(Section 12)

DEPARTMENT OF STATE DEVELOPMENT, BUSINESS AND INNOVATION

Notice of Decision

Mineral Resources (Sustainable Development) (Mineral Industries) Regulations 2013

I, Nicholas Kotsiras, Minister for Energy and Resources, and Minister responsible for administering the **Mineral Resources (Sustainable Development) Act 1990** (the Act), give notice under section 12 of the **Subordinate Legislation Act 1994** of my decision to make the proposed Mineral Resources (Sustainable Development) (Mineral Industries) Regulations 2013 (the proposed Regulations).

The objectives of the proposed Regulations are:

- to prescribe various procedures, details, royalties, fees, forms, information required in documents and other matters authorised by the Act;
- to set out requirements relating to survey and marking out of licence areas;
- to prescribe certain offences as infringement offences;
- to set out requirements relating to declared mines; and
- to set out the requirements for officers who are required, under the Act, to disclose any interests.

A Regulatory Impact Statement (RIS) was prepared in relation to the proposed Regulations. A copy of the RIS and an Exposure Draft of the proposed Regulations were published at www.dpi.vic.gov.au/earth-resources and notice of the RIS was published in the Government Gazette and the Age newspaper on 20 August 2013 inviting public comment. The 28 day comment period ended on 17 September 2013. Five written submissions in response to the RIS were received and all were considered.

After consideration of the submissions received, I have decided that the proposed Regulations should be made with the following amendments:

- deletion of items 20-22 of Schedule 31, to correct a typographical error;
- inclusion of a note under regulation 11(2), to provide the website information for the Australasian Joint Ore Reserves Committee and the Australian Stock Exchange; and
- inclusion of regulation 11(2) in the Table of Applied, Adopted or Incorporated Matter in the Endnotes.

Dated 4 October 2013

THE HONOURABLE
NICHOLAS KOTSIRAS, MP
Minister for Energy and Resources

Subordinate Legislation Act 1994

NOTICE OF PREPARATION OF REGULATORY IMPACT STATEMENT

Police Regulation (Fees and Charges) Regulations 2013

Notice is given that, in accordance with section 11 of the **Subordinate Legislation Act 1994**, a Regulatory Impact Statement (RIS) has been prepared in relation to the proposed Police Regulation (Fees and Charges) Regulations 2013.

This RIS proposes changes to the current Police Regulation (Fees and Charges) Regulations 2004 (the current Regulations), which establish fees payable for a range of Victoria Police services to ensure the cost of providing the services is met by the users of the services. The fees and charges ensure the economically efficient use of Victoria Police services and recognise the services provided are predominantly of a private or commercial nature.

User charges are only levied where persons use police resources for private or commercial purposes including services provided for event management; for information involving searches of files, provision of witness statements or interviews or affidavits; and for other police information services including vetting police records. The proposed Regulations are intended to replace the current Regulations, which are due to sunset on 3 February 2014.

The RIS examines the costs and benefits of the proposed Regulations and assesses alternatives. The RIS considers the alternatives of maintaining the current regulations at the existing fee units which are adjusted annually for indexation, or setting fees to recoup the full resourcing costs incurred by Victoria Police to ensure the level of demand is related to the full cost of providing the service. The RIS concludes that the proposed Regulations are the best means of ensuring that the users of police services for private purposes, recognise the cost of these services through the matching of costs incurred with the fees and charges levied.

Copies of the RIS and the proposed Regulations may be obtained from www.justice.vic.gov.au

Your feedback is welcomed and must be in writing addressed to the Regulations Officer, Police Resources and Governance, Police and Emergency Management, Department of Justice, GPO Box 4356, Melbourne, Victoria 3001 or by email to PR&GENquiries@justice.vic.gov.au. Please note that all comments and submissions will be treated as public documents.

Submissions must be received by 5.00 pm on Wednesday 6 November 2013.
