the driver to undertake a return or extended hiring, including from a place the hirer was conveyed to on the initial journey, the driver may accept and fulfil that subsequent hiring; and
- (d) Metropolitan Peak Service Taxis are not authorised to undertake any street hire (rank/hail) or bookings during these extended hours other than as provided in (a) or (c) above.

**DATES:**

<b>Cruise Ship Arrival at Station Pier</b>	<b>Arrival Time</b>
Thursday 13 December 2012	8.00 am
Saturday 15 December 2012	7.00 am
Friday 28 December 2012	7.00 am
Thursday 3 January 2013	8.00 am
Saturday 5 January 2013	8.00 am
Thursday 10 January 2013	7.00 am
Wednesday 23 January 2013	7.00 am

Thursday 14 March 2013	7.00 am
Saturday 16 March 2013	7.00 am
Friday 29 March 2013	7.00 am

**REASONS:**

The dates specified in this notice correspond with the arrival of cruise ships that will complete their cruise at Station Pier, Port Melbourne. Consequently, significant passenger numbers will disembark from the ships at this point and it is anticipated that many passengers leaving the ships at this point will require transport to alternative transport terminals including Melbourne Airport and suburban destinations.

Providing a restricted authorisation for Metropolitan Peak Service Taxis to boost taxi resources will assist the industry to meet this expected demand and provide Peak Service Taxi drivers with additional work opportunities.

For these reasons, the Victorian Taxi Directorate has declared this to be a special event for the purposes of taxi-cab licence conditions.

#### **Station Pier precinct**

For the purposes of this notice, the Station Pier precinct is: Station Pier, Waterfront Place and Beach Street Port Melbourne between Bay Street and Swallow Street, Port Melbourne.

Operation of Peak Service Taxis during these extended hours is optional, not compulsory.
